

## Announce Promotions in Fire Department Personnel

The promotion of one captain to acting assistant chief, three acting captains to captain, and 16 acting lieutenants to lieutenant, together with the appointment of 18 temporary members and 33 certified appointees to the permanent force of the Newton Fire Department became effective last Sunday.

These promotions and appointments were made by Chief John E. Corcoran and approved by Mayor Theodore R. Lockwood and mark an important event in the history of the Newton Fire Department due to the institution of the 48-hour week work schedule on February 2, 1949, following its acceptance by popular vote at the previous state election.

The Newton Fire Department is composed of Fire Headquarters and Fire Alarm Central Office in Newton Centre and 10 fire stations located in each of the original villages in the city.

Another modern fire station is now being constructed in the Oak Hill district which has become thickly populated during the past year due to the new Veterans Housing Project and general increase in building in this residential area. This station is expected to be completed and occupied about the end of this year and will provide additional fire protection in this section of the city.

The names of the newly promoted officers follow:  
Acting Asst. Chief John R. Marchant, 273 Lexington St., Auburndale.

Captain John L. Martin, 7 Washburn St., Newton.

Captain James J. Clarke, 16 Lewis Terrace, Newton.

## Services Held for Fred Plummer

Frederick Plummer of 155 Woodland road, Auburndale, died suddenly Friday, August 26, while in Boston where he had gone to attend to some business.

Mr. Plummer was in his 86th year. He was born in Auburndale the son of William E. and Annie (Howe) Plummer, and had been a lifelong resident of that village. He was a graduate of Harvard College and up to the time of his death had been active in business as a broker.

Well known for his many philanthropies, he was the benefactor of three libraries. The site for the Plummer Memorial-Auburndale Branch Library was donated by Mr. Plummer and his sister, Mrs. Corey, and each contributed \$5000 to the subscription fund.

In addition Mr. Plummer gave \$5000 to help purchase the lot in the rear of the library building and to remove the house, so that there would be a site for a children's room addition. In 1938 he purchased the Gammons lot on Auburn street to give the library a park-like setting.

As early as 1928 he made plans to the Annie Plummer Corey Children's Room in memory of his younger sister at a cost of approximately \$28,000.

Mr. Plummer gave the family homestead on Woodland road to Colby Junior College as a library building in honor of his older sister, Nellie Plummer.

He also contributed a fund to Colby Junior College at New London, N. H., which is being used to help erect a new college building with library facilities.

He was always much interested in the affairs of Harvard University faithfully attending its graduation exercises, football games and other activities. He established a scholarship fund in the name of his class of 1886.

Mr. Plummer was fond of music, played the violin and from his graduation until his death regularly attended the Boston Symphony concerts. He was a man who lived very simply and gave generously to educational interests.

He leaves ten cousins, four of whom, Mrs. Parker B. Fiske, Miss Susie Johnson, Mrs. Charles E. Almy and Miss Mabel Johnson, are residents of Auburndale.

Funeral services were held Monday afternoon at 2 o'clock at the Henry F. Cate Funeral Chapel in West Newton. Rev. Chauncey E. Blossom of the Auburndale Congregational Church officiated. Burial was in the family lot in the Newton Cemetery.

Christian A. Herter  
**Congressman Herter To Address AVC Here**

The Newton Chapter of the American Veterans Committee will hold its first official fall meeting Tuesday evening Sept. 6 at the Newton City Hall.

Congressman Christian A. Herter, of the Tenth Congressional District, will be the main speaker. State Senator Richard H. Lee of Newton will report on the recent legislative session on Beacon Hill.

The meeting will be conducted by Donald L. Daniels AVC chairman. All interested are welcome.

## Announce Dates For Opening at Weeks Junior High School

New students are requested to register at the Guidance Office of the school from Tuesday to Friday, September 6-9.

Make-up examinations will be given to those pupils who are eligible to take them on Friday, September 9 at 9:00 a.m. in room 204.

Seventh grade pupils will report to their classrooms at 9:00 a.m. on Monday, September 12. Eighth and ninth grade pupils will report to their classrooms at 9:00 a.m. on Tuesday, September 13.

## B. C. Will Upset Predictions - Myers

A good Boston College club will play good teams - Oklahoma, Wake Forest, Penn State and Mississippi, to name a few, and despite newspaper predictions that B. C. will lose six of their first seven games, plenty of power, plus teamwork will see the lads from the Heights featuring the win columns this fall, Coach Denny Myers assured members of the Newton Kiwanis Club, at the YMCA last Wednesday.

Effervescent as of yore, Myers insisted that barring injuries, "we'll do alright." A veteran of the football wars for the past 20 years, during which time he played for the Chicago Bears, and coached at Yale and West Virginia, Myers described the inner workings of coaching, paying tribute to Coach Herb Keph and concluded his talk with the statement: "We've never been held scoreless."

William Wragg announced that Alderman Clyde Caddy will be the speaker next week. . . . James Riggs reported the N. E. Kiwanis Convention will be held at Old Orchard Beach, Maine, September 9th. . . . The Newton Club will share an inter club meeting with Hyannis Kiwanis at Hyannis, September 14. . . . Percy Trundle was reported.

## Summer Session Smmer Session

The final services of the summer season at Union Chapel, Little Bear's Head, N.H., will be held this Sunday, at 11 A.M. The officiating clergyman will be Rev. Herbert Hitchen, D.D. minister of the First Unitarian Society in Newton who has just returned from Europe, where he has been preaching extensively in England besides attending the Amsterdam Conference of the International Association for Religious Freedom.

Union Chapel has held non-sectarian summer services continuously since its erection in 1877.

## Haskell C. Freedman To Be Candidate For School Committee

The candidacy of Haskell C. Freedman for the Newton School Committee from Ward 6 was announced this week. Mr. Freedman is a graduate of Harvard College, B.S. (cum laude) 1930, and Harvard Law School, LL.B. 1933. He is a practicing attorney and a member of the Boston Bar Association (Committee on Civil Procedure) and the Massachusetts Bar Association. His active interest in the Newton schools includes two years as President of the Bowen School PTA.

A committee appointed by the Newton Centre Improvement Association invited Mr. Freedman to become a candidate when David W. Tibbott, school committee member from Ward 6 since 1942, made known his intention of retiring at the end of his present term. The latter was one of the first to volunteer his support.

"I cordially endorse the candidacy of Haskell C. Freedman for the School Committee," Mr. Tibbott declared. "He has a fine educational background and I know him personally as an intelligent, public spirited citizen with the welfare of our schools and the city at heart. I am glad to report that his nomination papers bear the signatures of many of our outstanding citizens from all sections of the city."

## "Roseanna McCoy" Now at the Astor Theatre

Produced with faithful authenticity and presented with a brilliance rarely seen on the screen, Samuel Goldwyn's drama, "Roseanna McCoy," is a tense and romantic saga of the two young lovers threatened by the bitter feud which raged between their families for years. The RKO Radio release co-stars Farley Granger, Charles Bickford, Raymond Massey, Richard Basehart, Gigi Perreault and Joan Evans, the latter introduced in the title role.

## Eliot Church Opens Fall Season Sept. 11

The Eliot Church of Newton opens its fall season Sunday, September 11, with a service of worship at 10:45 o'clock. Dr. Roy A. Eusden, the minister, will speak on "The Unpredictable." All sessions of the Church School will hold their opening on Sunday, September 18th, under the direction of Miss Virginia Webber, director of religious education.

## Newton Industry Backing Salvation Army's 1949 Appeal for Funds

Many of Newton's retail, banking and manufacturing leaders are actively furthering the Salvation Army's 1949 Appeal for funds, according to Dwight Colburn, General Chairman for the Newton District.

"It is heartening to see the interest being shown by industry throughout the City in this very worthy project," said Mr. Colburn, at a recent meeting. "Men in business have a good deal on their minds, these days. But even so they are freely offering their active cooperation, and numbers of them, besides, are giving their time and energy to help direct the vast amount of detail work necessary to put Newton 'over the top.' This is highly gratifying—and is, of course, of the greatest importance in making the 1949 drive as successful as it should be, and can be. And it is the splendid cooperation being shown 'all down the line' that makes me so fully confident that Newton will duplicate its fine record of the 1948 campaign, and will this year again exceed its quota by a handsome margin."

As previously announced, the Residential Division of more than 800 Workers in charge of Mrs. Edward Godfrey Huber, of Waban, Mrs. Huber has been concentrating, throughout the summer, on organizational work, and reports that her complete force of chairmen, captains and volunteers is all ready to canvass every home in Newton the moment the word is given to start.

In addition to Mrs. Huber and her Residential Division associates, Mr. Colburn announces that his immediate assistants, as well as the chairmen of the residential divisions, are ready to start.

**INDUSTRY—**  
(Continued on Page 2)

## All Newton Music School to Open Thirty-ninth Season September 19

The All Newton Music School, located at 398 Walnut street, Newtonville, will open for its thirty-ninth season on Monday, September 19. The branch school in West Newton, at the Peirce School on Chestnut street, will start on Tuesday afternoon, September 20.

The facilities of the All Newton Music School allow for a student body of 500 persons, which number represents the enrollment of last year. When this capacity enrollment is reached, in order to maintain the high standards for which the school is well known, new applicants will be placed on a waiting list and will be accepted as soon as possible.

During the week following Labor Day, the school office will be open on afternoons, Tuesday, September 6 through Friday, September 9, from 1 to 5 o'clock, for the re-registration of former students. This advance registration will afford an opportunity to set up teaching schedules early in order to see what vacancies there may be for new applicants.

The next week, Tuesday, September 13 through Friday, September 16, new applicants may apply by telephone for an appointment for consultation and audition. New students will be accepted until vacancies are filled. Instruction at the Music School is a high grade, specialized service, given by a faculty of well qualified teachers and supervised by music directors of many years experience. All instrumental and voice lessons are private and individual. In addition, orchestra and ensemble training, free to all music school students, is an

invaluable and important part of music education. Persons not students of the Music School who can qualify will be accepted for this training at a nominal yearly fee. Pre-instrumental and musicianship classes, offered at a minimum fee for a 30 week period, lay the foundation for all future music study and should be part of every child's general education.

Through active membership in the National Guild of Community Music Schools, the staff and faculty of the All Newton School keep in close touch with all progressive trends in music teaching. The work is carried on as a specialized service, each student given careful, individual instruction, and advanced according to his or her own ability. A graded course of study, systematically supervised, is followed and promotions made at any time during the school year as the work of a grade is completed.

The All Newton Music School welcomes visitors who may come for information or because of interest. A telephone call to the office—Lase 7-1754—for information will receive prompt and courteous response. The executive director, Mrs. Worth, and the directors of music, Miss West and Miss Forte, will be at the school daily after Labor Day and will be glad to assist parents in plans for the music education of their children.

The All Newton Music School is a Red Feather Service, member of the Newton Community Club, Newton Community Council, and National Guild of Community Music Schools.

## David W. Tibbott Not To Seek Reelection

David W. Tibbott, member of the Newton School Committee since 1942 and its chairman for the past 4 years, will not seek reelection this fall, it was learned today.

"It has been a rewarding experience to serve on the School Committee," Mr. Tibbott said, "and I leave my able associates with real reluctance. The fact that most of them will run for reelection has made my decision less difficult, and there are other factors, as well."

"With Harold Gores assuming the superintendency on September 1, and Dr. Homer Anderson devoting part time to us as consultant on our building program, the administrative staff is in extremely capable hands. Equally important, the teaching staff remains excellent."

**TIBBOTT—**

## Golden Wedding Anniversary Held

Mr. and Mrs. Arthur C. Johnson of 6 Morton street, Newton, recently celebrated their golden wedding with a family party in Westport on Lake Champlain, New York, at the summer home of their son Berkeley D. Johnson and his wife, Helen Mitchell Johnson. Their daughter Eleanor and her husband Dr. Philip K. Bates of Santa Monica, California, flew on for the happy occasion.

Also present were five of their seven grandchildren. Mr. and Mrs. Johnson were married in the Congregational Church in West Medway, Mass., August 31, 1899. Mr. Johnson taught Latin and Mathematics in the Newton High School for twenty years until he retired in 1942.

## Cooking An Outlet For Creative Ability

"Cooking can be an outlet for creative ability," says Emma Maurice Tighe, Boston Edison Home Economist. Deploring the attitude that cooking is a bore or a chore, Miss Tighe insists that cooking, like dancing, painting, writing or piano-playing, can and should be a method of expression for the housewife.

"The woman who puts as little imagination into preparing a meal as she does into her housework," she says, "is missing a great opportunity."

## Clapper Says Not For 109 Years Has it Been So Dry Here

Orville O. Clapper, president of the Clapper Company, West Newton, told the Newton Rotary Club that this was the driest year in 109 years and that grass dies readily from the lack of water, but when watering the lawns, they should be watered deep instead of a light watering—and only once a week. Light watering causes the roots of the grass to rise to the surface and then die. Ordinarily, when mowing the lawn in the spring, the grass may be cut about one inch, but in the hot weather raise that to 1½ inches, in fact all summer cut it only at the 1½ inch length, and then in the fall return to the 1 inch. When adding new grass seed, about three times as much fertilizer should be applied as grass seed—three lbs. fertilizer to one pound of seed. Always use the best perennial seed—to be sure it costs more but it will last many years, whereas the cheaper seed is good for only a year or two.

In dry weather there are several things to remember:—

## Placement Tests At Warren Junior High School Sept. 9

Placement tests will be given to children of Grades 7, 8, and 9 living in the Warren Junior High School district, who are new to the Newton School system, at the Warren Junior High School Friday morning, September 9, beginning at 8:45 o'clock. This will include children who have moved into Newton during the summer and children from grades who are planning to enter Warren Junior High School from parochial schools and private schools.

Pupils who report to the school for the placement tests are asked to bring transfer and report cards with them. Any other material which may be helpful to the school in making placements, should also be brought at this time.

Make-up tests for incomplete work for regular Warren pupils will also be given on Friday morning, September 9, at 8:45. The schedule will be as follows: English 9:00 to 10:00 A.M., Mathematics 10:15 to 11:15 A.M., Social Studies 11:30 to 12:30 A.M.

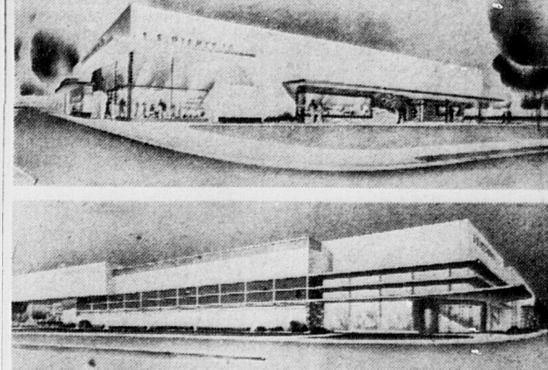

Pupils of Warren who are making up tests in other subjects will also report at 8:45 Friday morning, September 9. The office will be open for registration of new pupils from Tuesday, September 6, through Friday, September 9, from 9 to 12 noon and from 1 to 4 P.M.

School will open Monday, September 12, for pupils as follows: Junior I (Grade 7) 8:30 - 12:00. Junior II & III (Grades 8 & 9) 1:00 - 2:30.

## Two Contracts Have Been Awarded

Two contracts, totaling more than \$26,000, have been awarded by office of the Street Commissioner.

Tufo and Yebba Inc. of Jamaica Plain, were let a \$20,658.30 contract for the construction of Old Farm road, from Brookline street to Longmeadow road. The other contract for the construction of a sanitary sewer on private land, and Paulson road, was let to Nicholas Scioletti of Hyde Park, for \$5,962.

R. H. Stearns and S. S. Pierce announce the beginning of construction on their new branch stores to be located at Chestnut Hill.

Situated at the intersection of the Worcester Turnpike and Hammond Pond Parkway, these stores will be spacious, single-storied buildings, their landscaped approaches harmonizing with the natural beauty of Hammond Pond which borders the property.

Both stores can be readily reached on easy-to-drive highways from all of the suburban areas.

## Former Police Chief To Seek Election

Former Chief of the Newton Police Department, a veteran of 32 years service as a law enforcement officer, Nicholas Veducio, filed nomination papers at Newton City Hall, last Tuesday for the post of alderman from Ward 1.

Mr. Veducio was appointed to the Newton Police Department on March 1, 1915. After serving as sergeant, lieutenant and captain through the years he was appointed chief in June, 1945. A member of the International Police Association, the New England Police Association, the Mass. Police Association and the Newton Police Benefit and Memorial Association, the ex-chief was retired from active service January 1947.

A past exalted ruler of the Newton Lodge of Elks and a member of the Newton Kiwanis Club, he lives at 30 Riverdale avenue, Newton. Mr. Veducio is married, the father of seven sons and two daughters. One of Mr. Veducio's daughters, a former WAC with three years service in the 11th Hospital Corps, died recently.

## An EXPERIENCED EXECUTOR Is Worth Money To Your Family

Before your family gets any of the property you leave, your executor must find and value all your assets, then prove and pay all your bills and the taxes on your estate.

During this process of administration your executor may have to sell some of your property & manage your business.

Efficient, economical administration of your estate usually means that more of your property will be conserved for your beneficiaries. This kind of administration requires an experienced executor.

We have served as executor of many estates for many years. The staff of our Trust Department is devoted exclusively to administering estates and trusts. As your executor we would bring to your estate and family the many practical benefits resulting from our long experience.

We should be glad to discuss our services as executor with you and your attorney at any time.

luncheon will be welcomed, and is to be served both days under the familiar tent on the lawn by Mrs. Wilbur J. Stover. Nearby will be the Coffee and Donut Shop directed by Mrs. Ralph E. Houghton and Mrs. F. Hopewell Underhill. Mrs. John S. White is in charge of all Children's Activities, including the Penn-Age Auction, run by the Young People's Fellowship. The Young Adult Group will be busy both days selling ice cream and tonics, those ever-popular items, and Mr. Stephen Dickinson will direct this booth. Mrs. Ralph L. Morse heads the staff who will be selling hot dogs which always are best-sellers at the autumn festival.

Once again will the good old standbys be found in their familiar places in Trinity House. Mrs. W. Irving Carney heads the Household Department where everything for the discriminating housekeeper may be found. Across the hall, Mrs. F. H. Colony

will offer attractive gifts to please the most fastidious tastes. Mrs. Walter E. Stewart and Mrs. Harold E. Tingley will preside again this year over the Food Table where the good cooks of the parish will have brought dishes of every description, while Mrs. H. Hewitt Cooley will offer candy of all kinds to please the sweet tooth.

Sara and Bunny's Garret will again be a treasure trove for those seeking something unusual or something old, with Mrs. Harry Ross, Jr., and Mrs. H. Kempton Parker in charge. Dainty hand-smocked dresses and other small garments will be sold by Mrs. Amos Kent and Mrs. Walter McNally, both of whom have been busy all summer filling orders for their Tots' Shop. Once again will the Glamour Bar intrigue the women especially, for Mrs. Otto Both will offer for sale the essentials for good grooming. It is expected that Mrs. Herbert Anderson will be busy with those wishing to have appointments with the Handwriting and Fortune-telling Experts who are

so much in demand. The Fiesta would not be complete without the colorful Flower Cart on the side lawn, where Mrs. M. D. Liming will offer cut flowers and house plants of all descriptions for sale.

Mrs. E. K. Mentzer is general chairman for the Bazaar, with Mrs. A. Harry Hutchison and Mrs. David C. Ditmore as vice chairmen. Mrs. Willie B. Clough and Mrs. Anthony Jauregui are members-at-large; Mrs. Ralph E. Houghton is chairman of properties and Mrs. Henry T. Patch has charge of all tickets. Mrs. J. Hopewell Underhill is treasurer and Mrs. Worthing L. West is secretary and chairman of publicity.

## Fund-

## Stores-

(Continued from Page 1)

area and large sections of more remote New England. Both will afford the additional shopping comfort of air conditioning, more ample parking space even on peak days, and easy access from both Hammond Pond Parkway and the Worcester Turnpike.

Comfortable leisurely shopping for suburban customers is the purpose of these Chestnut Hill Branches. They will be fresh, modern and functional in design in keeping with the alertness of New England business. They will continue to further, in a present day manner, the traditional graciousness of New England living of which both Stearns and Pierce have been a part for over one hundred years. Fieldstone, redwood and white painted brick will carry out this theme; while large areas of glass will allow the landscaped panorama of Hammond Pond to be seen from inside both stores.

In the new Stearns' branch, the interior is planned with wide aisles, carpeted floors and distinctive displays. Young mothers will be able to enjoy shopping with and for the children on one convenient floor, where their own fashions and accessories, as well as housewares and notions, will also be attractively grouped.

The S. S. Pierce store will provide complete stocks of all of the fine foods and specialties for which Pierce's is famous, together with a full line of staple foods for every shopper's pantry. Dramatic displays of gift merchandise will be a special feature. A new "Will-Call Shop" where customers may pick up telephoned orders without leaving their cars and without delay promises to be of particular interest.

The new stores have been designed by Walter Dorwin Teague, with Edward E. Ashley as consulting engineer, and are to be constructed by the Morton C. Tuttle Company of Boston.

## Hodgdon Announces Additional Planks

Editor, Newton Graphic:

Last week I submitted five planks of my platform to the electorate of our city. Now, in the furtherance of my campaign to be elected Mayor of Newton, I take this means to announce four more planks for your approval of the voters and taxpayers of Newton. They are:

6. Consolidation of the duties and responsibilities of the office of Director of Public Works, with those of the Engineering Department, Street Department and Water Department. This would make one compact department with one executive head. It would be named the Public Works Department and the executive in charge would be solely and absolutely in control and command of the entire department and all the department's employees.

7. Retirement of the present head of the Assessing Department. Whether he was a friend of the Mayor or not, it was decidedly improper to appoint him, not a city employee, to this position, over the heads of the two experienced assessors who have been employed in this department for years.

8. Elimination of city-paid-for trips to conventions and other affairs by the Mayor, Department heads and others, if any. These junkets may be expensive to the participants but are an expense to our taxpayers.

9. Elimination of the Municipal Research Library in its entirety.

As the campaign progresses, other planks will evolve from the issues and I will announce them publicly to our citizens.

10. A steadfast adherence to a program of common-sense economy; but, not at the expense of human or civil rights. As Mayor, I will consider it my bounden duty, when deciding on city expenditures, to ask myself this question: Do our taxpayers want us to spend their money in this manner? To continue this line of reasoning, it might be well, at this time, for our taxpayers and voters to ask themselves the following question: Can we afford another two years of Mayor Lockwood?

11. A definite promise never to allow the use of the Mayor's office, directly, or by implication, in the furtherance of any promotional plan or venture of profit-seekers, such as the previously proposed sports arena at Auburndale, or the business development presently proposed for construction on the site of the Mason School in Newton Centre.

12. Immediate correction of the endangerments to our security and health that currently exist at the Pine Street Dump and Brannans Brook in West Newton. Our present Mayor and his Board of Aldermen can waste the taxpayers money on a research library, but, for some undefined reason, are unable to eradicate the ever-present danger of a serious conflagration because necessary fire apparatus may be tied down fighting a dump fire. If Brannans Brook, which is the health part of this problem, has not been cleaned for 20 years, as alleged, is it time, in these days of polio epidemics, for some responsible city official to take an active interest in eliminating this danger to our collective health?

13. A mandatory rule, perhaps, it should be an ordinance, to limit the use of the city incinerator at Newton Highlands, to the burning of combustibles from the City of Newton only. This would go a long way to clean up the Pine Street Dump situation by making room for the burning of that dump's burnable material, by preventing the use of the incinerator's facilities by Brookline and other towns and cities, if any.

As my campaign for Mayor of Newton is largely based on the planks of my platform which I have submitted, and those which will follow, in the columns of this newspaper, I would be most grateful if I did not thank the editor for this privilege. I do this now, and most sincerely.

WALTER A. HODGDON

ra, N. Y., John Craig, Auburndale, Inspector Joseph Lyons, of the Newton Police Department and Major Kenneth Halliday were guests of Newton Kiwanis at the meeting.

## Clapper-

(Continued from Page 1)

eral kinds of pests which ruin the lawns because they go into the ground for moisture, and the proper chemical applied at the right time will, of course, do away with such pests. Crab grass can also be controlled with proper treatment.

Don't plow your lawn up too soon thinking that it is completely ruined from the hot dry summer. Some of the lawns can be brought back. Wait until late September. If you do feel a new lawn is necessary loosen the ground deeply with a spade or even a pitch fork so that the water will soak in and not run off.

**WHETHER SHE LANDS** a big one or not, this blonde beauty is having the time of her life lolling on an Atlantic City jetty waiting for her fish to come in.

## Newton Highlands

Capt. Alfred R. Taylor, USN, and Mrs. Taylor, 5 Bellingham

street are parents of a daughter, Dorothy Quincy Taylor, born Aug. 16 in the Newton-Wellesley Hospital.

# A Shopping I Would Go!

By DOROTHY LANE

A Shopping We Went in Newton and what a variety of new merchandise we encountered. Campus clothes in dramatic fall colors - School Supplies for the student - Toys for the Pre-Schooler and gifts galore for the weddings, showers and those not-to-be-forgotten "Thank You's" for your vacation hostess. All ready and waiting for you now that Labor Day is high and vacations are over.

Watch this column for bargains galore, feature items and exciting values to be found in "your own backyard".

Merchants and their sales forces have had a well deserved vacation and eagerly look forward to serving you graciously and efficiently.

If you should not be able to locate certain items, won't you call me at LA 5ell 7-4354? I'd love to help.

Meantime, SHOP IN NEWTON.

## Whatnot Shop, Inc.

1284 Washington Street  
West Newton Square  
Bigelow 4-0859

Christmas in September! The Shopping Student can find all his supplies in one store. That's right, The Toy Chest has a complete assortment to fill your requirements for school. You'll find Erasers for those mistakes that will happen, and Sharpener to give your pencil that "well groomed" look. The aspiring artist will be thrilled

Whatnot Shop has a complete assortment of boxed cards and books from which to choose your individual "personalized" card. The quiet

## Recent Deaths

### George A. Kell

George A. Kell of 1633 Washington street, West Newton, tax accountant for the United Shoe Machinery Corporation for 29 years, died Sunday, August 28.

Mr. Kell was in his 74th year. He was born in Pittsburgh, Pa., and before coming to the United Shoe Machinery Corporation served as an accountant with the Westinghouse Company in Pittsburgh, and with the firm of Westinghouse, Church & Kerr of New York City.

He was a member of Fraternity Lodge A.F. & A.M. the Central Congregational Church, Newtonville and the United Shoe Machinery Quarter Century Club. He leaves his wife, Mrs. Linda A. (Cappi) Kell, a son, Richard A. of West Newton, a daughter, Mrs. J. D. Blackall of Newton, a sister, Mrs. George E. Jester of Pittsburgh and four grandchildren.

Funeral services were held Wednesday afternoon at 2 o'clock in the Newton Cemetery Chapel, Rev. Randolph S. Merrill of the Central Congregational Church officiated.

### Newton

Billy Horn, 74 Waban park, Newton, was greeted "happy birthday" on the August 27th broadcast of the Young Timers Club, heard every Saturday morning at 9:00 a.m. over WCOP. Billy was eight years old on August 27th.

### Jennie R. Miner

Funeral services for Mrs. Jennie R. (White) Miner of 19 Fuller terrace, West Newton, widow of Joseph R. Miner, were held Wednesday at 2 p.m. in the William R. Miller Chapel, Waltham. Rev. Robert Clyde Yarbrough of the Second Church in Newton, West Newton, officiated. Burial was in New Lincoln cemetery, Lincoln.

Mrs. Miner died Sunday, August 28, at her home following a long illness. She was born in Montreal, Canada, November 6, 1866, and had resided in Newton 45 years.

She leaves a daughter, Mrs. John Dennis of Waltham; a son, Walter L. Miner of Newtonville and four grandchildren.

### Fred C. Milligan

Funeral services for Fred C. Milligan of 12 Charles Street, Auburndale, were held Wednesday at 2 p.m. at the Rich and Bellinger Chapel, 30 Centre Avenue, Newton.

Mr. Milligan died Sunday, August 29. He was in his 57th year and was a native of St. John's, New Brunswick. He was a member of Centenary Methodist Church, Auburndale, and the Odd Fellows. For the past seven years he had been employed by the Boston and Albany Railroad. He leaves his wife, Mrs. Bertha L. (Johnson) Milligan.

### Joseph E. McKenney

Funeral services were held Wednesday afternoon at 3 o'clock in the Newton Cemetery Chapel for Joseph E. McKenney of 97 Washington Park, Newtonville.

Mr. McKenney died Monday, August 29, at his home. He was in his 42nd year and had resided in Newton 15 years, coming here from Kennebunk, Me. He was a member of Dalhousie Lodge of Masons and the Highland Glee Club.

He leaves his wife, Mrs. Lillian B. McKenney; a daughter, Linda, 8; his parents, Mr. and Mrs. Oscar McKenney of Hampton Falls, N. H.; two brothers, James of Norwell and Capt. Bertram McKenney, U.S.A., of New Brunswick, N. J.; and two sisters, Miss Agnes McKenney of Providence, R. I., and Mrs. Helen Cobb of Hampton, N. H.

### Jennie Adams

Mrs. Jennie (Coleman) Adams, wife of the late William H. Adams formerly of 721 Washington Street, Newtonville, died Sunday, August 28.

Mrs. Adams was born in Boston, daughter of the late John T. and Sarah (McCullough) Coleman and had resided in Newton most of her life. She was a member of Palestine Chapter, O.E.S., Newton Unit, V.F.W. Auxiliary, and the Boston Spanish War Veterans Auxiliary.

She leaves two nieces, Mrs. Dorothy Dennis of Waltham and Mrs. Alma White of Dennisport. Funeral services were held Wednesday at 2 o'clock in Grace Episcopal Church, Newton.

### Katherine S. Conley

Funeral services for Mrs. Katherine S. Conley of 430 Commonwealth avenue, Newton Centre, were held Monday morning from her home. A solemn requiem mass was celebrated in St. Ignace Church at 10 a.m.

Mrs. Conley died Friday, August 26, at the Cardinal O'Connell House, St. Elizabeth's Hospital, Brighton. She was in her 69th year. She leaves her husband, Frederick T. Conley, attorney and treasurer of the People's Federal Savings and Loan Association; three daughters, Mrs. J. A. DeMarco, Miss Kathleen and Miss Grace Conley, and two grandchildren.

WALSH—On Aug. 31 Josephine M. (Coleman) Walsh, wife of the late William J. Walsh, of 65 North street.

Richard Haley, 70 Withington road, Newtonville, was greeted "happy birthday" on the August 29th broadcast of the Young Timers Club program heard every Saturday morning at 9:00 a.m. over WCOP. Richard was seven years old on August 29.

## News From the State House

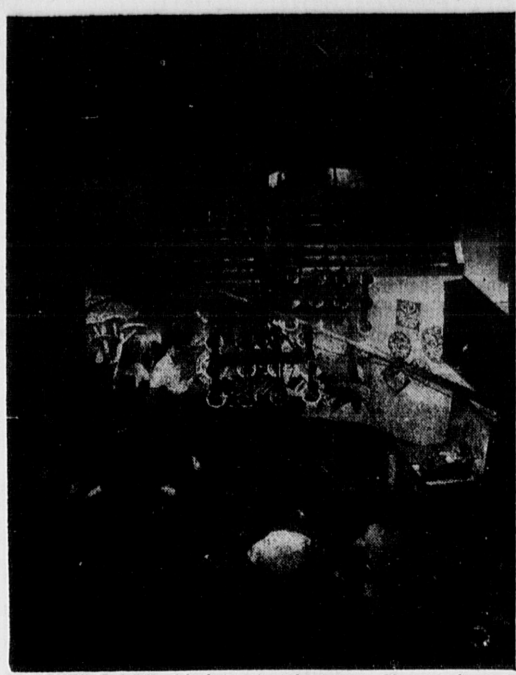

By HELEN L. RING

The Massachusetts legislature has ended its session for the year of 1949. It is the first time in the history the legislature remained in session so long. Many reasons are given for the late start of the session. First they started late (three weeks later than usual) and second debates were lengthy. Every legislator has a chance to say his piece. Since Calvin Coolidge's administration has never been printed. The legislative leaders explained that there was no need to print the budget because of waste in money and labor and legislators know what they voted for before the budget comes up for enactment. This year since the budget was extremely large, the largest in the history of the State, many loud objections were heard from the public because they could not get a copy of the budget. This year's supplementary budget contains 122 pages and will be printed at the close of the session. Any one wishing to receive a copy of the enacted budget may write or call the State House.

After a stormy session the supplementary budget was past to be engrossed Wednesday afternoon in the Senate, sent immediately to the House for action and returned to the Senate late Wednesday night for enactment. It was feared that proration would be halted because of the controversy over the amendment offered by Senator Furbush, Republican of Waltham on the measure to study blood pressure sponsored by Rep. Paul A. McCarthy, Democrat of Somerville to reduce the amount asked in the budget \$100,000 to \$50,000 which the Republicans thought was ample enough for study. Rep. McCarthy said he would fight to restore \$100,000 if the amendment for \$50,000 was passed. However, the amendment was rejected after a committee conference. An amendment offered by Sen. Harris Richardson, Republican, of Winchester, to reduce the amount from \$50,000 to \$10,000 for a commission to study the cash sickness benefits fund in this state was passed. Sen. Richardson stated that he smelled a rat to California for this commission and the commission would do very well by going to New York to study there laws instead. The Republicans bolted, refused to vote for the budget. Sen. Richardson openly stated that the budget was a balloon budget the people of the state are getting kind of sick of paying taxes. He protested vigorously in a caustic attack upon the Democratic administration. He said "that the people were being slugged with this budget worse than they had ever been slugged before." He continued to say that he would not vote for the budget and will answer for his name as present. An amendment to reduce the budget by 5 per cent which would save about \$6,000,000 was defeated. The supplementary budget was given a final approval after scrutinization by both parties sent to the Governor late last night for his signature. The total amount is \$22,420,897.

Last year the legislature increased their salaries by \$500. This year a bill sponsored by Rep. Kenneth Sanderson, Republican, Marblehead to increase the salaries of the state solons by \$1,000. None of the legislators protested as they usually do by grabbing the mike. It went through without debate in both branches. They now receive \$3,750 a year plus expenses. They also put through a pension system for themselves. After they are in the public service for six years and reaching the age of 65 they would become eligible for annuities of \$3,000 on an average. They must pay five per cent of their salaries to collect their pensions. Generous increases salaries were given to several state officials. The judges of the Land Court from \$12,500 to \$14,500, one of whom is Judge Patrick J. Courtney of Newton. Executive Council members were given a \$1,000 raise. Now receiving \$3,000 a year. Bank Commissioner Donovan from \$8,500 to \$12,000. MDC Commissioner W. T. Morrissey from \$9,500 to \$15,000. Commissioner of Public Works, William Calhoun from \$9,500 to \$15,000. Expenses \$1,875 to be paid to the Democratic and Republican floor leaders and Chairman of Senate and House Ways and Means and the Clerk. Sen. Lee offered amendment to raise it to \$500, to the Chairman \$100 and to the clerk \$50.00. It was defeated. The bill to provide for the immediate payment to cities and towns of the corporate franchise taxes for the years 1943-1946 was enacted. The amount to be distributed is \$1,604,059.43. A roll call was taken 100-32. Rep. Rawson and Rep. John S. Whittemore voted for the enactment of the bill. Rep. Howard Whitmore, Jr. opposed the enactment.

The Legislators will convene on the first Wednesday in January, 1950. This is my last writing of News From the State House for the year. I hope you

IT TAKES A LOT of lighting in television. Shown above is the set for Carl deSuzes' "Surprise Package," children's show seen on Tuesday and Thursday over WBZ-TV. Note the suspended banks of fluorescent and incandescent lights used for base lighting with additional floods, spots and scoops for highlighting.

## Extensive Traffic Safety Program to Be Conducted

Chief Philip Purcell of the Newton Police Department has announced that an extensive traffic safety program will be conducted in connection with the three-day Labor Day holiday.

"Newton," the chief stated, "will cooperate with the Registry of Motor Vehicles and all other police departments in regulating and controlling what is expected to be the heaviest motor vehicle traffic flow in the history of the State over this weekend holiday."

"Thousands will journey to their favorite weekend spots with their families and friends, while thousands of other motorists will add to Labor Day travel congestion as they return to their homes from summer and vacation resorts, also carrying that most priceless of cargoes—human beings."

"Traffic conditions will be more difficult than ever before and will create greater hazards for both drivers and pedestrians."

"During the Labor Day weekend of 1948, seven persons were needlessly slaughtered in highway accidents in Massachusetts,

and every enforcement officer will be on duty to prevent a repetition of this wanton killing on our highways resulting from carelessness, inattention or other negligent and improper operation of motor vehicles."

"Particular attention will be directed to the control of unreasonable speed, cutting out of line or passing on hills where the view is obstructed, or recklessness in any form. Any driver found operating a motor vehicle after drinking will be removed from behind the wheel and all violators will be penalized."

"We also wish to emphasize that pedestrians must recognize their responsibility, and they must make every contribution to insure the complete success of this enforcement program."

"Parents are urged to exercise control of their children as a protective measure against accidental injury and death."

"We urge every citizen to cooperate and give complete support to our combined efforts to prevent highway congestion, disorder and loss of life over this holiday period."

The following are the births at the Newton Wellesley Hospital for:

August 23  
To Mr. and Mrs. John Barton, 118 Robbins St., Waltham, Mass.—a boy.  
To Mr. and Mrs. Thomas Huddy, 299 Riverside Drive, Dedham, Mass.—a girl.

August 24  
To Mr. and Mrs. John M. Harmon, 15 Evergreen Ave., Auburndale, Mass.—a boy.  
To Dr. and Mrs. Thomas McEntee, 264 Lake Ave., Newton Highlands, Mass.—a girl.  
To Mr. and Mrs. Charles Doucette, 79 Faxon St., Newton, Mass.—a girl.

August 25  
To Mr. and Mrs. Abraham Freiberg, 33 Oakland St., Watertown, Mass.—a boy.  
To Mr. and Mrs. Clifford Charlier, 94 Overland Rd., Waltham, Mass.—a girl.  
To Mr. and Mrs. Derickson Brinkerhoff, 30 Cleveland Rd., Waltham, Mass.—a girl.

August 26  
To Mr. and Mrs. Clement McCarthy, 11 Lewis St., Newton, Mass.—a girl.  
To Mr. and Mrs. Richard VanUmmersen, 57 BonTempo Rd., Newton Centre, Mass.—a girl.  
To Mr. and Mrs. Richard Knox, 118 Wiswall Rd., Newton Centre, Mass.—a girl.

## Gath Minimizes Child Delinquency

The name and fame of Harry Gath, Jr., candidate for Ward 2 alderman has traveled throughout his district as well demonstrated the other afternoon when a score of Newton youngsters propositioned Mr. Gath at his home, 600 California street and asked for his sponsorship of their football team to be known as the "Gath Juniors." Mr. Gath readily agreed to "back" the "little fellers" by supplying equipment but he will in addition also arrange for a coach from his ex-Gath Guards senior football team.

At his meeting with his committee last night Mr. Gath made first mention of the arrangement and emphasized it as a theme for the handling of juvenile delinquency in Newton which he definitely minimized in Newton compared to other metropolitan cities.

Mr. Gath said, "On one hand you hear it said and read it, too, 'Newton has too many playgrounds.' Next you have inquiries made of the police department regarding juvenile delinquency problems and recommended suggestions as to their cures. Definitely, I do not believe Newton has too many playgrounds and the approach of these young boys to me is positive proof that given the proper support, encouragement and backing juveniles will contribute by themselves a cure of their own choosing. All they need is the acceptance of their activities by the city authorities and public spirited citizens. This move of the youngsters in Ward 2 I enthusiastically endorse, in no way for political reasons, because I have full confidence their fathers and mothers know of their football interest and appreciate that such a youthful sport activity means much for their boys. I've only been doing it for the past 18 years."

"Without harping on the one subject some of the same sources who talk about 'too many playgrounds' and query the police department could do much in the board of aldermen by demanding action for the establishment of the swimming and wading pool at Albarine playground. These same youngsters will have to play their football games there under the tutelage of a capable coach I will supply. They, and hundreds of other Newton boys and girls could enjoy the next summer privileges of the swimming pool, not alone as pertains to juvenile delinquency, but the more important subject of polo that has afflicted Newton youngsters this year. The 'in-town' business men members of the Board of Aldermen, who use the Garden City as a 'bed-room' should acquaint themselves with the need for similar activities such as these 'little fellers' developed among themselves. To know youth is to enjoy them. Their play-like energies must be developed. They have simply got to 'work it off' and there is nothing better than athletic activity such as football and swimming to do it."

"As I told Mayor Lockwood it took me 18 years to win the basketball championship but my football, baseball, softball, bowling teams were always in there doing their best for recreational progress in Newton. Some of my basketball team players are now on the Boston University football squad and to give encouragement to the new Gath's Juniors I intend to have these trained athletes meet the team and give them added instructions which may mean that Ward 2 and Newton fathers and mothers will be proud their 'teen age sons voluntarily asked me for cooperation. I think that I'll be proud of my team."

The Rev. Hamilton M. Gifford and Mrs. Gifford, with their three children, Jimmy, Alison and Peter, who are spending the summer on Little John's land, Casco Bay, Maine, came down to attend the wedding of Miss Nancy Newton and Mr. Robert Rombout White, 3d, in the Methodist Church Saturday afternoon, when Mr. Gifford was the officiating clergyman.

Alvord Bros., Realtors, have just sold a pre-war Colonial home, containing seven rooms, bath and lavatory with an appealing knotty pine den, and super-modern kitchen, set on 10,200 feet in a good residential section, at 60 Lindberg avenue, West Newton. This property was sold for Mr. and Mrs. Charles V. Smith to Samuel Bebergall, of Brookline.

## Your City Government

The Fifth of a Series of Public Relations Programs over Radio Station WCRB took place Monday afternoon at 3:45 p.m. Harold T. Pillsbury, Director of Research and Moderator of this Series of Broadcasts, in introducing Ashley Q. Robinson, Newton's City Engineer, said, "Let no one say there is no big work to do when you consider that the multiplicity of duties of the City Engineer involve the drawing of specifica-

tions for all construction work, the making of surveys, measurements, levels, designs, estimates and plans pertaining to the streets, drains, sewers, waterworks, bridges and lands of the City." Mr. Robinson had the following to say:

The City of Newton, known as the Garden City, is mainly a residential community throughout the eleven villages the City is divided into, each requiring municipal services of the most modern kind. From 1915, when I joined the staff of the Engineering Department, the population was about 43,000. It is now estimated at over 80,000.

The Engineering Department is responsible for all the engineering for all the city departments and makes all plans, studies, etc. required by the Mayor or the Board of Aldermen for any municipal purposes.

Some of the engineering services for the City departments are listed as follows:

**CITY CLERK'S DEPARTMENT:**  
1. Petitions for street acceptances, sewers and drains submitted to Engineering Department.

**ANNOUNCING... EVANS "YOU NAME IT" CONTEST**  
1st PRIZE \$2500 IN CASH  
25 other prizes — of famous EVANS products  
**IT'S EASY! IT'S FUN!**

Just name the sensational new EVANS automatic pocket lighter on display in our window. Get your entry blank here. Nothing to buy; no obligation!

**WE HAVE A COMPLETE LINE OF SENSATIONAL NEW EVANS AUTOMATIC LIGHTERS** for pocket, purse, table and desk. See them today.

**Hubbard's Drug Co.**  
425 CENTRE STREET

2. Name of property owners to be notified for hearings on petitions for streets and sewers, also zoning changes, land taking of any kind such as school sites, parking areas, etc. NOTE: These names are taken from the records at Middlesex Registry of Deeds, Cambridge, Mass.

3. Record descriptions of all acceptance streets, sewer takings of streets or private land easements, school lands, building lines and playgrounds.

4. Record plans of all street acceptances, sewer takings which are sent to the Middlesex Registry of Deeds to be recorded.

5. Zoning plans of all changes of zone together with variances, any other plans required such as Ward and Precinct line changes.

**ASSESSORS DEPARTMENT:**  
Making yearly sub-divisions on plans of the seven wards of the City numbering now nearly 900. These lot developments are taken from copies sent the Engineering Department from the Middlesex Registry of Deeds, also the Land Court.

The master plans or tracings made by the Engineering Department of the Assessors Block System are kept in the office of the City Engineer.

**LAW DEPARTMENT:**  
Photographs and plans for law suits of any kind.

Descriptions of city owned lands for record deeds.

**POLICE DEPARTMENT:**  
Surveys, plans and photographs of all fatal accidents for court.

Traffic studies and plans for control of lights and parking.

**WATER DEPARTMENT:**  
Studies, designs, estimates, construction plans on water supply and the water distribution system.

Yearly extensions of water mains are staked out and record measurements kept in notebooks in the Engineering Department.

Gate records kept up to date yearly.

All water services measurements to new houses and buildings kept in record notebooks.

Water distribution plans showing all the mains, gates and hydrants over the entire city kept up to date.

**NOTE:** Copies of these water distribution plans are furnished the Fire Department and placed in all the fire stations of the City.

**RECREATION DEPARTMENT:**  
Construction grading plans of new playgrounds showing layout of baseball, football fields, tennis courts, etc., with contracts and specifications of same.

Question — What outstanding construction work done by City as regards athletic grounds?

Answer — Claffin Field is one of the finest high school athletic layouts with baseball diamond and backstop, 2 baseball practice

fields, 3 football practice fields, 2 volley ball courts, 3 girls' softball fields, 3 girls' soccer and hockey fields, archery range, 5 clay tennis courts, 4 cork asphalt tennis courts (to be used also for ice hockey), 1 hockey rink—board sections, 1.4 mile cinder track with 220 yard straightaway, football field, stadium, wooden stands and temporary bleachers.

**BUILDING DEPARTMENT:**  
Contour plans showing all public utilities in adjacent street, and contours of play areas in connection with the school lot with original contours for architect to plan new school, library, etc.

**HIGHWAY DEPARTMENT:**  
Plans and profiles for construction of streets, drains, culverts, sewers, parking areas, bridges, etc., together with estimates for appropriations by the Board of Aldermen, and contracts, specifications, and supervision during the construction of all public works.

1. Betterment streets have 24 inch Bituminous concrete surface roadway with proper drainage, gravel, sidewalks, loam borders, cement concrete curbing entire length of street, street signs, stone bounds, etc.

2. Public streets requiring reconstruction are built of air-entrained concrete 6 or 8-inch depth, 2 1/4 inch or 5-inch Bituminous concrete thickness with proper drainage, 12-inch gravel foundation and whatever curbing and intersections to make a modern highway according to traffic requirements of each particular street.

Question — What is this air-entrained concrete used in highway construction?

Answer — Air-entrained concrete is concrete into which Durex A.E.A. is introduced so as to seal up the pockets left by the action of regular concrete from finishing the surface. On tests of some work built on air-entrained and normal portland cements, it has been found sealing of the surface has not occurred on sections built of the air-entrained after the use of salts for four winters.

Durex A.E.A. is called scientifically "an air entraining agent"—a liquid which when added to the concrete mix incorporates minute, useful airbubbles that produce more workable and more durable concrete.

It's like this — you've seen your wife whip up an egg white or cream when she is making something good to eat. The air gets into the mix and puffs it up. The egg white is an air entraining agent. So far, so good. What the egg white does for cakes, Durex A.E.A. does for concrete.

Another product, Atlas Duroplastic, provides the precise amount of air-entraining agent inter-ground with the amount for satisfactory field performance.

The entrained air cells created in the concrete effectively minimize segregations and bleeding and is well fortified against the weakening effects of freezing-thawing weather and against the biting, scaling action of salts.

They both comply with A. S. T. M. American Society Testing Materials and Federal Specifications.

Bituminous concrete is an asphaltic mixture of asphalt with coarse aggregate (stone) graded, fine or sand, and mineral filler and produces what is generally called "black top job."

In both the cement concrete and bituminous work the mix is continually tested at the plants and after it is laid field samples are taken to make sure that the proper compaction has been obtained.

The construction of all public works require much detail study by the Engineering Department as regards street lines and calculations of same, levels for determining grades of center lines, gutter lines, large intersections

**\* NURSERY SCHOOL**

of streets, curbing, setting grade stakes and spikes and furnishing grade sheets for the inspectors.

Sewer construction requires a design as to size required by the number of people served in the district in question with surveys for locations of easements necessary for outlets and over the streets in which the streets are sewered. Levels are taken for profiles and construction plans are made with estimates, contracts and specifications for the finished job. On all construction work the contracts are built under the resident supervision of an Inspector from the Engineering Department.

Sewer assessments are levied on the abutter at the rate of thirty cents a foot frontage and three cents per square foot on the area of each lot to a depth of 125 feet if the land can be served by the sewer at a 2 per cent rate from the invert grade of the sewer. About 50 per cent of sewer is taken care of by the City.

Betterment assessments are levied at the rate of five dollars per linear foot and if the cost of construction is in excess of this amount, the cost is taken care of by the City. The abutter pays for one-half the cost of street.

**ENGINEERING DEPT. OFFICE**  
The office engineers answer all kinds of questions from the public daily on lot dimensions, zoning requirements for subdivisions, sewer and betterment assessments, record data on street lines, etc., assign record street numbers for new buildings, data on public works pertaining to public utilities such as gas, electric, telephone, etc., and other services too numerous to mention.

On file in the department are approximately 40,000 plans covering public works plans and the records of streets, sewers, waterworks, land plans, etc.

There are also on file 1700 notebooks covering surveys of all kinds, levels, grades, water and sewer records, etc., together with 37 index books, 200 calculation books, 1500 profiles and 25 district plans at 40 feet to an inch covering the entire City. The department owns four station wagons, four sedans, one coupe; also large blueprinting department.

Most of the printing required by the various city departments covering reports of all kinds, special work, contracts, specifications, studies, dockets for the Board of Aldermen and committees.

Photostat work is also done when required for many departments.

Question — What outstanding work did the Engineering Department have charge of the past year?  
Answer — The outstanding work done by the Engineering Department during the past year was the construction of the Veterans' Housing Project, completing the design of the site by Willard S. Pratt, our present Director of Public Works, and consisted of the following features:

**Friendly Thoughts**

Two feet take you where you want to go. Two trained hands obey your will and help shape destiny. Two eyes bring to you fascinating pictures, smiles of true friends, and knowledge. Two ears listen to the music of the universe. With these priceless possessions can you ever be poor?

The public is fair to those who are fair to it. The public has confidence in those who do not abuse its confidences.

**Rich & Bellinger**  
DIRECTORS OF FUNERALS  
CALL AT ANY HOUR

26-30 CENTRE AVE. NEWTON, MASS.  
A. C. Bellinger V. P. Mackay

1. Making contract plans (76 sheets) and specifications.

2. Grading the entire site of 128 acres.

3. Building an outfall sewer of approximately a mile and a half in length.

4. Building four and one half miles of streets and footways with proper sewers, drains, curbing, loam borders, setting out trees, installing water, sewer and gas services to the 412 houses built on the project.

5. To obtain some idea of the size of the project, the above work cost approximately one million and a half dollars.

During 1948 the department was responsible for carrying out some thirty contracts of various kinds on the public works of the City amounting to \$600,000.

Last year, 1948, the Engineering Department had a maximum number of fifty engineers composed of party, inspectors, draftsmen, construction engineers, designing and office engineers, title clerk, principal clerk, assistant clerk and two multith operators.

Due to the Veterans' Housing Project and an extensive highway construction program, the regular engineering staff was enlarged considerably.

Question — What other duties does the City Engineer perform?  
Answer — The City Engineer is also a member ex-officio of the Newton Planning Board, acts as Clerk and also as a technical advisor on engineering matters.

The Planning Board acting as a Board of Survey passes upon the opening of private ways for public use, approving, modifying and approving, or disapproving the layout of such ways as to location, alignment, grade and drainage.

In 1947 the City of Newton passed an ordinance, No. 173, stating all streets or ways hereafter constructed on private land by owners thereof shall be constructed only under the supervision of the City Engineer and shall not be constructed until a bond of a corporate surety authorized to do business under the laws of the Commonwealth of Massachusetts has been furnished the City of Newton.

Question — What are some of the interesting statistics of the City?

Answer — Founded 1630; incorporated a town 1688; a city 1873. Population, estimated over 80,000.

Railroad stations, 12; school houses, 30; churches, 45; houses, 17,127; villages, 11; post offices, 10; city infirmaries, 1; city garages, 1; fire stations, 10; police stations, 1; court houses, 1; state armories, 1; water works pumping stations, 2; highway stables, 3; playgrounds, 33.

Libraries: 1 main library; 1 boys' and girls' library (in separate building); 10 branch libraries, 6 in City owned buildings, 3 in City school buildings; 1 in rented quarters.

Next Monday afternoon at 3:45

## Newtonville

Mr. and Mrs. Lee Sherman Cass of 264 Mill street will give a tea at the Copley Plaza Hotel Dec. 29, honoring their daughter, Miss Leslie Coleman Cass, who graduated from the Beaver Country Day School in June.

Architects are now at work on drawings for a new Claffin School to be located on Lowell avenue to replace the old school on Walnut street, which is now obsolete both as to buildings and location. The building should be ready for occupancy in the fall of 1950.

The Rev. J. Edgar Park, D.D., will speak at the final union service for the season in the local Methodist Church Sunday morning at 11 o'clock.

Francis J. Boudreau and Leslie J. Shea have purchased the duplex frame residence at 39-41 Elm road.

p.m. on "The Bill Sherman Goes Calling at the Newton City Hall Program" Harold F. Young, Newton's Street Commissioner will discuss his duties which involve the care and management of — The Public Ways, Sidewalks and Bridges, Public Parks, Squares, Playgrounds and Burial Grounds and the lighting and watering thereof together with such other duties as are incident to his office.

Mr. and Mrs. Robert V. Spencer, Jr. of Walker street were week end guests of Mr. Spencer's brother-in-law and sister, Mr. and Mrs. Leon Swinsky, at Stillwater, Ossining, N. Y. Their daughters, Jean and Joyce, who have been guests of their cousin, Marcia Swinsky, for two weeks, returned home with them.

Mr. C. Herbert Anderson of 983 Washington street was a recent guest of his brother and family in Waterville, Me.

## Newtonville

Mrs. Dennis Oliver Riggle (Jean Webber) with her baby son, David Brent Riggle, of Berkeley, Calif., flew to Boston last week for a month's visit with her parents, Mr. and Mrs. Eaton Webber of 418 Watertown street. On Sunday young David was the guest of honor at a dinner party at "Fairbanks" the summer home of his great-grandparents, Mr. and Mrs. LeRoy P. Guion of Newton, when Mr. J. Henry Webber, another great-grandfather was among the guests.

Mr. and Mrs. Dana B. Clark have returned from a motor trip in Canada and a visit with friends in Rochester, N. Y. Mrs. Clark is vacationing at Wenham where Mr. Clark joins her for week ends.

Mr. and Mrs. Robert V. Spencer, Jr. of Walker street were week end guests of Mr. Spencer's brother-in-law and sister, Mr. and Mrs. Leon Swinsky, at Stillwater, Ossining, N. Y. Their daughters, Jean and Joyce, who have been guests of their cousin, Marcia Swinsky, for two weeks, returned home with them.

Mr. C. Herbert Anderson of 983 Washington street was a recent guest of his brother and family in Waterville, Me.

**NOW IS THE TIME TO GIVE TIRED GRASS A FRESH START**

Re-vitalize "summer weary" grass with a fall application of Milorganite. Unlike most plants, grass grows vigorously in the fall... provided dwindling soil fertility is restored by generous feeding. Milorganite is the ideal fertilizer to use because it contains all the elements needed by grass.

Supplied in 25, 50, and 100-pound sif-proof bags.

Golf clubs use more Milorganite than any other fertilizer. They know from long experience that it is the ideal fertilizer. Profit by their example. Fertilize with Milorganite this fall for greener, more luxuriant lawns now and NEXT year, too.

## Expect All But Two Floors Of New Wing Of Hospital To Be Ready Early Next Year

According to a statement just released by John M. Powell, President of Newton-Wellesley Hospital, it is expected that the entire new seven-story wing will be completed and that all but the top two floors will be in readiness for use sometime during the early part of 1950.

The completion for use of the top two floors will be held in abeyance for some two or three years when it is expected that government funds in the amount of \$250,000 will be available.

According to present building costs, the total cost is estimated to be \$2,258,000, making the total

cost above the anticipated government fund \$2,008,000.

Of this total, all but \$95,000 has been pledged, and of that remaining amount a large percentage has been tentatively underwritten, final confirmation waiting in some cases for return from vacation, in others because of illness, and in still others for an indication of the financial results for the year.

The funds raised, over \$1,400,000 resulted from the campaign held in 1945-46 and over a half million has resulted from the clean-up campaign which was held in the spring of this year.

## 80th Birthday Is Observed by E. M. Horne Sept. 4

Mr. Edgar M. Horne of 457 Centre Street, Newton celebrated his 80th birthday Sunday, September 4, with a round of parties.

His many friends at the Hunnewell Club gave Mr. Horne a surprise bridge party Tuesday evening, September 6. A lovely birthday cake was carried into the room with Dr. Harold Shedd at the piano playing "Happy Birthday."

Among those present were Mr. Leo Davison, Mr. Thomas Murray, Dr. Harold Shedd, Mr. Harry Dexter, Mr. Shirley Kerns, Mr. Al Rosene, Mr. Hayward Rolfe, Dr. Harold Higgins, Mr. Joe Powers, Mr. Luke Goffe, Dr. E. J. Sawyer, Mr. Len Abbott and others who came in later.

A toast was proposed by Mr. Kerns. Mr. Horne received some lovely gifts and a good time was enjoyed by everyone.

## To Open Reading Room of Christian Science Monday

The new Reading Room of First Church of Christ, Scientist, of Newton, located in Masonic Building on the street floor, 300 Walnut street, Newtonville, will open its doors to the public this coming Monday, September 12, at 9 a.m.

For the past three years the Reading Room has been in the lower foyer of the Christian

## Two Hundred Pay Tribute to Sergeant Thomas B. Concannon

Two hundred friends of Sergeant Thomas B. Concannon attended the surprise testimonial dinner tendered in his honor last Thursday at Mansion Inn, Wayland. State and city officials, Mayor Theodore R. Lockwood, Aldermen James E. Murphy, Edward A. Fahey and Scipione, Asst. Fire Chief William Fanning, ex-Police Chief Nicholas Veducio, Chief Philip Purcell, Capt. Patrick King, Lieut. Charles E. Walker, ex-Alderman John Barwise, Raymond Mooney, clerk of court, Malden, Capt. Edward Cloonan, Waltham, Sgt. John McMullen and George O'Neil, Newton, Atty. Thomas Ryan, Fred Burns, Rev. John Sears, Our Lady's, Newton, Patrick Burke, Joseph Devoy, Leo Gagnon, Joseph Delaney, automatic supt. city of Newton, former asst. district attorney Hugh S. Boyd, Lt. George Saunders, Thos. McEnaney was M. C. Lt. Walker made presentation: a television set with 10 in screen.

Speakers were: Mayor Lockwood: "Tim was an asset to any city's police department." Chief Purcell: "It was a pleasure working with 'Tim' through the years." Former Chief Veducio congratulated Newton on its good fortune "having 'Tim' as a public servant." Asst. Fire Chief Fanning told of football days with "Tim". Atty. Ryan: "Tim" merits the promotion to sergeant." Lt. Walker: "My greatest thrill was pinning the sergeant's badge on 'Tim's' breast."

The testimonial was planned by the "Pitch Club" which originated in Brighton, Concannon's home town, when "Tim" was a pupil at Brighton High and a star on the football team. Meeting on an average of 45 times each 12 months down through the years, the "Old Gang" has remained intact through the years. Known as the Shamrocks after school days, they played football—semi-pro—and many of them successful business and professional men today, they have never lost contact. The old Shamrocks all attended the testimonial. John McGuinness entertained with stories and his famous "I was bit by a mad dog" skit. Frank Geary was the featured pianist. The Antione Trio, "Doc" Purcell, violin, John Ratti, guitar and Frank Mullen, accordion, furnished the music.

Sgt. Concannon was appointed to the police force Jan. 1, 1936. Appointed a sergeant April 1, 1949. Lives with his wife and four children, Linwood avenue, Newtonville.

Capt. Edward Connolly, Metropolitan District Police, also attended, and Rev. Sears conveyed congratulations and good wishes of the pastor and priests of Our Lady's Church.

## Dr. Hans Waine W. Newton Named Arthritic Director

Dr. Hans Waine of Newton, who in recent years has been engaged in research, teaching and practice in the field of rheumatic diseases in Boston and California, has been appointed medical director of the New England Chapter of the Arthritis and Rheumatism Foundation, the organization dedicated to battling diseases that cripple more than seven million Americans. It was announced by Weston Howland, chairman of the New England group with headquarters at 201 Devonshire street, Boston.

The 42-year-old German-born physician and former newspaper editor, who won a doctorate of philosophy from the University of Muenster seven years before receiving his medical degree at Harvard, will direct activities of the Arthritis and Rheumatism Foundation in Massachusetts, Maine, New Hampshire and Vermont.

The Foundation's New England Chapter will undertake a program which will include increased medical and lay knowledge of rheumatic diseases, research, and establishment of increased clinical facilities for the diagnosis and treatment of arthritis and other crippling ailments that cost Americans an estimated \$750,000,000 a year through lost work-time, welfare assistance, medical expenses, and taxes.

"The future for victims of rheumatoid arthritis was never so bright as it is at this moment," said Mr. Howland in making the announcement of Dr. Waine's appointment. "Since last April, when Dr. Philip S. Hench of Mayo Clinic revealed the startling recovery made possible by Compound E (cortisone), a new discovery has crowded upon one another. While doctors say it will be some time before the results of research are fully tested, and

(Continued on Page 2)

## Named Associate Boys' World Sec.

Warren H. Deane of Dorchester has been appointed Associate Boys' World Secretary at the Newton Young Men's Christian Association it was announced today by President Frederick S. Sayford Bacon. Mr. Deane assumed his new duties on September 1 and replaces John Dixon Copp who is now with the Boston University School of Theology.

Mr. Deane holds a Bachelor of Science degree from Boston University in the class of 1949 where he majored in Physical Education. He is also a member of Phi Epsilon Kappa Fraternity, the American Camping Association, and the Health, Physical Education and Recreation Association.

The new secretary comes to the Newton Y.M.C.A. staff with a wealth of group work experience. He is a member of Trinity Church in Boston, the Sunday School faculty, Order of Sir Galahad, and St. Christopher's Guild. He has been related to Camp Denham on Cape Cod and the Boston Y.M.C.A.'s Camp Dorchester.

## Janse Critical of Financial Program Being Carried Out Here

The vacation-land return of hundreds of Newton families this week, including many of his "49ers", gave John A. Janse, candidate for mayor, opportunity to meet many new "pioneers" at his weekly meeting of his supporters.

Jocularly, Mr. Janse compared the "lush, flush El Dorado" vacation days with the free spending present city administration with emphasis upon the city debt in spite of one of the greatest building boom and property valuation in the city's history.

In the more serious vein Mr. Janse emphasized the unbroken spiral of the original 49ers in their drive toward the West. Said he: "I was only those who arrived in the Yukon and the Klondike that enjoyed the results of their labors in search of gold. But think of the thousands of famous 49ers who settled in the far west and through cooperative spirit and action eventually conquered the negative factors thrown against them by the western wilderness which has resulted in the great western progress of many states and municipalities in that region."

"The present city administration is idly dreaming of the old adage 'That's gold in them thar hills' forgetting that in between the 'lush and flush' days of the past 18 months there is an in-between Newton home-owner, taxpayer and rent payer who has built his home or settled in New-

ton to enjoy the comforts of a well administered municipality. Mr. Mayor, there is only so much 'gold' the citizens of Newton can give you to spend. In Newton my '49ers' cannot 'dig it' nor 'pan it' in Newton whether it be on West Newton hill, Chestnut hill or the banks of the Charles River, much less from other streams and brooks in all the Newtons. Whether they are successful business men, in or out of town; workers in our industrial plants and stores or commuters daily to employment in surrounding cities and towns they earn their 'gold'—salary or weekly wage, I mean, producing the real or personal property goods that all of us need. If their tax bills represent the 'lush and flush' administration you have given them they will fully understand what I call an 'off-limits' stopgap that I propose to adopt as mayor even in your own office. 'Tis said in every successful business organization, the efficiency and personality of the 'tops' is reflected down through the administration even to the lowliest worker. I have enjoyed that experience in my two-score years of business success."

"I think I know and appreciate that you modern '49ers' have 'pulled yourselves up by the bootstraps' and desire to give recognition and reward to a similar person. I am proud to be the leader of the 'Janse 49ers'."

## States Storm Drains Are Adequate In City

### Chief Purcell Urges Motorists Be Careful

Chief Philip Purcell of the Newton Police Department has announced that beginning Monday, September 12th, Newton schools will be open for the fall term. It is estimated that 14,000 children will be on the streets going to and from school.

The Chief urges all motorists to **PLAY SAFE—REDUCE SPEED—PROTECT THESE CHILDREN.**

Remember! The child you save may be your own.

### Local Art Talent Exhibits at the Newtonville Library

Local art talent is in evidence at the Newtonville Library, headed by Mrs. Ranny Weeks, wife of the popular orchestra leader. The library is currently showing artistic metal craft by Mrs. Weeks, and a joint exhibit of oil paintings by Mrs. Henry Van Vloten and Whitney Cushing.

Mrs. Weeks is interested in etching with acid on copper, aluminum, and pewter. Her plates and trays with floral and letter designs and family crests make a very attractive display.

Mrs. Henry Van Vloten, shows a great talent in her oil portraits and still life. She studied at the Davidson School of Practical Arts and the Museum of Fine Arts.

Mr. Whitney Cushing has on display landscapes and marines. Mr. Cushing studied at the Ringling Art School in Florida, and prefers the painting of the sea.

The exhibit will continue through September.

### Teacher Is Active In Organized Reserve

First Lieutenant John P. Sherman of 27 Brooks Avenue, Newtonville is using part of his vacation from teaching American History at the Newton High School to work with the Organized Reserve Program at the Boston Army Base.

Lieutenant Sherman holds a degree in education from North Adams Teachers College and an M.A. in History from Columbia University. His training and practical teaching experience explain why the Armored Cavalry Section of the Massachusetts Reserve has asked Lieutenant Sherman to prepare a series of training aids to be used during the unit training period at the Army Base this fall and winter.

During World War II Lieutenant Sherman served in The Pacific.

### Methodist Church to Start Fall Program

There will be resumption of services and the inauguration of the fall program, following the union summer services in the Methodist Church, Newton Centre, Sunday morning, September 11, with the pastor, the Rev. H. Daniel Hawver, D.D., in charge and preaching the sermon.

This will be the beginning of the united session of the church school and worship service with classes at 10, followed by a combined worship service at 11 o'clock at which all young people, teachers and officers, and parents will be in attendance. The Rev. Dr. Samuel Hedrick, professor in Boston University School of Theology and superintendent of the adult division of

### Camp Beckett Meet. Camp Beckett Meet.

Richard B. Simmons, Physical Director, and Oliver Smith, Men's Division Secretary, will represent the Newton Y.M.C.A. at the fall retreat of the Association of Secretaries of the Y.M.C.A.'s of Massachusetts and Rhode Island at Camp Beckett in the Berkshires Monday and Tuesday, September 12 and 13.

The Reverend Albert Buckner Coe, D.D., Minister and President of the Massachusetts Congregational Conference and Missionary Society; R. L. Dickinson, General Secretary of the New York City Y.M.C.A.; and Frank Dunn, Executive Secretary of the Springfield Council of Churches, will be the principal speakers.

Because there appears to be a considerable variance of opinion as to the adequacy of the storm drains here as a result of conditions which occurred during the storm of August 31, Willard S. Pratt, director of Public Works this week released a comprehensive explanation of what caused the system to overflow in several sections of the city. Mr. Pratt stated:

"Since there is considerable misinformation regarding the handling of the cloudburst that occurred during the night of August 31, between midnight and seven o'clock, I feel it my responsibility to give a few facts concerning this.

"In the first place, storm drains are designed to carry above-average rain falls, but not to carry abnormal storms. If systems were designed to carry maximum conditions that might occur, the systems would be so large that it would be impossible to locate other pipes within the confines of the streets, and the cost would be so great that it would be prohibitive. The basic factor on which the flow and size of pipes is computed is upon two inches of rain falling in a period of one hour. This condition, over a long period of time, is very seldom exceeded. However, there are many times when a flash storm occurs in which the rate of fall is considerably in excess of this amount, but because of the short duration does not cause any great amount of trouble. However, in the storm the other night, between the hours of four and five o'clock, rain fell at the rate of one inch in twelve minutes, or an hourly rate of five inches. This is al-

most 3 times what the drainage systems are designed for. "There are some cases in the City where the pressure of the water in the drains caused the pipes to blow apart, and in other instances to push the pipe around and the joints broke, so that the streets were undermined and serious cave-ins were experienced."

—DRAINS—  
(Continued on Page 2)

## Red Feather Kick-Off Dinner To Be Held Oct. 20

The 1950 Red Feather Campaign in Newton, sponsored jointly by the Newton Community Chest and the United Community Services of Metropolitan Boston (formerly Greater Boston Community Fund) will open with the Kick-Off Dinner in Newton High School Thursday, October 20.

The present plan is to have a shorter Campaign and Chairman Harold T. Pillsbury states that every effort will be made to complete the solicitation this year in one week-end.

More than 2,000 workers will be associated with Mr. Pillsbury in the raising of funds for the 1950 needs of 13 Newton agencies and more than 300 other Red Feather Services in Greater Boston. The period between now and October 4, when the plans call for the completion of the full organization, will be one of mobilization. Already more than 500 have enlisted and leaders are at work signing up sufficient personnel to do an adequate solicitation job in each of Newton's 13 villages.

Heading the various divisions in the 1950 Campaign in Newton under Mr. Pillsbury are: Winslow

H. Adams of Auburndale, Chairman of Advance Gifts Division, Edwin D. Smith of Newton Highlands, Chairman of Residential Division, Murray Sholkin of Waban, Manufacturing Division, Mrs. John M. Powell of Waban, Mercantile Women's Division, Vincent Wentworth of Newton, Mercantile Men's Division, C. Evan Johnson, Recreation Commissioner in Newton City Hall, Municipal Division, and Wesley S. Merritt, Newton High School, Schools Division.

A schedule of meetings has been planned for Division groups throughout the months of September and October, starting with a meeting for Advance Gifts Village Chairman at the home of Winslow H. Adams on Monday evening, September 12, followed by a meeting of Residential Village Chairmen, Assistant Chairmen, and Majors at the Nurses' Home, Newton-Wellesley Hospital on Thursday evening, September 15. Both meetings will be held at 7:45 p.m. At these meetings Chairman Pillsbury will discuss the needs of the Campaign and F. Brittain Kennedy, President of the Chest and other Chest leaders will speak.

malan art award, and she has been attending lectures by the heads of the archeological and anthropological departments of the University of San Carlos, Lilly de Jonge Osborne, author of "Four Keysto Guatemala," has been among the teachers of this group of artists who are from 15 states, ranging from California to Texas and Connecticut.

Miss Miles is assisting in the celebration of the 20th anniversary of the International School of Art, founded in 1929 by Elma Pratt to better international relationship to modern life.

Pratt had travel schools for artists in European countries until the war, after which the schools were organized for Mexico and Guatemala. She has brought back to the United States each season outstanding native artists whom she presents in her educational work in schools and colleges throughout the country. A number of the art educators from Europe are still in this country. This season, as she had done for the past two years, Miss Pratt is presenting two Tonaia Indian artists who paint while she and her associate, the Marqueta Elizabeth Curtis de Cervantes, lecture on the historical significance of their arts and crafts.

Miss Miles has been interested in this exchange of art problems and in bringing to Newton some of the unique methods employed in Guatemala. She has also assisted in practice teaching in Guatemalan schools, especially in the Maya Highlands.

## Arts &amp; Crafts Service of Re Cross Being Extended

The Arts and Skills Service of the Newton Red Cross Chapter is in the process of extending its activities within the community. During the past season members of this department began taking simple craft work to homebound people, thus enriching their restricted lives. This program is in addition to that carried on by the Community Gray Ladies, who also visit the homebound for a friendly chat or a session of reading, games or music. Proceeding only with the approval of doctors and at the request of agencies and nursing homes, the workers are given special orientation to fit them for this particular assignment.

## 'Know Your Newton' Pamphlet Issued

"Know Your Newton," a pamphlet prepared by the 1948-49 Local Affairs Committee of the League of Women Voters of Newton to give residents a basic understanding of the operation of their city government will be released to all members of the Newton League next week.

The new publication, which describes the organizational structure of the Newton municipal government and the functions and duties of officers and department heads, will be used as a text in the Social Studies Department of the Newton Public Schools this term. Copies have been prepared for distribution among members of several local civic organizations and are available to the public.

Mrs. Lloyd B. Fogg was chairman of the committee which prepared the pamphlet. Included in the publication is a graphic chart of municipal authority and departments prepared for the League by the Newton Taxpayers Association. The chart explains at a glance how officers are chosen and how paid.

The "Know Your Newton" pamphlet may be obtained at 10c per copy at the office of the League of Women Voters, 72 Columbus St., Newton Highlands 61 or by calling the League secretary, Mrs. Albert Beisel Jr. at L. 7-2045.

## Dr. Wayne-

(Continued from page 1)

even longer before the new drugs are available in sufficient quantity, conquest of the disease that wracks hundreds of thousands of New England people now lies before us.

Dr. Wayne, who makes his home at 238 Chestnut street, West Newton, with his wife and children, came to the United States in 1931 as an exchange student at Columbia University. The following year he returned to Germany to become foreign editor of the Berliner Kreuzzeitung. When Adolf Hitler became chancellor, Dr. Wayne abandoned journalism and Germany and came to the U. S. to study medicine at Columbia and at Harvard, where in 1937 he received his M.D. degree.

Dr. Wayne pursued postgraduate studies in surgery and medicine at the University of California, and came back to Boston in 1939 as a research and teaching fellow at Harvard Medical School. For two years he was an associate of Dr. Walter Bauer, leading authority in rheumatic diseases at the Lovett Fund Arthritis Clinic at Massachusetts General Hospital.

For seven years prior to his appointment as medical director of the Arthritis and Rheumatism Foundation in New England, Dr. Wayne was on the faculty of the University of California Hospital and was also engaged in private practice in rheumatic diseases in San Francisco.

To Mr. and Mrs. Patrick LaRosa, 283 River St., Waltham, a daughter, September 5.

## Drains-

(Continued from page 1)

"The first call that came to the Street Department was at one-thirty in the morning from the police, and concerned a large limb that had blown off a tree and they wished it to be pulled out of the street and disposed of. Soon after that call started to come in from citizens as well as the Police Department, regarding serious drainage problems. The Street Department immediately alerted men in every division and by shortly after two o'clock these men were assigned to various localities. The Police Department was requested to give us the locations that were in the most dire need. The first location visited was at Lowell avenue near Highland street where cars were stalled and the street blocked so that the Fire Department or any other emergency vehicle would be unable to pass through. This was cleared, and then as fast as possible other locations were visited. By eight-thirty in the morning practically all of the locations had been visited and the water had receded to normal conditions.

"Not only was the rainfall excessive but there were other factors which aggravated the situation and made it much more severe than if circumstances preceding the event had been normal. Due to the extended drought, practically all grass surfaces were hard packed and thoroughly dried, with most of the grass dead, so that the run-off was terrifically rapid and the loam, which was completely dry, and dusty, washed into the streets. Wherever there was no grass, the top soil was so dry that the rush of water eroded it away with the run-off. Also, the latter part of last week we had a slight wind storm which blew a considerable amount of small branches and leaves which were dry as a result of the recent drought. Even though the street sweepers and cleaning departments had been operating at a maximum efficiency, it was impossible to clear up this condition before this storm arrived. These leaves, twigs and earth washings immediately rushed into the basins and in some cases filled them so that it was impossible for the water to get in. If this had occurred during the daytime, many of the citizens would have assisted us in clearing the basins, however, as it happened in the middle of the night it was a burden on the Street Department men to keep these basins clear. Since there are over 6,000 basins throughout the City it was an impossible task to visit each location.

"Locations where difficulties occurred are being studied and recommendations will be submitted to the Board of Aldermen at the next meeting. However, whenever a storm occurs of this proportion, extending over as long a period of time, difficulties will still be experienced.

"Regarding the question of flooded cellars, the City has equipment and men, to pump made every attempt, with their these out as rapidly as possible in order that the public health may be protected."

## Do You Know Massachusetts?

DO YOU KNOW THAT . . . Cost of living index by the Division of Necessaries of Life for August showed a drop of 6.1 per cent in food, 3.1 per cent in clothing and 3.0 per cent in fuel, making a net decline of 2.2 per cent in the entire budget compared with August last year. . . . Rents averaged only 2 per cent above last year, but sundry expenses, including transportation, were up 4.9 per cent. . . . There were wide differences in severity of the summer's drought in various parts of Massachusetts. Rainfall deficiency between June 1 and August 31 ranged from only 2.7 inches below normal in the western section to as much as 8.4 inches in the Cape and

southeastern section. . . . Approximately twice as much electric current is being consumed in Massachusetts today as in the prosperous years 1925 to 1927. . . . In the early settlement of the Massachusetts Bay Colony, bullets frequently were used as currency, one bullet equal to one farthing. . . . U. S. Department of Agriculture puts the Massachusetts cranberry crop in 1949 at 510,000 barrels, 16 per cent less than the bumper crop last year but 17 per cent more than the 10-year average, 1938-1947. . . . Massachusetts Department of Public Welfare report shows payments in July of \$5,723,366 for old-age assistance, \$1,325,390 aid to dependent children and \$997,457 general relief, a total that was 21 per cent more than a year ago. . . . The Town of Plymouth has re-established its planning board under the law of municipal planning and providing for an improved method has appointed a committee to prepare a zoning bylaw for the protection of the town.

# A Shopping I Would Go!

By DOROTHY LANE

The hustle and bustle of routine family life is with us once again. However we can still take life easy despite the passing of vacations and the more leisurely way of living we enjoyed during the summer months. Why trot off for your shopping needs when you can fill all the demands of the family, your home and, of course, your own in a pleasant manner. How can shopping be a pleasure, you say? Very Simple! Here's How! SHOP IN NEWTON.

## Maple Leaf Dining Room

282 Centre Street  
Newton Corner  
LAsell 7-9603

Have you seen the Maple Leaf Dining Room's "New Look". During their vacation they have been completely redecorated in a delightful rose figured wallpaper.

If you like a cosy atmosphere topped off with "yummy" home cooked food this is just the place to go. And the prices are so very reasonable. Complete dinners from \$1.25 to \$1.85 include Roast, Chicken, Steak and Chops and their desserts so like "mother used to make". Hungry? So am I! Let's make it a date. Think you'll go Sunday? Fine, they also feature a buffet supper on Sunday and for only \$1.25 See you there.

For dining in the grand manner, it's the Maple Leaf Dining Room.

SHOP IN NEWTON

## Whatnot Shop

1284 Washington Street

## Warner's 5 & 10 to \$5.00 Store

396 Centre Street  
Newton Corner  
LAsell 7-9148

CALLING ALL LADIES of the NYLON CLUB. Yes, we are still going strong. Come in for your hosiery supply and get your card punched. Remember when you have purchased your 12th pair, you get one FREE. It's really worthwhile, isn't it, especially where you get such sheer beauty for the price.

Who wants to darn children's socks if they don't have to? Warner's has the solution. Nylon toe and heel socks at a special back-to-school price of 3 pairs for \$1.00. Bargain days are here again. While at Warner's, pick up the rest of your back-to-school needs at easy prices.

SHOP IN NEWTON

## The Regent Shops

322 Walnut Street  
Newtonville Square  
LAsell 7-1741

Skirt Perfection Preferred, exactly tailored, brightly detailed, wonderfully textured and considerably priced. All can be had at The Regent Shops. The Campus Chick will delight in the authentic Clan Plaid Skirts of English imported wool at only \$12.95.

The Regent's Skirts are all-wool fabrics and are fashioned to suit every taste. Some are slim, occasionally knife pleated and many are all-around pleated. Punchy, carry-all pockets, deep concealed pockets or pockets for trim are all emphasized for fashion's newest look. In sizes 24 to 30 and priced from \$6.95 to \$12.95.

If you are hard to fit, they also have a make-to-your-measure service at a slight additional cost.

Top off your skirt with a "something different", namely the new wool jersey blouse, smart, soft and so right. Colors are gay and brilliant with dramatic necklines. They also come in the two-tone shades and with velvet trim, suitable for casual or dress-up wear.

You'll find it an exciting hunt — a "which one shall I get" dilemma, when you shop at The Regent Shops for these dramatic colorful creations.

## Recent Weddings

### Duffey-Gannon

In St. Columbkille's Church, Brighton, Monday morning, September 5, Miss Dorothy Adrienne Gannon, daughter of Mr. James P. J. Gannon of Brighton became the bride of Mr. James Austin Duffey, son of Mr. and Mrs. Charles E. Duffey of Waban. Rev. Charles R. Flanagan of St. Sebastian's Country Day School performed the rite. Reception followed in the Crystal Room of the Hotel Puritan, Boston.

Given in marriage by her father the bride wore a hoop-skirted gown of blue pink satin with a finger-tip veil of illusion and carried a cascade bouquet of pink and white gladioli. She was attended by her sister, Miss Barbara A. Gannon, as maid of honor who wore a powder blue gown and carried a cascade of pink gladioli. The bridesmaids, Miss Edith Angelosanto, Miss Katherine H. Comerford, Miss Frances I. Culatti, Miss Audrey Denver, Miss Jeannette Hull and Miss Mary T. Mazzola, were gowned in sky blue faille and carried muffs with pink gladioli. Similarly gowned was the junior bridesmaid, Miss Susan Wragg, niece of the bridegroom, of Needham.

Mr. Charles E. Duffey, Jr., of Waban was best man for his brother. The ushers were Mr. Paul Duffey of Waban, brother of the bridegroom, Mr. Joseph M. Dalton, Jr., Mr. Frederick L. Hickman, Mr. Edward J. MacPhee, Mr. Francis J. Murphy and Mr. Daniel E. Hoar.

The bride was graduated from the Brighton High School. Mr. Duffey is a graduate of the Newton Trade School.

On their return from a wedding trip to Lake George and Niagara Falls, Mr. and Mrs. Duffey will reside in Waban.

### Irion-Bassett

In the Union Church, Waban, Saturday, September 3, Miss Alyse Bassett, daughter of Mr. and Mrs. Donald B. Bassett of Waban, became the bride of Mr. Robert D. Irion of Syracuse, New York, son of Mr. and Mrs. Herbert D. Irion, formerly of Westfield, New Jersey.

Rev. Joseph C. MacDonald performed the double ring ceremony at 2:30 and a reception followed at the home of the bride's parents. Given in marriage by her parents, the bride wore a gown of ivory satin with a bodice of Brussels lace and matching panels of lace on the skirt. Her chapel length veil of illusion was caught to a pearl bandeau and she carried a white prayerbook with white orchids. She was attended by Mrs. Donald Reed as maid of honor. The bridesmaids were Miss Ann Woodward, Miss Linda Nixon, Miss Nancy Hills and Mrs. Harry Steinmeyer. All the attendants wore gowns of flamingo chiffon and carried lavender gladioli.

Mr. Herbert J. Irion was best man and the ushers were Mr. Robert A. Lowe, Mr. Donald G. Engesser, Mr. Edward L. Jenner and Mr. Howard W. Hinckley. Mr. Earl Weidner played the wedding music.

Following a wedding trip to Washington, Williamsburg and Virginia Beach, Mr. and Mrs. Irion will live in Syracuse where Mr. Irion is completing his studies at Syracuse University. Mrs. Irion is a graduate of the same university.

### Bannan-Lanagan

Ferns, gladioli and baby's breath decorated the altar of Corpus Christi Church, Auburndale, Wednesday morning, September 7, for the wedding of Miss Marie Ann Lanagan, daughter of Dr. and Mrs. Arthur G. Lanagan of 38 King street, Auburndale, and Mr. William Joseph Bannan, Jr., son of Mr. and Mrs. William J. Bannan of 36 Lyman street, Waltham. The double ring

ceremony was performed at 10 o'clock by Auxiliary Bishop John J. Wright.

Given in marriage by her father, the bride wore a gown of cream satin and Chantilly lace with fitted bodice and court train. Her veil of French illusion was caught to a crown of Chantilly lace with orange blossoms. She carried a bouquet of eucharis lilies and fleur d'amour with a white orchid center.

Attending the bride as maid of honor was her cousin, Miss Ann Cahill of West Newton who wore a gown of orchid brocade with trimmings of purple velvet. Wearing similar gowns in off-the-shoulder effect were the bridesmaids, Miss Rachel Linehan of Barrington, Rhode Island, and Miss Ann Terrio of Waltham, both cousins of the bride, and Mrs. Joseph R. Missal of Fort Benning, Georgia, sister of the bridegroom. They carried bouquets of shaded asters which matched their headresses.

Major Joseph R. Missal of Fort Benning, Georgia, was best man. The ushers were William M. Cahill of West Newton, Richard W. Sheehy, Jr., of Winchester, Joseph Duffy of Waltham and Charles H. Dillon of Batavia, New York.

A reception at the Wellesley Country Club followed the ceremony. Music was by an orchestra and the floral decorations were of ferns and cut flowers. Assisting the bride in receiving were the parents of the bride and bridegroom. Mrs. Lanagan wore a gown of grey lace and crepe. Mrs. Bannan also wore grey lace.

The bride was graduated from the Newton High School and Regis College, class of 1948. Mr. Bannan was graduated from Cranwell Preparatory School and Boston University Law School.

On their return from a Saguenay River cruise with a stopover at Manoir Richelieu, Mr. and Mrs. Bannan will be at home after October 1 at 195 Villa street, Waltham.

### Cunningham-O'Connell

Easter lilies banked the altar of Our Lady of the Assumption Church, Osterville for the wedding Saturday morning, September 3, of Miss Eileen Josephine O'Connell, daughter of Mr. and Mrs. Joseph E. O'Connell of Newton and West Hyannisport and Mr. Robert John Cunningham of Los Angeles, California. The 11 o'clock ceremony was performed by the Rt. Rev. Jeremiah F. Minihan assisted by Rev. Edward J. Murray. A reception followed at "Green Dunes," summer home of the brides parents.

The bride, a grandniece of the late William Cardinal O'Connell, was given in marriage by her father. Her wedding gown of ivory satin was fashioned with scalloped neckline, fitted bodice and a full skirt with long train. Her rosepoint lace veil was held by a cap of satin and matching lace and she carried a cascade of white orchids and stephanotis.

Mrs. William J. Keville Jr., and Miss Cappy O'Connell of Newton sisters of the bride, were the honor attendants. With their portrait gowns of beige taffeta they wore matching headresses trimmed with tangerine velvet and carried cascades of orange Princess Gladioli. The bridesmaids, Miss Kathryn Barry of Hasting-on-the-Hudson, New York, Mrs. Thomas O'Neil of Boston and Mrs. Richard O'Brien of Watertown, wore similar gowns of tan colored taffeta and they also carried cascades of orange Princess gladioli.

Mr. John C. Morrison served as best man. The ushers were Mr. Desmond T. Barry of Hasting-on-the-Hudson; Mr. Joseph E. O'Connell, Jr., and Mr. William J. Keville, Jr., of Newton; Mr. Frank Wyman of Dover; Lt. James H. Reeder, USMC of Corpus Christi, Texas; Mr. Leo H. Leary Jr., of Norwich, Conn.; Mr. Rufus Walker of Newton and Mr. John P. Ware of Chestnut Hill.

The bride was graduated from the Sacred Heart Country Day School and Merrymount, Tarrytown-on-the-Hudson, New York. Mr. Cunningham attended Ecole Internationale at Geneva, Switzerland and was graduated from Portsmouth Priory and Harvard College. His clubs include Hasty Pudding-Institute of 1770, Iroquois, Longwood Cricket Club and the Harvard Club of Boston.

On their return from a wedding trip to California Mr. and Mrs. Cunningham will reside in Boston.

### Baxter-Birdsall

A pretty wedding took place in the garden of the Pasadena Community Church of St. Petersburg, Florida, on Saturday afternoon, September 3rd, 1949, when Corlene A. Birdsall became the bride of John C. Baxter of that city.

The bride wore a ballerina-length white organdy gown with eyelet embroidery inserts, a large white picture hat and carried a Colonial bouquet of white, pink and blue flowers. She was attended by her mother.

The groom's father served as best man.

Richard Birdsall, brother of

## Recent Engagements

Mr. and Mrs. Melville Irwin of Boston have announced the engagement of their daughter, Miss Mary Elsie Baron Irwin, to Mr. Alan Frank Arthur Johnson, son of Mr. and Mrs. Frank E. H. Johnson of Newtonville.

Miss Irwin attended Laurel School in Cleveland, a graduate of the Walnut Hill school and the Garland school, she has been attending Boston University. Mr. Johnson attended Kimball Union Academy. He served with the Army in North Africa and Italy.

Mr. and Mrs. Arthur A. Bloom of Newton Centre announce the engagement of their daughter, Miss Helene Fae, to Mr. Edward Levenson, son of Mr. and Mrs. Leo Levenson of Brookline. Miss Bloom is a student at the Vesper George School of Art, Mr. Levenson, a graduate of Northeastern University, served with the Army Medical Corps in Germany.

## Newton Archers Host At Tournament

Archers came from New Jersey, Springfield, Worcester, Attleboro, Lowell and Waltham to shoot with the Newton Archers Labor Day at the annual Open Championship Tournament.

The weather was perfect, except for the west wind that blew in strongly during the morning. Malcolm Pearce of Waltham was field captain.

The open championships were taken by Lillian Waterman of Springfield, 143-1029, and James Waterman also of Springfield, 209-1317.

The Newton championships were taken by Victor Lemay, 203-1103; Thelma Phillips, 140-884, and Douglas Harrison, 167-873. The Columbia Round Plates were won by Lillian Waterman and Thelma Phillips.

The Visitors Handicap Cup went to James Oliver of Worcester, 88-596-329-925.

The Mariner Junior Handicap Cup to Jane Brown, 65 307-535-842. During the afternoon three perfect ends at 40 yards were shot by Lillian and James Waterman. Edward Gay shot his first perfect end during a tournament. He will get much coveted six gold pins given by the National Archery Association.

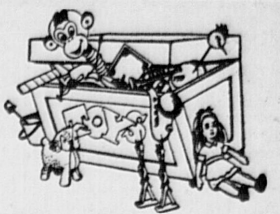

the bride, was the usher.

The bride is the daughter of Mr. and Mrs. J. E. Birdsall of 111 Court street, Newtonville, Mass., and grand-daughter of Mrs. W. E. Birdsall of 118 Newtonville avenue, Newton, Mass.

The groom is the son of Mr. and Mrs. Charles E. Baxter of Greenville, Mississippi, formerly of Newtonville, Mass.

After a short trip about Florida, the young couple will reside in St. Petersburg.

## Fall IS THE PROPER TIME TO PLANT GRASS SEEDS

Evening dews and cooler nights encourage rapid growth of Fall planted grass seeds.

Most weed seeds will remain dormant until Spring. If your lawn grass is thin then scratch the soil to remove dead grass and expose soil. Plant new seeds in soil — not in dead mat of stems.

If your lawn is burned out then we suggest you ask for our special bulletin treating on drought renovations. Just phone or drop us a card. It is free for the asking.

Most lawn failures are due to cheap seed mixtures or lack of fertilizer, or both. Seed must be perennial variety otherwise each season the grass thins out, making space for weeds and crabgrass. A well laid lawn of perennial seeds gets heavier and stronger each year thus forcing weeds out.

Our 25 years experience blending seeds for Golf Courses assures us of the "know how." We use the same quality seeds for lawns as for golf courses. Better seeds cost more but make better lawns.

## Health For All

### Sleep and Rest

Like many other healthful habits, getting enough sleep and rest is one that's important to our good looks. Fashion models and movie actresses, whose livelihoods depend on looking and feeling well, are very much aware of the importance of rest and sleep and make certain that they get their full quota.

Yet too many of us try to get away with "a little sleep and rest as possible. It's true that some people need less rest and sleep than others. But those who defy nature by ignoring the body's demands for relaxation when it becomes fatigued are looking for trouble.

Insufficient rest and sleep take their immediate toll by cutting down a person's speed, accuracy and alertness at work or study. In general it interferes with full enjoyment of the day's activities because the sufferer is "dragged out" and weary.

From a long-range point of view, insufficient sleep and rest

can have injurious effects of a permanent nature on the health. While adults need enough rest and sleep to repair parts of the body worn by work and play, children need extra amounts because their bodies must build as well as repair by way of plenty of sleep and rest.

For people of all ages, sufficient sleep and rest are necessary to maintain the body's resistance to illness and disease. When energy is drained by "atigue," and not replaced as soon as possible by adequate rest, the body becomes vulnerable to sickness that it would ordinarily resist.

There are some people who have difficulty in sleeping and, in desperation, resort to sleeping drugs. All sleeping drugs in large quantities are poisons, and they should never be taken unless under the advice and prescription of the doctor.

Those who suffer from sleeplessness for unexplained reasons should see their doctors. Prolonged inability to sleep can be the sign of a serious illness, and the doctor might detect unsuspected disease or infection.

Many cases of insomnia, however, are due to easily corrected things like worry, overwork, lack

of physical exercises and fresh air, or eating too heavily immediately before bedtime.

Doctors believe that good sleeping habits, if established early in life, have a tendency to persist in adulthood. Habits favorable to restful sleep include regularity of hours, proper ventilation in the sleeping room and the avoidance of heavy eating and undue excitement in the hours immediately preceding bedtime.

This column is sponsored, in the interest of better health, by the Norfolk County Health Association.

## Baking Soda Bath

A musty smell in the refrigerator can happen in any home in the summer. It's easy to restore a fresh, sweet-smelling condition with baking soda. Wash refrigerator walls and fittings with a solution of 3 tablespoons of soda to a quart of hot water. Baking soda does the job because it emulsifies the greasy film that clings to the walls and traps the food odors.

## Hoe Handle Markings

For a handy measuring guide when planting a garden, paint the hoe handle with 1, 1½ and 3 feet markings.

An electronic paper counter will count stacked sheets as fast as a thousand per second.

### Auburndale

Lt. John Ingalls, 78 Central street, served as a welcoming officer during Gov. Paul A. Devereux's recent visit to Otis Field, Falmouth, while the 7th Fighter Wing, Massachusetts Air National Guard was on its two-week training tour. A former P-51 pilot during World War II, Lt. Ingalls' flying duties are shared with the task of being A-2 intelligence officer.

Dr. and Mrs. Clark T. Gray have purchased the stone cottage at 231 Islington road from J. Arthur Wilson.

Mr. and Mrs. Robert C. Casselman, 42 Holman road, are parents of a son, Frederick Voss Casselman, born Aug. 25 at Richardson House. Grandparents are Mrs. Carl August Voss of Pittsburgh, Pa., and Mr. and Mrs. Elbridge J. Casselman of Jackson Heights, L. I., N. Y.

**First Church of Christ, Scientist**  
391 Walnut St., Newtonville  
Sunday morning service 10:45  
Sunday School same hour  
Wednesday evening testimony meeting at 8

"Substance" is the lesson-sermon subject for Sunday, September 11.

Golden Text: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit" (I Corinthians 2:9, 10).

Sermon: Passages from the Bible (King James version) include:

"Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?" ... Therefore take no thought, saying, What shall we eat? or What shall we drink? or, Wherewithal shall we be clothed? ... But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matthew 6:26, 31, 33). Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"In divine Science, man is sustained by God, the divine Principle of being. The earth, at God's command, brings forth food for man's use. Knowing this, Jesus once said, 'Take no thought for your life, what ye shall eat, or what ye shall drink;—presuming on the prerogative of his creator, but recognizing God, the Father and Mother of all as able to feed and clothe man as He doth the lilies' (p. 530).

**Central Congregational Church**  
of Newton, Newtonville

Sunday, September 11  
11 a.m., regular service of worship will be resumed in Central Church, with sermon by the Rev. Randolph S. Merrill.

Helen E. Borgmeyer, organist; Franklin G. Field, baritone soloist; and James H. Remley, director of music.

In a new carpeting the pile is secured to the backing by cement.

## Janse Impressed by Response of Citizens

Using skepticism as his theme, John A. Janse, candidate for mayor of Newton, emphatically proved to his city-wide "49ers" organization that he is not a skeptic currying political support from, as he said, "middle-of-the-stream politicians," "fair weather friends," or "two-timers" who, as he expressed it are "waiting to see how the wind blows."

Mr. Janse won the hearty commendation of his supporters when he elaborated on a slogan, "Get on the line in '49 with John A. Janse for Mayor."

W. Edward Wilson, campaign manager for Janse, aroused further interest when he read a letter to be mailed to his hundreds of personal friends giving ready answer to the question, "Why are you supporting John A. Janse for mayor?" Said Mr. Wilson, "That summary letter will be sufficient to inform and satisfy thousands of Newton citizens that John A. Janse should be elected, Tuesday, Nov. 8."

With his summer schedule devoted to the hard work of personal contact with Newton citizens in all parts of the city, Janse emphasized the importance of this "stay-at-home" vote. He voiced encouragement from the reactions in his house-to-house visits and the deep rooted knowledge housewives, store owners, even youngsters out of high school have of municipal affairs and the immediate needs of the city without "master planning."

In his remarks, Mr. Janse said, "Once upon a time skepticism ran rampant in Newton when no one dared run for mayor. You '49ers' have given me sufficient proof that those days are gone forever in Newton. The political picture, yes, even the atmosphere has definitely changed in Newton. Those unafraid to stand up, speak out or take sides in municipal affairs have no place in our '49ers' organization. The original '49ers' stood up and were counted, having the courage of their convictions that success lies ahead of them. They proved their worth to this country. You '49ers' in Newton have that opportunity between now and Nov. 8 to demonstrate the same fortitude and courage."

"As in all political campaigns you will find the 'middle-of-the-stream,' 'fair weather friends' and 'two timers' who either through lack of courage and confidence in their own judgment and decision are wary of taking sides. That is their privilege but my contacts in recent weeks with the 'free thinking' citizens of Newton convinces me that those classifications are in the minority here. As you will hear, 'I want to see what way the wind is blowing.' Well, if we had a hurricane in Newton would these same 'doubting Thomases' have sense enough to take precautions against it and protect their homes and families. They would know then 'which way the wind was blowing.' For their information I am advising them that even in the record-breaking heat of this summer the 'trade winds' are blowing in my favor."

"I am definitely impressed with the responses by Newton citizens to my request for information regarding the operation of the various municipal departments, particularly street conditions. Their criticisms will be a definite advantage to me in the next few weeks when the campaign becomes more active."

"Mindful of the announcement by the board of registrars of a schedule for registering new voters I particularly want you '49ers' to be on the alert to get the new 21 year olds as well as the newly arrived citizens in our midst on the voting list. Remember the day after election is no time to count ballots, have regrets that you didn't vote and have alibis for not voting, all of them an indication of a lack of interest in Newton's municipal affairs. Watch for this announcement from the board of registrars and make certain that your families and friends sign on the dotted line for my success in '49."

Ksith F. Killam of 39 Whittemore road was elected to membership in the Boston Life Underwriters Association at a meeting of the board of directors Sept. 6. Austin Holmes, Sr., custodian at the Newton Post Office, with his wife, daughter and mother-in-law recently flew to Sweden. It is his first visit to his home in 39 years and the first for his mother-in-law in 50 years.

William E. McGrath radarman 3rd class, U.S.N., husband of Mrs. Barbara J. McGrath of 52 Boyd street, is serving aboard the destroyer, U.S.S. Brownson, currently on an extended cruise in the Mediterranean area.

## Recent Deaths

### Maurice Kiley

Funeral services for Maurice Kiley of Billerica, for many years a resident of West Newton, were held Tuesday morning from the home of his daughter, Mrs. James W. Corcoran of 23 Stratford road, West Newton. A solemn requiem mass was celebrated in St. Bernard's Church by Rt. Rev. John J. Crane, S.T.L., pastor, assisted by Rev. John A. Saunders, deacon and Rev. Robert E. Brennan, sub-deacon. Burial was in St. Joseph's Cemetery, West Roxbury with prayers by Rev. Edmund L. Loughlin of Mary Immaculate of Lourdes Church, Newton Upper Falls.

Attending the services was a delegation from the Newton Street Department headed by Richard A. Murphy, division foreman.

Mr. Kiley died at his home, Friday, September 2. He was born in County Waterford, Ireland, the son of Joseph and Catherine (O'Connell) Kiley. He came to this country when a young man and for 40 years was employed by the Newton Street Department, retiring six years ago. He was a member of the Newton City Employees Union.

He leaves his wife, Mrs. Catherine E. (Conway) Kiley, 10 sons, Joseph of Natick, James, Leo and Roger of Billerica, Thomas of Acton, Sgt. George Kiley, U.S.A., stationed in Tokyo; Seaman J. C. Raymond Kiley, U.S.N., on duty in the Mediterranean; Francis Kiley of West Newton and Harry Kiley of Waltham; a daughter, Mrs. Anna Corcoran of West Newton, 14 grandchildren including Sister Ann Felicitas, S.N.D. of St. Joseph's Convent, Somerville, and three great-grandchildren.

### David X. Flynn

Funeral services for David X. Flynn of 11 Ferncroft road, Waban, vice-president of Peter Flynn Co., Boston, were held Tuesday morning in St. Philip Neri Church, Waban. Rev. Thomas J. Seckel was celebrant of the solemn requiem mass assisted by Rev. Walter Doyle, deacon and Rev. Alphonsus Palladino, sub-deacon. Burial was in Forest Hills Cemetery with committal prayers by Fr. Palladino.

Mr. Flynn, who had been spending his vacation at Dennisport, died Friday, September 1, at the Cape Cod Hospital, Hyannis. He was in his 51st year and was a native of South Boston. He was a veteran of World War I, a member of the Knights of Columbus, the First Friday Club and Holy Name Society of St. Philip Neri parish.

He leaves his wife, Mrs. Marion (Grant) Flynn, a son, David G., a brother, Peter L. Flynn of Belmont and three sisters, Miss Frances and Miss Helen Flynn of West Roxbury and Mrs. Mary Smith of Providence, Rhode Island.

### Alice J. Darmody

Funeral services for Mrs. Alice J. (Leary) Darmody, wife of George T. Darmody of 29 Alden Place, West Newton, were held Friday morning from the Henry F. Cate Chapel, 1251 Washington street, West Newton. A high mass of requiem was celebrated in St. Bernard's Church at ten o'clock by Rev. Francis P. Sullivan. Burial was in Calvary Cemetery, Waltham with prayers by Rev. John A. Saunders.

Mrs. Darmody died Tuesday, August 30. She was born in Dedham, Mass., the daughter of Mary and Patrick Leary. She leaves besides her husband, a son, William Darmody of Auburndale, a daughter, Mrs. Charles Weil of Brookline, New York, a sister, Mrs. Mary Leach of Waban and five grandchildren.

### West Newton

Miss Olive Webster, formerly of West Newton, has returned to her home in Joliet, Ill.

Mrs. Margaret P. Gilbert has purchased the seven-room house at 6 Oldham road from Marie M. Knowles and Hele I. Mott.

Miss Virginia Anne Wilson, daughter of Mr. and Mrs. Henry J. Wilson, 128 Fairway drive, and Mr. John A. Buell, son of Mr. and Mrs. Edmund I. Buell, 46 Walker street, is serving aboard the destroyer, U.S.S. Brownson, currently on an extended cruise in the Mediterranean area.

Private 1st Class Carleton Woodward, son of Mr. and Mrs. Harold L. Woodward 15 Cross street, returned to his Signal Corps duties at Camp Gordon, Ga., Monday, after a visit home when he was accompanied by his fiancée, Miss Charlotte Verdoodt of Belrose, N. Y.

### Donald Angier

Donald Angier of 101 Old Orchard road, Chestnut Hill, president of the Angier Products Inc., chemical manufacturers, of Allston, died Sunday, September 4, at his summer home in Marion, Mass.

Mr. Angier was in his 50th year. He was born in Newton, the son of the late George McNeil Angier and Emma (Gill) Angier. He attended Taft school and during World War I served as a lieutenant with the Coast Guard. He was graduated from Harvard in 1922. While at Harvard he was a back on the football teams of 1920 and 1921 and also played on the Harvard varsity hockey team for a year as a substitute wing. In 1929 he was appointed freshman coach of the hockey team, serving several seasons.

Following graduation from Harvard he became associated with the Angier Chemical Company and following the death of his father in 1926, succeeded him as president of the firm.

Mr. Angier was chairman of the Newton Chapter, American Red Cross; a trustee and executor of several estates; a member of the Harvard Club of Boston, the Country Club, Sippican Club in Marion and the Laurentian Club of Quebec.

He leaves his wife, Mrs. Helen (Cumming) Angier, a son, Albert E. and a daughter, Miss Helen H. Angier.

Private funeral services were held on Tuesday. A memorial service will be held Sunday, September 11 at 5:30 p.m. at The Hermitage, Marion, Mass.

### Bridget M. Foran

Funeral services for Mrs. Bridget M. Foran, wife of the late John J. Foran, were held Friday morning from the Walsh Funeral Home, Waltham. A high mass of requiem was celebrated in St. Bernard's Church, West Newton at 9 o'clock by the pastor, Rt. Rev. John J. Crane S.T.L. Burial was in the family lot in Calvary Cemetery, Waltham, with prayers by Rev. John A. Saunders.

Mrs. Foran died Tuesday, August 30, following a long illness. She was born in County Waterford, Ireland, the daughter of Michael and Margaret (Sullivan) Mullins, and had resided in West Newton 40 years. She leaves four sons, James A. of Haverhill, Edward G. of West Newton, four daughters, Mrs. Marguerite A. O'Neill of South Boston, Mrs. Mary Lee of Auburndale, Miss Alice A. and Miss Elizabeth Foran of Allston; a sister, Mrs. Mary Powers of West Newton, and 16 grandchildren.

### Waban

Miss Patricia Weaver-Adams, daughter of Dr. and Mrs. E. Ralph Weaver-Adams of Buckingham, England, is visiting Mr. and Mrs. Willard B. Weissblatt of Waban for the season.

Midshipman Wilbur Stanley Leindery of 162 Dedham street, Newton Highlands, recently departed from San Francisco, Cal., on a four-week cruise to Panama and the Galapagos Islands aboard the destroyer U.S.S. Harner. He is a member of the U. S. Naval Reserve and is a student at Tufts College.

## Your City Government

The sixth of a series of Public Relations Broadcasts over Radio Station WCRB took place Monday afternoon at 3:45 p.m. Harold T. Pillsbury, Director of Research and Moderator of this series of broadcasts, in introducing Harold F. Young, Newton's Street Commissioner, said:

"It is an American habit for people to boost the city in which they live. However, we often wonder if people ever stop to consider what makes a city a good place, in which to live. Better still one might ask what makes Newton a better place than other cities? The city where people spend their money on homes, providing schools for education, where the people are kind and neighborly and have an interest in the welfare of others is a better city. Newton has become all of that."

Mr. Young who has been building good will, a most valuable asset, for many years, has been taking a most active part in this City's advancement because he is well equipped to give us pertinent information pertaining to our Garden City because of his personal efforts and the achievements of his Division.

Mr. Young's duties involve having charge of construction, alteration, repair, maintenance, the care and management of—The Public Ways, Sidewalks, Squares, Bridges, Public Parks, Squares, Playgrounds and Burial Grounds and the lighting and watering thereof, and the public sewers and drains. Such outstanding services as rendered by his division are designed to make our City a better and more progressive City.

Mr. Young responded as follows:

The services which the Street Department performs are of such a varied nature that no more than a brief summary can be given in today's broadcast.

A review of the many functions of the Department as outlined in the talk given by the Director of Public Works would first seem to be in order. They consist of: Maintenance, repair and construction of streets

Maintenance and repair of bridges.

Maintenance of property, (i.e. fences, steps, tunnels, city yards and various pieces of equipment).

Maintenance of sidewalks and curbing.

Street cleaning.

Collection of ashes and papers. Snow and ice removal.

Maintenance and construction of surface drainage.

Maintenance and construction of sanitary sewers.

Construction and maintenance of traffic signals and signs.

Street lighting.

Care of grounds.

Control of gypsy-moth and other pests.

Maintenance of cemeteries.

Planting of trees.

Construction of new parks and playgrounds.

Maintenance and repair of city cars, trucks and other equipment and many other functions of a lesser nature.

How is your Department organized to handle all these functions?

To carry on this work in an area of 18 square miles the Department is organized as follows: The main office is located at City Hall where all detailed clerical work and financial operations of the Department are handled. In addition to the Street Commissioner, seven clerks are located at this office.

At Crafts Street, Newtonville, is located our Division A headquarters. This Division provides maintenance services in Newton, Nonantum, Newtonville and that portion of Newton Centre and Chestnut Hill north of Commonwealth Avenue.

In addition to maintenance of some 90 miles of streets, experienced crews in road construction operate from this Division. The personnel includes a Division Foreman, two Foremen-Inspectors, 1 clerk and 98 Working Foremen, Laborers, Mechanics and other types of skilled workmen.

Division B located on Auburndale Avenue in West Newton provides maintenance services in West Newton, Auburndale, Newton Lower Falls and that portion of Waban west of Chestnut Street. This Division in addition to maintenance in a District of over 90 miles of streets, handles the collection of ashes and papers throughout the City and operation of the Incinerator in Newton Highlands. The personnel of this Division includes, a Division Foreman, 1 Foreman-Inspector, 1 clerk, and 120 Working Foremen, Laborers, Mechanics and other skilled workmen.

The Sewer Division is located also at the Elliot Street yard and cares for the maintenance of 227 miles of sewers and 162 miles of surface drains, as well as the construction of new drains and sewers and the connecting of new houses to the sewerage system. The personnel of the Sewer Division includes 1 Supt. of Sewers, 3 Foremen-Inspectors and 62 workmen of various skills.

The Forestry Division is located at the Auburndale Avenue yard and its personnel includes the Forestry superintendent and 49 workmen. This division is responsible for the care and maintenance of 100 acres of parks, as well as all grounds around City Hall and all schools, fire stations, police headquarters and our libraries. In addition, the maintenance of over 25,000 trees upon the public ways, the maintenance of three cemeteries, control of gypsy-moth and other pests, and the construction of parks and playgrounds.

The Division of Equipment located at Crafts street, Newtonville, is headed by a superintendent and 22 mechanics and other personnel. This division services and repairs the following equipment owned by the department:

Nine passenger cars, 84 trucks, 103 pieces of equipment including gas shovels, graders, cranes, compressors, bulldozers, asphalt spreaders, loaders (snow and material), snow-go units, traffic painting units, street sweepers, power sprayers, sidewalk plow units, power mowers, gas rollers, pumps, sanding units, power saws, sewer flushing machines, eductors for catch-basin cleaning, snow plows and other miscellaneous items.

In addition, servicing and repairs are made to many units owned by other departments.

At the close of the war our citizens were particularly concerned with the poor condition of our streets. The conditions were due to lack of maintenance programs during the depression years plus inability to secure asphalt during the war years. A survey of the situation was made and a listing of streets made with concentration first on putting in shape our main thoroughfares.

This year with the completion of Crafts street (Route 128), from Walnut street to Waltham street and Chestnut street from Fuller street to Moffat road, will see practically all main roads in good condition for public travel. In 1948, about 20 miles of surface treatment of highways was accomplished and to date in 1949 over 25 miles has been completed. In addition a crew is engaged at the present time in resurfacing a group of streets and under contract complete reconstruction of some roads will be accomplished. It is believed that about 35 miles of streets will have been improved before work ceases this Fall. With the completion of this work many streets which have been a problem in the past will be improved to the extent that expensive patching costs will be eliminated for a period of years, and riding qualities of same definitely improved.

During the past two years the city has acquired much in the way of trucks and equipment. Most of these items were at a premium during the war years. The selection of this equipment has been based on its utility use as well as its ability to be of assistance during the winter months on snow removal.

It might be of interest to your listeners to know briefly our plans for snow removal. The 300 miles of streets in the city are divided into 48 different routes, with each division taking care of snow removal within its division lines. When a storm begins three trucks from each division, equipped with special apparatus, are dispatched to spread salt on certain key streets where the grades are steep and where in the past traffic tie-ups have occurred. Experience has shown that such applications of salt cause the snow to become mealy or slushy and packing is precluded, so that when plowing starts (when about three inches of snow has fallen) plows are able to easily remove this slushy accumulation. The residual salt tends to keep further accumulations of snow soft, and after the snow ceases the pavement is practically dry. Newton is adding to its salt chemical which will reduce to a minimum any possibility of damage to cars by reason of the use of salt. This year the city has purchased 20 new truck units which are being equipped with plow equipment, making a total of 62 city trucks available for plowing.

Normally, snow storms will be handled with city-owned equipment, but should severe storms occur requiring additional assistance contracts will be made with private concerns to assist in the work.

## VETS QUIZ

Q—I am now receiving the proceeds of my matured World War I endowment policy in monthly installments. May I apply for a new U. S. Government Life Insurance policy?

A—Yes. The provisions of section 310 of the World War Veterans Act of 1924, as amended, permit you to secure new insurance, if otherwise eligible.

Q—May I borrow money from a bank or lending agency and use my Government insurance policy as security?

A—No.

Q—My brother is in a VA hospital. In case of his death, will the Veterans Administration arrange to have religious services performed according to his faith?

A—Yes, if contract burial services are furnished.

Q—May the loan privilege be exercised on converted National Service Life Insurance while the insurance is in a premium waiver status?

A—Yes.

Q—If I had a disability prior to enlistment, is compensation or pension payable for increase in the severity of such disability occurring during such enlistment?

A—Yes. Existing legislation provides for compensation or pension on account of disabilities incurred in or aggravated during service.

## Newton Highlands

Mrs. Howard P. Kling, 48 Bound Brook road, will give a morning coffee tomorrow from 10 to 11:15 at the Copple-Plaza when her daughter, Miss Dorothy Ryder Kling (Demi Kling) will make her debut.

Mr. and Mrs. Robert Carl Ness, who were married in the First Presbyterian Church, Champlain, N. Y., Saturday, will live in Longmeadow where Mr. Ness is a teacher of mathematics. Mrs. Ness is the former Elizabeth Foss Bredenberg, daughter of Mr. and Mrs. Oscar Edward Bredenberg of Champlain, and Mr. Ness is the son of Mrs. Charles Ness is the son of Mrs. Charles Ness.

One factor in regard to snow removal which is one of the most expensive of our operations, is the removal of snow from our business districts, schools and churches. Snow is actually removed from over 25 miles of gutter line which is equal to that removed from the downtown section of Boston. This is done by the six snow loaders owned by the city and such trucks as are necessary. The operation is usually carried on at night when the business sections are free of cars and time and one-half wages have to be paid. The street mileage in Newton is about equal to the combined mileage in Brookline, Somerville and Cambridge so you can readily see that we have a real snow removal problem.

The Street Department is functioning with over 100 men less than were employed in the year 1930, and at the same time doing more street improvement work than at any time in its history as well as maintaining other services, the volume of which have increased tremendously during this period. This is possible only through the acquisition of many new pieces of modern labor saving equipment.

I do want to call the particular attention of our citizens to one change in policy. When your collection of ashes and papers is due on a holiday, no collection will be made in that district until the regular collection day of the following week.

This is only a brief outline of some of the activities of the Street Department. We would welcome an opportunity to appear again and bring with us some of our key personnel most of whom have served the city faithfully for many years.

Ready-mixed paint is being put up in pressure cans with a valve in the top. These are ready to spray at a touch of the finger.

## Newton Taxpayers' Association Bill Has Been Enacted Into Law

The bills of the Newton Taxpayers' Association, allowing Massachusetts cities and towns to use parking meter revenues

for off-street parking areas, was enacted into law during the closing days of the recent legislative session.

"Much praise is due to our Newton legislators for supporting this equitable use of meter revenues," stated Lorenz F. Muther, Jr., Executive Secretary of the Association today, "and we particularly want to thank Representative Howard Whittemore, Jr., and Senator Richard E. Lee for the effective manner in which they worked to see this legislation through."

"Not only does the new law help to relieve those property owners who cannot afford a car from the necessity of paying for benefits to auto-driving citizens, but it gives the cities a source of revenue which makes it possible to open up congested, often high-priced land in a way

that will help the traffic-harassed motorist, shopper and merchant. "Off street parking programs, providing the safest and best solution for the parking problem can be speeded immeasurably," Muther asserted, and added, "here in Newton we now have the opportunity to develop our shopping centers more nearly in line with modern needs and to finance that type of desirable development in a way that is fair to all taxpaying citizens."

## Newcomers' Club to Meet September 16

Friday afternoon, September 16 the Newton Newcomers' Club will hold its first meeting of the fall at the Newton Highlands Workshop. Dessert will be served at 1:15, followed by an afternoon of Bridge. The meeting will be in charge of the new president, Mrs. Francis E. Rothwell, and her slate of officers.

## Oldsmobile Shatters Production Mark

All monthly production records for the past 52 years were shattered at Oldsmobile Division when the last new Oldsmobile produced in August, 1949, rolled off the assembly line Wednesday, S. E. Skinner, vice-president of General Motors Corporation and general manager of Oldsmobile announced today.

A total of 31,095 new Futuramic Oldsmobiles were built last month, Mr. Skinner stated. This record monthly output surpassed the previous top mark of 28,445 units built in March, 1941. A new daily average record of 1,351 cars per working day was also set. Mr. Skinner said, thus providing Oldsmobile dealers across the nation with more new cars for delivery than ever before in the history of America's oldest motor car manufacturer.

Commercial plywood as known today dates from 1905 when it was first made in St. Johns, Oregon.

Wood was first kiln-dried at Norfolk, Virginia, in 1879.

## Newton Family Service Bureau Joins "Family Closeup" Series

In a nation-wide effort to give the public greater insight into the causes of family discord and suggest where close-at-hand professional help is available, Station WCOP and the Family Service Bureau of Newton, a Red Feather Service of the Newton Community Chest, will join family service agencies and American Broadcasting affiliates throughout the country in presenting "Family Closeup," a documentary radio series, starting Sunday, September 11.

The half-hour dramatized programs will be heard over station WCOP for 13 weeks each Sunday from 5:00 to 5:30 p.m.

Described as "a candid search of the tensions in American homes," the program will be created from the real life stories of everyday families, with names and situations disguised to protect identities.

The series is sponsored nationally by the Public Affairs Department of the American Broadcasting Company and the Family Service Association of America. Family Service Agencies and ABC stations in more than 200 cities are cooperating in the public interest to present the broadcasts.

"Family Closeup" had a successful trial run over Station WJZ, New York. Early this year, ABC aired 10 programs under that title over WJZ in cooperation with Jewish Family Service, a member agency of Family Service Association of America in New York City. The broadcasts received such praise from New York radio critics and listeners that ABC offered to extend them throughout the country in cooperation with the national family service organization and its members in each community.

John Crosby, radio reviewer for the New York Herald-Tribune, praising "Family Closeup" for its candid treatment of family problems, declared: "Even if these are not your problems, they'll teach you a lot about people in general."

Harriet Van Horne, radio and television editor of the New York World-Telegram called the programs a "public service in the best sense."

John Horn, radio columnist of the former New York Star, described "Family Closeup" as a series of poignant, human, documented dramatizations of real life stories stressing family problems that can be solved, or at least aided, by existing social agencies. "A heartening thing about these social documentaries," he said, "is that they are dramas taken directly from the experience of life but skillfully woven into professional entertainment form. The program, like life, does not have a Hollywood theme, but it shines with heart-warming sincerity and integrity."

When "Family Closeup" is heard here and in other cities starting September 11, it will again have the talents of the two men who contributed most to its success in its New York debut—Abram S. Ginnes, veteran radio writer whose deep insight into the actions and feelings of people is sharpened by his early experience as social worker and editor, and Martin Andrews, director of many widely-praised ABC documentary programs. They will continue as script writer and director for the new series.

The initial broadcast on September 11 will picture the story

of a little girl "who feared to go to school" and the anxieties and tensions in the family which produced her childish fears. Other programs to follow will tell the stories of families with marital troubles, strained relationships between elderly people and the younger family, an aggressive younger child in conflict with parental authority, families in debt and facing job problems, families vainly searching for happiness.

Mrs. Catherine S. Holden, Executive of Family Service Bureau in Newton reported that the "Family Closeup" series will present the problems of American families as they are, without judgement or preaching, with emphasis on the root cause of conflict.

"We hope this series will help many people in Newton to understand that their family problems are not singular—but are shared by many others, that the help of skilled family counsellors is provided by the citizens of this community for many who have not previously known where to turn and that the seeking of such help is in itself an assertion of strength rather than weakness. As with many crippling illnesses, the tensions and strains in family relationships can be prevented from having their worst effect if people understand the importance to themselves and their families of taking preventive action in time."

As a Red Feather Service of the Newton Community Chest, the counselling help at the Family Service Bureau of Newton, Inc. is available to all without cost or on a fee basis, and regardless of race, color, creed or income.

## Weekly Incidence of Polio Remains Same

Halt its upward trend, the weekly incidence of polio cases in Massachusetts has remained at the same level the past three weeks, the State Department of Public Health reports.

A total of 194 cases was reported for the week ending Sept. 2 bringing the total thus far this year to 931 cases. During the weeks ending Aug. 19 and Aug. 26, respectively, totals of 189 and 194 cases were reported.

Dr. John C. Ayres, assistant director of the division of communicable diseases, declined to comment on whether the polio peak had been reached, but indicated that next week may prove decisive in predicting the trend of polio during the remainder of the current year.

Reassuring parents that children should be allowed to go swimming over the holiday weekend, Dr. Ayres said:

"There has never been a case recorded of polio being contracted from bathing waters. The important thing is to avoid chilling and excessive fatigue."

"Polio is a menace at bathing beaches only through the close proximity of bathers who flock together in crowded areas."

"However, the contact in such crowds is less intimate than in subways, theatres, stores and other spots."

A dentist in the sheep grazing country has developed false teeth for sheep. This is an entirely serious project that may be a great help to ranchers by doubling the life of their sheep and proportionately increasing the number of lambs.

## High School Games To Be Broadcast

WCRB-1330, is busy at completing arrangements to air the home games of Newton High when the football season opens locally on Saturday, September 17. With the approval of the Newton School Committee last June, this will be the second season WCRB will make it possible for those unable to attend to follow each play of the game.

Bill Sherman, top sportscaster of the area, will handle the play-by-play account. He is a veteran at reporting sports events, with extensive experience in New York doing fight broadcasts and professional football. He is now working with Coach Warren Huston to familiarize himself with this year's crop of players and plays, and completing arrangements with the school authorities on other details — Superintendent Harold D. Gores and Principal Raymond A. Green.

## Re-opens Studio Speech in Brighton

Mary J. Barker, 64 Murdock street, Brighton, is re-opening her Studio of Speech for Children and Adults. The aims of the course are to develop a clear, well modulated speaking voice; overcome speech defects; attain grace and poise and knowledge of rules of etiquette; and by these means a pleasing personality. Telephone STadium 2-7686.

## Tennis Tournament On September 10-17

The Fourteenth Annual Invitation Doubles Tennis Tournament sponsored by the Newton Y.M.C.A. will be held on two consecutive Saturdays, September 10th and 17th, beginning at 1:00 P.M. at the Association courts, 276 Church Street, Newton.

Rules of the United States Lawn Tennis Association will govern and prizes will be awarded to the winners and runners-up.

Invitations have already been extended by the Committee in charge consisting of Albert Rogan, Chairman, Arthur M. Jacobs, and Richard B. Simmons.

## Cooking An Outlet For Creative Ability

"Cooking can be an outlet for creative ability," says Emma Maurice Tighe, Boston Edison Home Economist. Deploing the attitude that cooking is a bore or a chore, Miss Tighe insists that cooking, like dancing, painting, writing or piano-playing, can and should be a method of expression for the housewife.

"The woman who puts as little imagination into preparing a meal as she does into boiling a pot of water is missing," says Miss Tighe, "not only a lot of fun but also the chance to do something creative in a culinary way."

Proof of the pudding, this

pudding at any rate, will be attempted by Miss Tighe during the cooking school to be presented by the Boston Edison Company at John Hancock Hall this coming Tuesday, Wednesday and Thursday afternoons. Along with the opportunity to win numerous door prizes and a grand prize of a Hotpoint Pushbutton Electric Range, those attending the cooking school will see popular Miss Emma Maurice Tighe demonstrating the finer points of electric cooking, maybe artistically, maybe creatively, certainly educationally.

Tickets to the cooking school are free and are obtainable at any of the Boston Edison Shops.

Minnesota was derived from two Sioux words meaning "Sky-colored water."

## Wentworth to Head Mercantile Division

Vincent E. Wentworth has been appointed Chairman of the Men's Mercantile Division for the 1950 Red Feather Campaign in Newton according to an announcement made this week by Harold T. Pillsbury, Newton Campaign Chairman. Mr. Wentworth is President of Wentworth-Jennings Motor Company in Newton Corner and is serving as Chairman of his Committee for the second year. Previously he served as Chairman of the Automobiles Section in the Mercantile Division and as a solicitor for a number of years in the Residential Division.

Wentworth is a graduate of Newton High School, 1932, and lived in Auburndale for many years. He graduated from Dartmouth in 1936, is married, has four children, and now makes his home in Wellesley. Assisting Mr. Wentworth in the Men's Mercantile Division this year will be John L. Hepperle of the Moye Chevrolet Company, Chairman Automobiles Section; William Payne, Newton National Bank, Chairman of the Banks Division; Arthur M. Jacobs, Newton National Bank, Chairman of the Bank Employees Section; George Sexton, Lower Falls Wine Company, Chairman of Package Stores Section; Frederick J. Fessenden, Jr., Fessenden School, Chairman of the Private Schools Section; and Dwight Colburn, C. Clement Colburn & Son, Chairman of Special Accounts.

Associated with Mr. Wentworth in the Mercantile Division of the 1950 Campaign will be Mrs. John M. Powell of Waban, Chairman of the Women's Mercantile Division. Mrs. Powell was Assistant Chairman of the Division in the 1949 Campaign and previous to that served the Newton Community Chest as Chairman of the Clubs and Societies Section, Chest Agencies Section, and many other capacities. Mrs. Powell's husband is President of the Newton-Wellesley Hospital, one of Newton's important Red Feather agencies. Assisting Mrs. Powell in the Campaign this year will

VINCENT E. WENTWORTH, chairman Men's Mercantile Division, 1950 Newton Red Feather Campaign.

be Mrs. Warren B. Manhard of Newton, Assistant Chairman, and the following Village Chairmen: Auburndale, Mrs. Boroks A. Heath; Newton, Mrs. Arthur E. Akroyd; Newton Centre, Mrs. Charles E. Dearing, 2nd; Newton Highlands, Mrs. Albert S. Genaske; Newtonville, Mrs. Edwin P. McGill; Waban, Mrs. Walter B. Hatfield; West Newton, Mrs. H. Lloyd Moss, Jr.; Chest Agencies, Mrs. Jerome J. Shuman; Clubs and Societies, Mrs. Loomis Patrick.

The Mercantile Division will be holding series of meetings beginning September 20 and running through the balance of the month. These meetings will be held by groups in the various villages at which time pertinent information regarding the 1950 Campaign will be given the workers by Harold T. Pillsbury, Newton Campaign Chairman, and many other key Campaign leaders, so that all will be prepared to discuss the 1950 needs of Red Feather Services when business solicitation starts the first week in October.

## UNITED CHURCH CANVASS PLANS TO BE OUTLINED

The Newton United Church Canvass which is sponsored by the local Council of churches will hold a preliminary dinner meeting of the ministers and local Canvass Chairman at the Braeburn Country Club Monday, September 19th at 6:30 p.m. The Newton Canvass Committee consisting of Lucius E. Thayer and William V.M. Fawcett, co-chairmen, Jess D. Traylor, Edmund S. Whitten, William A. Jackson, and Rev. Richard P. McClintock will reveal the overall plan for the Newton Canvass and details of publicity. The speakers will include Messrs. Fawcett, Whitten and McClintock.

The United Church Canvass is an old story in Newton for it was here in 1941 that an independent committee of ministers and lay people organized one of the first United Church Canvasses in the nation. Since that date the

idea has caught on and spread throughout the land until today there is a national United Church Canvass Committee maintaining a full time office in New York City.

The dates for the Newton United Church Canvass are November 13 to 27 inclusive. Sunday November 27 is known as Loyalty Sunday and it is urged that all Christians people everywhere attend the church of their choice. The actual Canvass day is Sunday, November 27th when 1500 men will simultaneously ring the door bells of over 15,000 church homes in the city. The slogan for the national Canvass this year is somewhat reminiscent of the original Newton slogan of "Keep them ringing" and is, "When the Church bells ring, say, 'Yes'." Newton church bells will ring on Saturday, November 12 to remind people that the following day is Loyalty Sunday.

## Registration Days Are Announced

As Newton Junior College enters its fourth year, Sept. 26 and 27 are announced as registration days. On Sept. 29 and 30 college officials give entering freshmen an orientation program which includes examinations to assist in guidance. Sophomores and freshmen begin course work Oct. 3. Enrollment quotas are rapidly being filled.

## Open Pierce Trade Shop Oct. 3

## Award Certificates To Five Swimmers

National Y.M.C.A. life saving and water safety emblems and certificates have been awarded to five swimmers who passed an intensive 10-day course just completed at the Newton "Y." The instruction was under the direction of O. Morton Harrington, physical department instructor.

Twelve juniors and four seniors began the course and three juniors and two seniors successfully passed all the requirements. Edward Mitchell, 25 Pearl street, Newton; and Edwin Bengtson, 7 Randall street, Waltham, passed the Senior Life Saving Test. Edward Manning, 17 Jerome avenue, West Newton; Robert Stefanik, 11 Rockland street, Newton, and H. Carl Sulzen, 5 Peabody street, Newton, passed the Junior Life Saving Test. The course was held from 9 a.m. to 12 o'clock noon each weekday except Saturday from August 29 to September 9 at the Newton "Y" swimming pool.

## First Nurses' Aide Courses Offered

Cushing Hospital is offering to train 20 Nurses' Aides in the first Nurses' Aides course to be given in any Veterans Hospital in the country. Cushing initiated this policy in cooperation with the Nursing Services of the local Red Cross chapters. The classes will meet in the evening. The course will begin Oct. 10 and be completed Dec. 18.

Training will be divided into theory and practical experience. The Nurses' Aides will get their experience in the Medical and Surgical wards. They will assist the 200 nurses who regularly care for the 950 patients.

If you are interested in this course please get in touch with Mrs. Ruth Taylor, nursing director for Newton Chapter of the American Red Cross, 21 Foster Street, Newtonville, at your earliest convenience. We urge you to call as soon as possible because preliminary interviews are necessary before one can be enrolled in the course. Phone LA 5-7600.

Cushing also needs Gray Ladies and Gray Men who will aid the patients in needs outside the nursing field. A regular orientation course is given for those interested in this work, too. Staff aides who can type and file are also very welcome. For information on these, please call your local Red Cross chapter. In Newton, LA 5-7600. Mrs. Giltner, chairman of recruitment for volunteer services, will be very happy to give you any information you need.

RUTH KELLY  
Dancing School in Reopening

"Smoothness and sophistication," these are the words that describe today's trend in social dancing, according to the words of Miss Esther M. Kelly, local dance teacher.

Through the collaboration of the Kelly sisters the Kelly School of Dancing has extended from Watertown to the latest establishments in Belmont and Newtonville. Though Miss Ruth H. Kelly is now on the West Coast establishing another dance studio, Miss Esther Kelly announces the fall opening at the Church of the Open Word parlor, corner of Walnut and Highland avenue, Newtonville. Along with the reopening of the Belmont and Newtonville studios, Miss Kelly will resume her teaching in private schools, city recreation programs, and in community centers.

Since the square dances are prevailing throughout the country, Miss Esther Kelly expects to revive them at her studio this fall; along with presenting many new interesting dances she studied in New York this summer.

Miss Esther Kelly has been attending the Boston Dance Teachers' Club convention at the Hotel Bradford to keep abreast of the latest trends in Ballet, Tap and Ballroom dancing.

## Annual Rummage Sale to Be Oct. 4

The annual fall rummage sale, under the auspices of the Centre Building Association, will be held in the Davis School Tuesday, October 4.

Mrs. Frederick Wells, chairman of the sale and she is being assisted by Mrs. Arthur Williams and Mrs. Sidney Sholley as well as members of the Board of Directors of the West Newton Community Centre, Inc., a red feather service.

Proceeds of this sale are to go toward the building fund for a new community centre building. As always, clothing, furniture, toys and bric-a-brac will be available.

## Revolutionary Plan Starts At Theological School

A revolutionary plan to train theological students in practical pastoral work was started Tuesday by the 142-year-old Andover Newton Theological School, Baptist and Congregational institution at Newton Centre, the Rev. Dr. Harold W. Tribble, president, announced.

Under the guidance of Greater Boston pastors of long experience, many of them graduates of the school, Andover Newton will pioneer in requiring members of the graduating class to serve an "internship" under the supervision of a "mature" minister in a local church.

The internship of several months, much of which will be done voluntarily, will be part of the new four-year curriculum of the school, leading to the bachelor of divinity degree. The school has more than 500 graduates serving pastorates in New England alone.

Pointing out that the school inaugurated the clinical training courses in hospitals for theological students, which is now followed throughout the United States and Canada, Dr. Tribble expressed his belief that the pastoral training for graduate students would likewise become a common practice for theological institutions.

"Many full-time ministers will become associated with our faculty in training our students for the service of the church of tomorrow," Dr. Tribble said.

"Progress in professional education demands that those who apply the methods and techniques of the school should in turn share in the work of the schools," Dr. Tribble stated. "Thus research and practice are brought together in the interest of bettering seminary education."

He emphasized that the idea is endorsed enthusiastically by pastors and students alike. "No other theological institution in

DR. H. S. TRIBBLE

eastern United States has adopted this plan on such an extensive basis," he said.

As classes began today (Sept. 13) for the largest class in history, many of the students from foreign lands, Dr. Tribble announced the appointment of the Rev. Dr. Prentiss Pemberton, formerly secretary of the Student Christian Movement of New England, as new field work director in charge of internship training.

The Andover Seminary, founded by the Congregationalists, was established in 1807 and became the first seminary distinctly for theological training. The Newton Theological Institution, founded by the Baptists in 1825, was the first Baptist school for training of clergy. The two schools have served as one with a joint faculty since 1931.

"The new four-year curriculum which other schools generally require only in three years, is another pioneering movement in theological training on the part of these old schools," Dr. Tribble said.

## Miss Reardon To Attend Nurses School

Miss Helen E. Reardon, daughter of Mr. and Mrs. Francis J. Reardon, 182 Tremont St., is enrolled in the 20th class to enter the Household Nursing Association School of Attendant Nursing in Boston.

Miss Reardon will study for the next 15 months to prepare for attendant nursing which has a special place in the nursing field. Spending the first six weeks at the school practice house, 222 Newbury St., she will be taught elementary anatomy and physiology, elementary nutrition, and related subjects.

After the six weeks are completed Miss Reardon will be assigned to one of five Massachusetts hospitals affiliated with the school where she will have classroom instruction and bedside nursing experience for 13 months. Upon satisfactory completion of this period a diploma is awarded by the Household Nursing Association. Graduates are then eligible for the licensing examinations given by the Massachusetts Board of Registration in Nursing.

## To Open Thrift Shop Sept. 23

The Underwood-Bigelow Thrift Shop will open for business at the Underwood School, Vernon street, Newton, on Friday, Sept. 23. The volunteer co-chairmen will be Mrs. Warren Manhard and Mrs. Arthur Akroyd. This year the shop will run on Friday. The hours will be from 9:30 a.m. to 3:30 p.m. The shop will be located in the basement of the Underwood School, so the arcade entrance.

Remember the new day, Friday and the new location, Underwood School. Bring any kind of good used items for sale, or drop in to see what we have on hand.

## Rummage Sale On This Friday

An all-day rummage sale will be held at the Parish House of the Church of the Messiah, in Auburndale, from 9 a.m. to 7 p.m. this Friday, under the auspices of the Women's Guild.

## OFF-STREET PARKING PROPOSAL IS OPPOSED

Approximately 500 persons attended the aldermanic meeting Monday evening for the purpose of debating the advisability of creating an off-street parking area in Newton Centre which would take real estate situated on Pleasant street and Pelham street, Ward 6, in Section 61, being Block 25, Lots 3, 4, 5 and 6; Block 24, Lots 3, 4, 5 and 6; Block 23, Lots 18, 19, 20, 21, 28, 29 and 30.

Proponents of the proposal contended that off-street parking is essential to the development of the business area. Among those speaking in favor of the plan were Secretary Rupert C. Thompson of the Newton Chamber of Commerce; John A. Wiggins, president of the Newton Centre Business Men's Association who presented a petition containing over 2,000 signatures; Executive Secretary Lorenz F. Muther, Jr., of the Taxpayers Association and former Alderman John Temperley.

The opposition led by former Alderman Hermon Holt, Jr., protested against the displacement

of nearly 20 families from the site and asserted that other land in the square would better serve the purpose. Among those also speaking in opposition were Mrs. Everett Varney who stated that the move to displace 15 houses would remove \$87,000 worth of assessed property; Robert Fowler, owner of one of the houses, who said the Board had a tremendous moral responsibility in taking homes away from people; Commander E. Elmer Ross of Newton Post, American Legion, who said other plans should be considered so that the veterans would be given a fair deal; Albert J. Temperley, Harold R. Weir, John B. Samuda, Irving Barker, Mr. and Mrs. George Frost and Herbert L. Achorn. Former Alderman Holt, for the opposition, also presented a petition against the proposal.

## Talks on Worlds No. 1 Money

Introduced by William Wragg, of the Newton Centre Savings Bank, Raymond Shelton an executive of the American Railway Company, told members of the Newton Kiwanis Club, Wednesday, at the Y.M.C.A. the story of "The World's Number One Money."

The world's only international currency, over 200 millions of Travelers' Checks were issued to and used by the traveling public, last year and possesses a romantic past. Mr. Shelton said. Safe, sure and never outdated, they can be cashed at banks, hotels, stores - even at bars.

Letters of credit, the speaker continued, vary in value according to the exchanges in the far lands. But the value of Travelers' Check remains constant anywhere and everywhere... even among the Colliers of China, and the so-called unwashed of India. Mr. Shelton concluded his talk with a variety of amusing stories concerning the experiences of travelers, through the years, using "The World's Number One Money."

It was announced that Colonel Edward Sullivan will be next week's speaker.

The Newton Kiwanis Club has arranged a monster benefit for the Underprivileged Child Fund, Wednesday evening, Sept. 28, at the Totem Pole Ballroom, Norumbega Park. Baron Hugo's Orchestra, assisted by New England's foremost square dance caller and entertainer, will play for modern and square dancing on that date, the party slated to get underway, at 8:15 P.M.

During the Club's annual song festival, with Marie Doherty at the piano, James P. Gallagher and Wilfred Chagnon sang a duet. Dr. Conroy, Irving Nickerson, Walter Finley and Lawrence Baker rendered "My Darling Clementine." Alderman Kenneth Prior and Raymond Greene, principal of the Newton High School, sang: Down By The Old Mill Stream." John Fielding, editor of the Newton Graphic, attended as the guest of Wilfred Chagnon. Carl H. Alvord, second vice president of Newton Kiwanis, presided.

## Three Contracts For Roads Are Awarded

The awarding of three contracts for road construction in Newton, have been announced by the Office of the Street Commissioner in Gainey's Construction News.

John McCourt Co. of Boston, was the recipient of a \$12,010.70 contract for the construction of Crehore drive.

Two contracts, for the construction of Gibbs and Summer sts., and for Longfellow rd., went to J. F. White Contracting Co. of Cambridge, for \$20,606, and \$41,279.50 respectively.

## B. U. Coach Gives Talk to Rotarians

Warren Huston introduced Buff Donelli, head Football Coach of Boston University to the Newton Rotary Club at its meeting Monday.

He told of Mr. Donelli's success at Duquesne, Columbia, and Boston University. He also informed the members that Buff was not only one of America's better football players, but that he also was one of the great in soccer in his day. Mr. Donelli compared football of today with football of a generation ago, explaining how the game of today was one much faster and greatly improved, improved because today it is brains and speed and team play rather than plain brawn as in the past. He compared the brown and black shirt youth of Europe in 1934, as he saw them, with the youth of the U.S., explaining that the youth of this country will have little to do with isms so long as they have sports to participate in, whether as player or spectator. Mr. Donelli's secret to a long and healthy life is to be able to enjoy and live football as a spectator. To be unable to do so is living on borrowed time, according to him.

## BOARD OF ALDERMEN DENY MULLEN PETITION

The Board disapproved the appropriation of \$6,000 for a drain and sewer on Los Angeles street, Ward 1. Licensed as private sewer layers were Rosa and Todisco Construction Co., Joseph Cucci and C. Russo, Inc.

The petition of Paul L. Mullen of the Public Buildings Department to be on a straight salary basis of \$4,200 a year was denied with seven aldermen opposing the disapproval order. Refused

as insufficient were the following offers for land. Louise G. Holt, \$400, for Section 53, Block 57, Lot 10, on Wallace street, Ward 5; James Cappello, \$400 for Section 32, Block 11, Lots 1, 2 and 22, on Talbot and Derby streets, Ward 3. Voting to grant the Mullen request were Aldermen Winfield, C. Anderson, Clyde S. Cassidy, Wilfred Chagnon, Joseph B. Davis, Riley J. Hampton, Franklin K. Hoyt and James E. Murphy.

## SEVERAL CONTESTS TO BE ON NOVEMBER BALLOT

Nomination papers filed at the City Clerk's office reveal a three-cornered mayoralty race, 10 contests for the Board of Aldermen and one contest for school committee. Thus the voters of the city will have an opportunity to express their preference for candidates at the election in November.

Of the candidates who have filed is a woman, Mrs. Helen R. Lleses, who is seeking the office of Ward Alderman from Ward 6.

In the contest for mayor, Mayor Theodore R. Lockwood will be opposed for re-election by John A. Janse and Walter A. Hodgdon. Alderman-at-large contests will be held in Wards 1, 2, 5 and 6, while contests for Ward Aldermen will be held in Wards 1, 2, 4, 5, 6 and 7.

In the contest for school committee in Ward 2, James J. Cahill and Alan D. Duff will seek election for the office new held by George B. Rowlings who is retiring.

Following is the list of names of candidates for the various offices they will seek in the November election:

**MAYOR**  
Walter A. Hodgdon, 22 Elliot terrace.  
John A. Janse, 26 Greenwood street.  
Theodore R. Lockwood, 74 Elm-hurst road.

**ALDERMEN-AT-LARGE**  
Ward 1  
Edward A. Fahey, 60 Allison street.  
William Kelly, 48 Rustic street.  
Carleton P. Merrill, 2nd, 124 Newtonville avenue.

Ward 2  
Riley J. Hampton, 9 Clarendon street.  
Gordon L. Hawes, 46 Lothrop street.  
William R. Mattson, 28 Brookdale road.  
William H. Seeley, Jr., 450 Highland.

Ward 3  
Ernest G. Angevine, 95 Prince street.  
Kenneth E. Prior, 377 Cherry street.

**- CONTEST -**  
(Continued on Page 3)

## Discuss Government, Education Sept. 26

"Government and Education" will be the topic of Mr. Charles L. Peltier, the new head of the Social Studies Department at Newton Junior High School and Newton Junior College when he addresses the opening meeting of the League of Women Voters of Newton, Monday, September 26 at 2 p.m. at the Newton Highlands Workshop, 72 Columbus St.

Mr. Peltier comes to his new position from Boston University where he has taught at the School of Education since 1945. He has also served as a lecturer in the Massachusetts Department of Education, Division of University Extension.

He has conducted classes in government and current affairs in the adult education divisions of the school systems of Dedham, Brookline and Newton and has taught history and social studies in high school classrooms at South Hadley, Dedham and Newton.

**- EDUCATION -**

## Drops Out of Miss America Title Quest, 'Relief,' Says Gloria

Miss Massachusetts' quest for the 1949 Miss America title ended Saturday when she failed to enter the select group of 15 finalists from which the new queen is chosen.

Massachusetts' representative, Gloria Marie Curelli, daughter of Mr. and Mrs. Giorgio R. Curelli of 4354 Washington street, Roslindale, was not bitterly disappointed, however.

"I think the judges made an excellent selection, although there were a few surprises to me," she

declared. "It was a difficult job to try and choose 15 from that group of beautiful and talented girls."

Miss Curelli said frankly that she had harbored no high hopes of reaching the finals after surveying the competition.

"The singers sound ready for the Metropolitan Opera, the actresses rival Helen Hayes and the dancers belong on Broadway," she said. "And it was really a bit of a relief to just sit on the stage and watch instead of trying to compete with them."

Sympathy of Islington friends is extended to Arthur Early, Washington street, on the death of his father, David Early of Norwood, this week.

## Thomas-Chalmers

Miss Marilyn Chalmers, daughter of Mr. and Mrs. Donald Chalmers of 441 Lowell avenue, Newtonville, became the bride of Mr. Robert Franklin Thomas, son of Mrs. Dorothy A. Thomas of Newtonville at a candlelight ceremony in the Central Congregational Church, Newtonville, Saturday evening, September 10. Rev. Randolph S. Merrill performed the double ring ceremony.

Given in marriage by her father, the bride wore a gown of ivory Chinese silk damask with a train and her grandmother's wedding veil which fell from a cap of duchess lace. She carried white roses and sweet peas. Mrs. Robert, Bruce Masters of Akron, Ohio, matron of honor and the maid of honor, Miss Barbara J. Bell of Marblehead wore gowns of apple green satin and carried yellow and white asters. The bridesmaids attired in blue satin and carrying yellow asters were: Miss Margaret Arnold of Bethel, Vermont, Miss Audrey E. Smith of Newtonville, Miss Mary Lynn Smoot of Boston, Miss Dorothy A. Daly of Waban, Miss Sarah J. Angell of Sidney, New York and Miss Claire F. Campbell of Washington Court House, Ohio.

Mr. Gordon W. Daly of Waban was best man. The ushers were Mr. Stuart E. MacNeil of Stoneham, Mr. Gordon G. Thomas and Mr. Donald C. Chalmers, Jr. of Newtonville, Mr. Donald Thomas of Orangeburg, New York, Mr. Stanley W. Merrill of Newton Centre and Mr. Richard Wright of Newton Highlands.

Sprays of gladioli formed the decorations for the reception at the Longwood Cricket Club.

The bride was graduated from the Mary A. Barnham School, Northampton and attended Smith College. Mr. Thomas was graduated from the Newton High School. He served with the Army Air Force in the Pacific and is now employed as a sales engineer in Rockland.

**Natural Oil**  
From about 25 years on, the natural oil that keeps skin soft and supple gradually decreases. Many women lose as much as 20 per cent of their natural skin oil needs before reaching the age of 40.

## Hampton-McCradden

At a four o'clock ceremony in the Second Church in Newton, West Newton, Saturday, Sept. 10, Miss Eleanor France McCradden, daughter of Dr. and Mrs. Francis H. McCradden of 19 Stoneleigh road, West Newton, became the bride of Mr. Richard Dawson Hampton, son of Mrs. Richard J. Hampton of Sharon and the late Mr. Hampton. Dr. Robert Clyde Yarbrough performed the ceremony which was followed by a reception in the Young People's Parlor of the church.

The bride wore a gown of white satin with sweetheart neckline on the shirred bodice and a long train. Her long veil of illusion was caught to a cap of hand made lace, also a shoulder veil dotted with medallions of lace in snowflake pattern.

Mrs. Carlton F. Bryant, sister of the bridegroom, of Sharon, was the matron of honor. With her gown of silver-green brocade taffeta she wore a long sash of forest green transparent velvet and a matching Juliet cap. The bridesmaids, Miss Marilyn Atwater and Miss Anne Reddy, both of West Newton, wore orchid brocade taffeta with sashes of royal purple transparent velvet and matching Juliet caps.

Mr. John Spaulding of Sharon was best man. The ushers were Mr. Carlton F. Bryant, Jr., Mr. John Colaneri, Mr. Paul King, all of Sharon and Mr. Richard McCradden, brother of the bride, of West Newton.

Following a wedding trip to the White Mountains, Mr. and Mrs. Hampton will reside in Sharon, where they will be at home September 17.

The bride was graduated from Wheaton College and the Katherine Gibbs School. Mr. Hampton is a graduate of Boston University.

## Brainerd-Harding

At a four o'clock ceremony in the Newton Highlands Congregational Church, Saturday, September 10, Miss Betty Louise Harding, daughter of Mr. and Mrs. John Henry Harding, became the bride of Mr. George Winthrop Brainerd, Jr., son of Mr. and Mrs. George W. Brainerd of Newton Highlands. Rev. Frederic Grootsema performed the ceremony. A reception followed at the Newton Centre Woman's Club.

The bride wore a gown of ivory satin with a pleated skirt forming a cathedral train, and a long veil caught to a crown of family lace. She carried a satin muff with gardenias and stephanotis. Miss Ruth Clair Harding, maid of honor for her sister, wore canary yellow marquisette over taffeta with a matching hat and carried a satin muff with bronze chrysanthemums. The bridesmaids, wearing gowns of sea foam green, were Miss Ann Harding, Miss Joan McMullin, Miss Patricia Woodward, Miss Elizabeth Ballou, Miss Patricia Parsons and Miss Gloria Stephan. They also carried satin muffs with bronze chrysanthemums.

Mr. George William Juergens of Rome, New York, was best man. The ushers were Mr. Richard C. Brainerd, Mr. Martin P. Luthy, Jr., Mr. William Hubbert, Jr., Mr. Donald Houghton, Mr. Richard Melick and Mr. Robert Garrity, Jr.

The bride is a graduate of Boston University College of Practical Arts and Letters. Mr. Brainerd served with the United States Marine Corps during the war and is a member of the class of 1950 at Amherst College where he and his bride will reside.

## Weddings

### Bachrack-Marcus

Miss Brenda Lee Marcus, daughter of Mr. and Mrs. Harry Marcus of 46 Athelstone road, Newton Centre became the bride of Mr. Harold Bachrack, son of Mr. and Mrs. Irving Bachrack of Houston, Texas, Sunday afternoon, September 10 at a ceremony performed in the Hotel Lafayette, Boston, by Rabbi Leon Masovetsky.

The bride, given in marriage by her father, wore a gown of white lace with a veil of net caught to a wreath of orange blossoms. She carried white orchids and stephanotis with a satin-covered Bible. Mrs. Stanley R. Stein of Washington, D. C., matron of honor, wore white organdy and lace and carried pink and white carnations and snapdragons.

Arthur Kaufman of New York City was the best man.

Following the ceremony a dinner was served at the hotel.

The bride is a graduate of Brookline High School and Syracuse University. Mr. Bachrack was graduated from Syracuse University in June of this year. He served as a lieutenant in the Air Corps and is now employed as an assistant in production with a lumber company.

Following a wedding trip through the South Mr. and Mrs. Bachrack will make their home at Lake Charles, La.

### Brewer-Kimball

At a double ring ceremony in the Newtonville Methodist Church, Sunday, September 11, Miss Nancy E. Kimball, daughter of Mr. and Mrs. H. Stanley Kimball of 12 Bridges avenue, Newtonville, became the bride of Mr. Charles H. Brewer, son of Mr. and Mrs. Raymond D. Brewer of 242 Islington road, Auburndale.

The bride wore a two tone suit of royal blue and grey gabardine with a corsage of gardenias and white roses. She was attended by Miss Dale Morse of Natick as maid of honor who wore a beige suit with a corsage of yellow roses.

Frank Brewer, twin brother of the groom, was the best man. Mr. and Mrs. Brewer left on a motor trip to Daytona Beach, Florida where they will reside.

The bride is a graduate of the Newton High School. Mr. Brewer served four years with the U. S. Navy in the South Pacific area. He is now employed with the Hudson Company in Daytona, Florida.

### Hanley-Foley

At a double ring service in Mary Immaculate of Lourdes Church, Newton Upper Falls, September 4, Miss Alice Elizabeth Foley, daughter of Mr. and Mrs. Albert R. Foley of Sawmill Brook Parkway, Oak Hill, became the bride of Mr. Leonard Martin Hanley, son of Mr. and Mrs. Joseph R. Hanley of Waltham. Rev. Edmund McLaughlin performed the ceremony.

The bride wore a princess style gown of white satin and Chantilly lace with long pointed sleeves and long train. Her fingertip veil of tulle and Chantilly lace was caught to a crown of seed pearls and she carried a satin prayer book with a white orchid, baby's breath and stephanotis. Miss Rose Ann Foley sister of the bride, was her maid of honor. With her gown of yellow taffeta she wore matching mitts and carried an old fashioned bouquet of red roses.

Mr. Peter Yrossi served as best man. Mr. and Mrs. Hanley will make their home at 34 Harvard street, Waltham.

The bride is a graduate of the Newton High School. Mr. Hanley, a Navy veteran, attended the Waltham High School.

North Carolina's commercial fishermen gross over \$8,000,000 annually.

## Gardner-Stedfast

Woodwardia ferns, white stock and gladioli formed the setting for the 8 o'clock candlelight ceremony in the Union Church, Waban, Saturday evening, September 10, when Miss Edith Mary Stedfast, daughter of Mr. and Mrs. Stanley Wilton Stedfast of 42 Annawan road, Waban, became the bride of Mr. Charles Adrian Gardner, son of Mr. and Mrs. Virgil Wade Gardner of Cleveland Heights, Ohio. Rev. Joseph Cony MacDonald performed the ceremony and a reception followed at the Waban Neighborhood Club.

The bride was given in marriage by her father. Her gown was of palest ivory satin with high neckline, fitted bodice with draped front and long tight sleeves, a bustle back and full skirt with a long train. She wore her mother's wedding veil of heirloom lace and carried a cascade bouquet of gardenias and stephanotis. Mrs. Philip Jacobs, sister of the bride, of Coral Gables, Florida, was matron of honor. Another sister, Miss Nancie Stedfast of Waban was the maid of honor. They wore off-the-shoulder gowns of gold satin with matching mitts and headbands and carried cascade bouquets of bronze chrysanthemums and English ivy.

The bridesmaids were Mrs. Robert Gardner of Tucson, Arizona, Miss Cornelia Dowd of Waban, Miss Jane Wogan of Newton, Miss Katherine MacLure of Newtonville, Miss Evelyn Hesse of Needham and Miss Martha McAlpin of West Berne, New York. Their gowns fashioned like those of the honor attendants, were of green satin and they carried cascade bouquets of gold chrysanthemums and variegated English ivy.

Robert W. Gardner, brother of the bridegroom, of Tucson, Arizona was best man. The ushers listed headed by Philip Stedfast of Belmont, cousins of the bride, included Philip R. Jacobs of Coral Gables, Florida, Donald S. Daniels of Adams, Mass., Robert M. Thomson of Stamford, Conn., John R. Dunlap, III, of New York City, Peter G. Loveland of Cleveland, Ohio, Orton H. Hicks of Long Island, N. Y., Theodore Welles, of Cleveland, Ohio and Joseph Hendrich of Shaker Heights, Ohio.

Mrs. Stedfast chose a gown of beige crepe with lace bodice for her daughter's wedding. Mrs. Gardner wore grey tissue faille.

Following a wedding trip to Canada Mr. and Mrs. Gardner will reside on Wigwam Circle, Hanover, New Hampshire.

The bride attended the Beaver Country Day School and was graduated from Colby Junior College with the class of 1949. Mr. Gardner is a member of the class of 1950 at Dartmouth College. He is a member of Delta Tau Delta fraternity and served with the Navy for two years.

## Salvation Army Service Fund Committee to Be Formed Here

General chairman Dwight D. Colburn has announced the formation of the Newton Service Fund committee which will serve the local needy with funds derived from The Salvation Army Greater Boston Appeal now underway in Newton.

The committee, comprised of local citizens, will give immediate assistance, without red tape, regardless of race, creed or color.

Dental and medical assistance, in addition to providing food, clothing and fuel are only a few of the variety of services capable of being performed by the committee.

A portion of the funds obtained from the gross receipts of the Newton Appeal of the Army's \$457,000 campaign will be retained locally for committee's use, with the remaining going into the Greater Boston fund.

Forty-six cities and towns will be contributing only two-fifths of the funds required to support such Army institutions as the Evangeline Booth Home for unmarried mothers, the Booth Memorial Hospital, Camp Wonderland and the Missing Person's Bureau.

Committee members are: Roy S. Edwards, chairman; William M. Cahill, treasurer; Mrs. Lucille Palmer, Newton-Wellesley Hospital; Emily W. Hilsey, Newton district court; E. T. Dungan, of City Hall; Catherine S. Holden, Family Service Bureau; James P. Reynolds and Mrs. Elizabeth Miller, Newton school nurse.

## Farm and Trade School Reopens

Only one slight change has been made in the teaching staff of the Farm and Trade School on Thompson's Island according to an announcement made this week by Headmaster William M. Meacham as the school prepares for another year.

Dr. John B. Cook, principal of the academic department, will take over the mathematics courses which have been formerly taught by Headmaster Meacham. Dr. Cook will be assisted by Mr. Charles A. Tracy and Miss Jean F. Baird.

No other changes have been made.

Mr. and Mrs. Irving Bartholomew and children, Stearns street, returned Sunday from a two week vacation at North Truro.

## Chief Warns On Bicycle Riding

"Now that fall is approaching, vacations are over, and practically everybody is home again, our youngsters are out in full force on their bicycles," Chief Philip Purcell of the Newton Police Department said.

"A good bicycle rider:

(a) Stays off the street until he can ride well.

(b) Keeps to the right, in close to the curb.

(c) Rides in as straight a line as possible without weaving in and out.

(d) Obeys all the traffic rules just as the automobiles do, uses hand signals when stopping or turning.

(e) NEVER carries another boy or girl on his bicycle.

(f) NEVER holds on to a wagon or automobile.

(g) At night, carries a light in front, and either a light or reflector in the rear.

(h) Checks brakes regularly to see that they are in good condition.

(i) Does not ride on the sidewalk.

(j) Has consideration for other bicyclists and motorists.

"Do these things and be a SAFE bicycle rider."

## Tennis

(Continued from Page 1)

In the second round W. Powers and A. Rogan defeated J. Byrne and J. Byrne 6-1 and 6-0. C. Hill and G. Farrin defeated H. Blue and J. Kieran 6-3, 6-2, and 6-2. J. Fox and E. Hunter defeated H. Brousseau and G. Ellis 6-4 and 6-0. M. Hill and H. Johnson defeated T. McManus and H. Tapley 6-2 and 6-2.

The semi-finals and finals will be held this Saturday, at 2 p.m. on the Newton Y.M.C.A. courts. W. Powers and A. Rogan will play C. Hill and G. Farrin. J. Fox and E. Hunter will play M. Hill and H. Johnson in the semi-finals.

James K. Polk is the only Speaker of the House of Representatives to be elected later to the Presidency.

**DAMON AND PYTHIAS** epitomized friendship, but no greater friend has any fellow than Walter Berthiaume, Jr., 14 (in bed) whose pal, Carl Johnson, 13, (left) took over his newspaper route and raised \$75 for him when polio sent Walt to the Children's Hospital one month ago. Both boys live on Thatcher St., Hyde Park. Nurse Katherine Edgelow of Springfield, Mass., helped count the money.

## A Lesson In Friendship

Damon and Pythias never sold newspapers nor was one of them crippled by polio like 14-year-old Walter Berthiaume, Jr., but the loyalty and friendship of his pal, 13-year-old Carl Johnson parallels that of the immortal Greek friends.

Walter and Carl both live on Thatcher street, in Hyde Park, Mass., where they have newspaper routes. They had always been close friends and business rivals. Throughout the summer freckled-faced Carl and curly, black-headed Walter tried to outdo each other in the newspaper delivery business. Handsome, athletic Walter gained a slight edge on his younger friend.

But, one month ago today Walter was stricken with infantile paralysis while delivering his last morning newspaper. The strong, sturdy egg which carried him up and down stairs and over backyard fences on his newspaper route were suddenly sapped of their power. The strong arms that scored a homer and two singles the day before hung limply by his sides.

Walter was a very sick youngster when they brought him to the Boston Children's Hospital from the home of his grandmother, Mrs. Elizabeth Eagan of 22 Thatcher street, Hyde Park, with whom he lives.

Things looked pretty black for the hard-working, ambitious youngster. He had made "big plans" for Grandma Eagan and himself when his newspaper "got really rolling." He also had big plans at school this fall.

Smiling courageously Walter told doctors at the hospital that he had to get well "real soon."

"I have newspaper business to attend to and I want to setup a baby-sitting service this winter. Grandma needs my help. And what's more I wanna see Ted Williams and the Red Sox beat the daylights out of the Yanks," Walter said.

But what Walter didn't know was the fact that his buddy and rival Carl Johnson, the son of Mr. and Mrs. Henry Johnson of 30 Thatcher street, had taken over Walter's newspaper route for him. At the same time, Carl setup a one-man campaign on his route to raise funds for his polio-stricken

friend. Spruced up in his Sunday suit with his hair neatly slicked back, freckled-faced Carl walked into the Children's Hospital yesterday with his newspapers under one arm and a large bundle in the other. He told hospital officials that he wanted to see his buddy, Walter Berthiaume in Ward 9.

Carl strode up to Walter's bed and said, "Hi, Walt. I got a little present for you."

When Carl unwrapped his bundle, Walter gazed unbelievably at the large glass bowl stuffed with bills and coins of all denominations. He looked up at Carl and grinned.

"Folks around home think a lot of you, Walt," said Carl. "They well. If it ain't enough, I'll get well. It ain't enough, I'll get some more."

Nurse Katherine Edgelow of Springfield, Mass., who witnessed the presentation, reported that Walter was flabbergasted.

"Tears appeared in his eyes, but big boys don't cry," she said. Once their embarrassment waned the two youngsters talked a blue streak about "cabbages and kings" and all those things dear to the heart of boys. Tidbits of home-town gossip tumbled over the ward mingling with astute comments from nearby polio patients.

Taking a deep breath, Carl came up with the big pitch. "When are you coming home, Walt?"

"Soon, I hope," the sick boy replied. "Soon as my legs get better."

"How long does that take, Walt?"

That's the \$64 question in the life of young Walter Berthiaume, Jr. Most of the paralysis has disappeared except in his legs. Only time and expert medical care and treatment will answer Carl's question.

"Never mind how long it takes," Carl said, "You've got yourself a partner. Shake, Bud."

Carl left the bedside of his friend quickly—because big boys don't cry.

What neither boy knows is the fact that Walter Berthiaume's bill at the Children's Hospital is being paid by the National Foundation for Infantile Paralysis, Suffolk County Chapter.

## Education

(Continued from Page 1)

Mr. Peltier describes his primary professional interest as "education for citizenship" and has worked extensively in this field with Professor John J. Mahoney of Boston University.

Mrs. Stanbrough Fernald is chairman of hospitality for the League meeting. Tea will be served following the discussion.

**Pie Juice**  
A stiff egg white mixer, with the required sugar and flour and then combined thoroughly with the fruit will control the juice in a berry or rhubarb pie. The juice will remain inside the pie instead of bubbling over.

**Labeled Garments Save Arguments**

When the children go back to school, the mortality rate on gloves, shoes and boots goes sky-high. Name tags will save ownership arguments at home and to school. Rubber stamps bearing a child's name will help identify other articles.

When metal tips come off shoe strings, dip the exposed ends in clear nail polish or varnish, twist and let harden.

The perfect answer for mending torn places in rubbers, galoshes and boots is a bit of auto tire patch.

When sweaters are no longer usable as such, they can be unraveled and made into mittens. Make an extra mitten for each pair.

New York led the nation in paper and paperboard production in 1946.

The violet is America's most popular choice for state flower. It is recognized as such in Illinois, New Jersey, Wisconsin, and Rhode Island.

## A Shopping I Would Go!

By DOROTHY LANE

Bedlam, confusion, bells ringing and then peace and quiet. Yes, the children are back in school, the daily chores are completed without interruption and leisurely shopping is in order. Fall housecleaning lurks its shadow on the horizon but there is always a silver lining to lighten the day. A Shopping Tour in Newton which is always a pleasure. The children's school needs are taken care of - now it's time to pick up replacements and new items for the home. While you're at it - don't you think it's time Mother treated herself? Whether frivolous or practical it can be found when you SHOP IN NEWTON.

## G. R. Ware, Jeweler

256 Washington Street  
Newton Corner  
Bigelow 4-5026

A clean sweep at drastic markdowns and at just the right time, during your new-found leisure, now that the children are back in school. G. R. Ware has marked 1/2 to 1/2 off all the merchandise in the store that is allowable under the Federal Fair Trade Act.

Their experience in previous sales has created such an interest that many calls for the sale items were received for weeks afterward. Now don't get us wrong - we're not boasting - we merely want to bring out the fact that when G. R. Ware has a "sale" they mean "SALE" in every sense of the word. The original tag is left on the merchandise and the sale price is written below so you can tell at a glance how much savings there is.

It's not too early to start on your "gift giving hunt" for the coming holidays and the "entertaining accessories" so essential to the charming hostess.

Two full weeks of Savings starting September 19th and going on through October 1st. Don't wait! Follow the budget-wise shoppers to G. R. Ware's and take advantage of this CLEARANCE SALE.

## Recent Deaths

## Charles Gilman

Charles Gilman of 16 Park avenue, Newton, treasurer of the liquor distributing firm of Chas. Gilman & Sons of Boston, died suddenly Sunday at his home. He was in his 59th year.

Mr. Gilman, a native of Russia, came to this country 45 years ago. He was active in affairs of Temple Emmanuel, Newton Centre, and was a leader in Associated Jewish Philanthropies.

He leaves his wife, Mrs. Cecilia Gilman; five sons Samuel, Arthur, David, Stephen and Elliott, all of Newton; a brother, Julius W. Gilman of Medford, and two sisters, Mrs. Ida Kadis of Dorchester and Mrs. Eva Slatz of Paris, France.

Funeral services were held Monday at 3 o'clock in the Levine Chapel, Brookline. Burial was in West Roxbury.

## Nathan Levin

Funeral services for Nathan Levin of 18 Alderwood road, Newton Centre, who was killed when his car collided with a truck in Sturbridge Tuesday, were held Wednesday afternoon at 2 o'clock at the Levine Chapel, Brookline.

Mr. Levin, vice-president of the H. Schift Shoe Company in Boston, was born in Philadelphia and had been a resident of Newton for 10 years. He received his education in the Boston schools and was a graduate of the Boys' Latin School.

He leaves a wife, Mrs. Bessie

Levin; two sons, Harold and Philip Levin; his mother, Mrs. Sara Levin of Brighton; a brother, Lew Conrad of Brookline, and a sister, Mrs. Frances Scheft of West Newton.

## Martha E. Aston

Funeral services for Mrs. Martha E. Aston, wife of the late Albert E. Aston, of Newtonville, were held this afternoon at 3 o'clock in the Newton Cemetery Chapel.

Mrs. Aston died Monday, September 12. She was in her 80th year and was born in Staffordshire, England. She came to this country 39 years ago and had been a resident of Newton 27 years.

She leaves two sons, Stanley H. of Newtonville and William A. Aston of West Newton, and two daughters, Mrs. Vida E. Ames of New York and Mrs. Florence Fawcett of England.

## DEATHS

ASTON—On Sept. 12 at Newtonville, Martha E. Aston, wife of the late Albert E. Aston.

BACKER—On Sept. 13 at Waban, Ole C. Backer, husband of the late Gertrude M. Backer, of 159 Oliver Road.

BROOKS—On Sept. 7 at West Newton, Walter Edwin Brooks, husband of the late Josephine (Trask) Brooks, of 48 Adella Avenue.

CARVER—On Sept. 11 at New-

ton, Mary E. (Pitt) Carver, wife of Allen F. Carver.

CUTLER—On Sept. 13 at Newton Centre, Clara Elizabeth Cutler, wife of the late George H. Cutler.

DELONG—On Sept. 14 at Newton Centre, Charles E. DeLong of 142 Morton Street.

DONALDSON—On Sept. 7 at Newton Upper Falls, Thomas J. Donaldson of 50 Oak Street.

DONOVAN—On Sept. 10 at Newton, Katherine Donovan, daughter of the late James and Ellen (Carey) Donovan, of 128 Boyd Street.

GILMAN—On Sept. 11 at Newton, Charles Gilman, husband of Cecilia Gilman of 16 Park Avenue.

GORMAN—On Sept. 11 at Newton Highlands, Mary E. Gorman, daughter of the late Edward and Mary E. Gorman, of 15 Circuit Avenue.

Co. No. 8594.

## Recreation Needs In City Stressed

Inspired by the attendance at the Newton twilight league baseball banquet that he has supported for twenty years, Harry Gath, Jr., candidate for alderman from Ward 2 for this year's city election, "sounded off" when he met with his committee at his home 600 California St., Newtonville, this week.

Emphasizing the need of an expansion of the recreational program in Newton because of the increasing growth of the city in new home owners as well as playground facilities serving the younger element throughout the city, particularly at Cabot Park and the new Albernarle playground, two of the largest areas in the city located in Ward 2, Mr. Gath said, "The assembly of Newton citizens at this sports night feature, sponsored by our own city controlled recreation department should give ample proof that the sports program in Newton needs immediate expansion. As one who has been interested in this activity for 20 years I feel fully qualified to speak my mind regarding such expansion."

"Cabot and Albernarle playgrounds are the two largest in the city, both located in Ward 2. They serve both youngsters and adults alike as Newton families who want to play at whatever sport or recreation they desire even if it is only parking on benches to enjoy the fresh air allowed them. These wide open fresh air areas serve mothers and 'baby sitters' who are pushing baby carriages."

"Certainly, Mayor Lockwood and all the city fathers and state legislators who attended must have been impressed with the interest Newton citizens and young-folk have in this one activity city-wide baseball but there are thousands of youngsters who do not play baseball, particularly the female gender. As I told the Newton League of Women Voters my most important platform as a candidate for alderman from Ward 2 is the building of a swimming and wading pool at Albernarle playground. I notice that recreation commissioner Johnson is going to investigate the situation in New Orleans while there at convention. Naturally, New Orleans built below the Mississippi river level had a far different situation to solve than Newton with its Charles River polluted beaches. I asked once and I ask again that Mayor Lockwood assign the proper representatives to visit the areas of the Charles River and the Merrimack to establish facts that apply to Newton for such a development."

"Further, as I told the League of Women Voters the recreation commission itself has registered complaint about the convenience station facilities at the playgrounds to protect the health of youngsters and oldsters alike. Definitely, in Ward 2 at the two largest playgrounds in the city this need is immediate. As your alderman from Ward 2 I also propose an increase in expenditures for the purchase of playground paraphernalia and equipment. Why should Newton have to depend upon private interests to make donations for such purposes? In addition, if the so-called recreation development of Newton's youth were sincere in their attendance at the baseball banquet and knew the playing conditions of the various ball fields they would know that additional maintenance crews are needed to improve the Cabot Park while Albernarle has hardly been grounded sufficiently well for such games. My appeal is to the citizens of Ward 2 to register their interest in the Newton sports and recreational program Tuesday, November 8 by electing me to the board of Aldermen."

"So Mayor Lockwood chose to adopt the slogan 'every pledge kept.' Let's look at the record and I refer to his own political advertisement appearing Oct. 2, 1947. In that advertisement, he enumerated 12 principles that he would have in 'Lockwood's specific platform.'"

"First was a full time mayor with an open door policy. Ask the hundreds of Newton taxpayers, home owners, business men and even his own city workers if they haven't received the 'brush off' in the mayor's office because he was too busy or to be truthful about it 'out-of-town.' Another of his planks was the appointment of a city purchasing agent. What's been done about it? Nothing. Why even a paper salesman has to see about every department head in order to do business in Newton with no centralized purchasing system even for that minor item. He made reference to the school building program. Yet, only the other day he appeared in the public press with a 'dream child' idea of needing a 10-story department store, bank, theatre and parking area in Newton Centre to replace the Mason school in order to raise tax valuation funds so that additional school buildings could be erected. Whimsical I call it. Everybody knows the value of Newton's educational system but the so-called 'master plan' of school building is taxing the minds and hearts of mothers and fathers whose children are unaccommodated because of the lack of funds. Mayor Lockwood should have seen coming even while he was chairman of the finance committee of the board of aldermen. I'll say this for him, there is one promise he has kept, namely, the establishment of the municipal research library which definitely means an increased cost to the city when such information is readily available not only from the Newton Taxpayers Association but should be from our own library administration. When he says, 'a fair deal for all city employees' I raise a definite negative that I will elaborate on later and then to his 'dozen' packages of 'what I will do and I quote.' Continued sound city financing, maintenance of a reasonable tax rate consistent with fair valuations, sensible and efficient spending, I ask why the immense shrinkage in the heavy surplus he inherited and terrific increase in

**PRETTY DEL DORNE**, Queen of the Czechoslovak Trade Fair, which has opened at the new John Hancock building, Boston, models an unusual paisley-designed fabric of printed cashmere. It is made of the sheerest wool. In her blonde hair, Vel wears a handmade flower created by Czech women.

## Janse Steps up Campaign Following Filing of Papers

With the filing of his nomination papers for Mayor of Newton, John A. Janse, 26 Greenwood avenue, Newton Centre, "stepped off" city hall steps with a positive declaration that he would take and give no quarter between now and election day, Tuesday, November 8, in exposing the so-called "every pledge kept" program of his opponent, Mayor Theodore R. Lockwood.

Answering Mayor Lockwood's public statement of last week, Mr. Janse said, "The combination of a forgettable memory and false claims is hard to beat but in my opinion the 'free thinking' citizens of Newton cannot be bamboozled, hoodwinked or kidded that Mayor Lockwood's 'every pledge kept' is true. His public statement would give an unthinking taxpayer or rent payer that he was the first citizen of Newton just as if other capable citizens of Newton had never occupied the front office at city hall. False gods also perform like marionettes controlled by strings, political I mean, and like Charlie McCarthy they speak when they are spoken to. That kind of ventriloquism will not happen during my administration. To date I have advised my '49ers' organization that I have made no promises to anyone. Nobody is dictating to me and I will not be dictated to."

"So Mayor Lockwood chose to adopt the slogan 'every pledge kept.' Let's look at the record and I refer to his own political advertisement appearing Oct. 2, 1947. In that advertisement, he enumerated 12 principles that he would have in 'Lockwood's specific platform.'"

"First was a full time mayor with an open door policy. Ask the hundreds of Newton taxpayers, home owners, business men and even his own city workers if they haven't received the 'brush off' in the mayor's office because he was too busy or to be truthful about it 'out-of-town.' Another of his planks was the appointment of a city purchasing agent. What's been done about it? Nothing. Why even a paper salesman has to see about every department head in order to do business in Newton with no centralized purchasing system even for that minor item. He made reference to the school building program. Yet, only the other day he appeared in the public press with a 'dream child' idea of needing a 10-story department store, bank, theatre and parking area in Newton Centre to replace the Mason school in order to raise tax valuation funds so that additional school buildings could be erected. Whimsical I call it. Everybody knows the value of Newton's educational system but the so-called 'master plan' of school building is taxing the minds and hearts of mothers and fathers whose children are unaccommodated because of the lack of funds. Mayor Lockwood should have seen coming even while he was chairman of the finance committee of the board of aldermen. I'll say this for him, there is one promise he has kept, namely, the establishment of the municipal research library which definitely means an increased cost to the city when such information is readily available not only from the Newton Taxpayers Association but should be from our own library administration. When he says, 'a fair deal for all city employees' I raise a definite negative that I will elaborate on later and then to his 'dozen' packages of 'what I will do and I quote.' Continued sound city financing, maintenance of a reasonable tax rate consistent with fair valuations, sensible and efficient spending, I ask why the immense shrinkage in the heavy surplus he inherited and terrific increase in

**JOHN A. JANSE**

city debt.

"As to his promise of 'broadening and improvement of the recreation program' I definitely deny that he has accomplished either of them. What about the pollution of the Charles River beaches? What move has he made toward curing that situation? He's had 20 months to do something about it! What's happened? Nothing. The 'long range planning board' he referred to in Oct. 1947, may be working but Newton's 'free thinking' citizens are not expecting Mayor Lockwood to be in office sufficiently long to see such a plan accomplished. They want action NOW! In my administration they will get it."

## DO YOU KNOW THAT...

Claims for unemployment compensation in Massachusetts have dropped 26 per cent since the peak late in June and are the lowest since the middle of April, the Division of Employment reports. For the week ending September 3 the total claim load had dropped to 146,508, compared with 198,339 for the week ending July 2. Each week in this period has shown improvement. Federal tax reports for the fiscal year 1948 show Massachusetts as the second largest state in production of pistols and revolvers, third largest in output of sporting goods and third largest consumer of coconut and other processed vegetable oils. The Commonwealth, with 3.30 per cent of the nation's population, paid 3.53 per cent of the Federal income and profits taxes. During the turnpike era in Massachusetts, which began in 1796 and ended with the advent of railroads about 1850, approximately 1,000 miles of toll highways were privately built, with an investment estimated at \$2,379,000. These turnpikes made the framework of the Commonwealth's present highway pattern. The U. S. Department of Commerce estimates the total cost of all new construction started in Massachusetts during the first half of 1949 was \$207.5 million, an increase of 8 per cent over the same period in 1948. Private construction was off 7 per cent, but public work increased to \$59.7 million, a gain of 66 per cent over last year. The Groton planning board has prepared, for submission to the voters, a comprehensive zoning bylaw for the protection of the town.

"Further, as I told the League of Women Voters the recreation commission itself has registered complaint about the convenience station facilities at the playgrounds to protect the health of youngsters and oldsters alike. Definitely, in Ward 2 at the two largest playgrounds in the city this need is immediate. As your alderman from Ward 2 I also propose an increase in expenditures for the purchase of playground paraphernalia and equipment. Why should Newton have to depend upon private interests to make donations for such purposes? In addition, if the so-called recreation development of Newton's youth were sincere in their attendance at the baseball banquet and knew the playing conditions of the various ball fields they would know that additional maintenance crews are needed to improve the Cabot Park while Albernarle has hardly been grounded sufficiently well for such games. My appeal is to the citizens of Ward 2 to register their interest in the Newton sports and recreational program Tuesday, November 8 by electing me to the board of Aldermen."

"So Mayor Lockwood chose to adopt the slogan 'every pledge kept.' Let's look at the record and I refer to his own political advertisement appearing Oct. 2, 1947. In that advertisement, he enumerated 12 principles that he would have in 'Lockwood's specific platform.'"

"First was a full time mayor with an open door policy. **PINE NEEDLE MULCH**  
A mulch of pine needles has been found especially good for garden peas. The needles are excellent for keeping roots cool and thus prolonging the bearing season of the plants, and also keep down weeds.

## Asks Citizens To Cooperate

In a joint statement, Mayor Theodore R. Lockwood and Police Chief Philip Purcell, local chairman of the Massachusetts Mayor's current coin box campaign, to aid in the development of the Children's Medical Center, requested that all citizens "contribute generously to the humanitarian cause."

Pointing out that the coin box campaign was designed to "help speed the day when childhood diseases would be conquered," the statement continued:

This universally acclaimed hospital, for 60 years, has filled the role of "emergency ward" for children everywhere. Race, creed or color means nothing to the renowned doctors who pool their knowledge and skills that children may live. All their interests are centered in the sick child.

"After eight decades of service, the hospital now turns sick children away. They must wait weeks or months for the specialized care that cannot be obtained anywhere else in the whole world."

"As these demands grow, the need for the Children's Medical Center no longer is just important — it is urgent! And not merely in Boston — but in Massachusetts, New England, the nation, and the world."

"Prevention, control, and care of disease through scientific research, besides observation, and the teaching of doctors, nurses and others are the primary aims of the Children's Medical Center."

"Great medical contributions will come of this undertaking — even greater than the invention of the iron lung... more startling than arresting leukemia by chemical means... more revolutionary than the surgical heart techniques... and more and more of the diagnostic techniques and surgical treatments which sets a world pattern for the salvage of children's lives."

"Children's Hospital, recognized since 1931 as the only general hospital for children in the United States, must have the new Children's Medical Center to keep faith with children here and everywhere."

"Wherever you see a coin box, a replica of the Children's Medical Center, drop in some change. Your kindness will provide specialized medical attention for some unfortunate child."

Entered as second-class matter May 3, 1946, at the Post Office at Boston, Mass., under the Act of Congress of March 3, 1879.

## M'Cormack-Theriault

In St. John the Evangelist Church, Newton, Saturday morning, September 10, Miss Arlene Theriault, daughter of Mr. and Mrs. J. Edward Theriault of Newton, became the bride of Mr. Alan MacCormack, son of Mr. and Mrs. Hugh MacCormack of Newton. Rev. Robert Julian performed the double ring ceremony.

Given in marriage by her father, the bride wore a gown of white satin with fitted bodice and court train. Her veil of French illusion was caught to a crown of lilies of the valley. She carried a prayer book adorned with a white orchid and stephanotis.

Attending the bride as matron of honor was her sister, Mrs. Paul Lennon of Newton who wore a gown of gold faille with a bibbed yoke and stand-up collar. Wearing similar gowns in datia and green were the bridesmaids, Miss Annette Theriault of Newton, sister of the bride, Miss Ruth MacDonald of Watertown, cousin of the groom, Miss Bernice Greelish of West Newton and Miss Mary MacCormack, sister of the groom. They carried bouquets of shaded asters.

Mr. Douglas MacCormack of Brookline, brother of the groom, was best man. The ushers were Mr. Robert Hanlon, Mr. Francis Theriault, brother of the bride, Mr. Paul Lennon, brother-in-law of the bride, all of Newton and Mr. Alan MacDonald, cousin of the groom, of Watertown.

A reception at the Hotel Beaconsfield followed the ceremony. Music was by the hotel orchestra. Assisting the bridal party in receiving were the parents of the bride and bridegroom.

The bride and groom are both graduates of the Newton High School. Mr. MacCormack served with the Navy in Japan and is now employed by the Federal Reserve Bank of Boston.

On their return from a wedding trip through upper New York State, Mr. and Mrs. MacCormack will reside in Newton.

## Simmons-Going

In the Second Church, West Newton, Saturday, September 10, Miss Eleanor Estelle Goring, daughter of Mr. and Mrs. Percy I. Goring of 98 Auburndale Avenue, West Newton, became the bride of Richard Bryan Simmons, Jr., son of Mr. and Mrs. Richard B. Simmons of 191 Newtonville Avenue, Newton. Rev. R. Clyde Yarbrough performed the double ring ceremony which was followed by a reception in the assembly hall of the church.

Given in marriage by her father, the bride wore a gown of white satin with a lace collar and petal cuffs. Her fingertip veil of rosepoint as caught to a lace cap and she carried a cascade bouquet of white gladioli and stephanotis. She was attended by Mrs. Robert Esterberg of Newton as matron of honor who wore pale blue taffeta with mits and a matching headress. Her bouquet as of red roses and stephanotis.

Mr. Hugh Hutton, Jr. of Holyoke was the best man. The ushers were John Colville, Jr. of Waltham and Barrows Whittemore of Newton.

Ivar L. Sjoström was the organist and Wallace Hutton of Holyoke the soloist.

Mrs. Goring chose a gown of grey crepe with blue accessories for her daughter's wedding. Mrs. Simmons wore aqua crepe with brown accessories.

Mr. and Mrs. Simmons will reside at 240 Harvard Circle, Newtonville.

The American Red Cross annually spends more money in behalf of servicemen than any other organization except the military establishment itself.

## Social Security

What happens to the money you pay for Old-Age and Survivors Insurance? From each dollar of your wages (up to \$3,000 a year) one cent is deducted for Old-Age and Survivors Insurance. Your employer matches your payment, penny for penny.

This money goes to the Old-Age and Survivors Insurance Trust Fund. Some of the money in the Trust Fund is used to pay current monthly benefits to retired wage earners and their families and to families of wage earners who died. More than \$50,000,000 in benefits is paid to about 2½ million persons every month.

A small part (about 2% of receipts) pays the cost of operating the Old-Age and Survivors Insurance program.

The rest of the money is invested in Government bonds as a reserve to help pay for future benefits.

## Friendly Thoughts

While we are fighting for our place upon the broad unsmiling highway of our daily struggles, are we neglecting the quiet little friendly paths to a smiling Peace?

A trained staff. Modern facilities. Transfer arrangements from nearby or distant points. Respectful attention to every requirement.

## APARTMENTS WANTED

## Dinner Marks Opening Of 'Sally' Drive Here

The Newton Division of the Salvation Army's Greater Boston appeal for funds, marked the opening of its house-to-house and business-to-business canvass with a kick-off dinner in the Normandie Room, Norumbega Park, Thursday evening.

About 150 men and women were present, including Mayor Theodore R. Lockwood who is actively cooperating in the promotion of this eminently worthy cause in which more than 1,000 Newton volunteer workers are engaged.

Colonel William H. Fox, chief executive of the Salvation Army in New England, was the principal speaker. Also present were Mrs. Andrew Y. Atwell and John M. Russell, co-chairmen of the Metropolitan division, W. A. Nicol, executive director, and many prominent Newton people in whose charge will be the immediate direction of the local drive, itself.

"Newton's quota," said Dwight Colburn, "is \$20,000. I am firmly convinced that we will not only reach it, but exceed it. And I'm

justified in saying that. Because, as we go into this campaign, I sense in all our workers, the spirit, determination and energy that are always present in every enterprise that is successful. With these three vital ingredients so evident in our organization, I know we'll be able to say, when the drive ends, that Newton has done a good job again!"

## West Newton Community Center Rummage Sale

The annual Fall Rummage Sale, under the auspices of the Centre Building Association, will be held in the Davis School on Tuesday, October 4. Mrs. Frederick Wells is chairman of the sale and she is being assisted by Mrs. Arthur Williams and Mrs. Sidney Sholley as well as members of the Board of Directors of the West Newton Community Centre, Inc., a red leather service. Proceeds of this sale are to go toward the building funds for a new community center building. As always, clothing, furniture, toys, and bric-a-brac will be available.

DR. HANS WAITE, just appointed medical director of the New England Arthritis and Rheumatism Foundation, whose headquarters are in Boston. Born in Germany, Dr. Waite has studied here and abroad. He was assistant clinical professor at the University of California Hospital and was engaged in private practice in the field of rheumatic diseases for seven years in California. Waite formerly resided at 6 Ledge-wood Road, Winchester, and currently makes his home at 238 Chestnut Street, West Newton.

## FIESTA WILL MARK 60th TRINITY ANNIVERSARY

Plans for Trinity Church's FALL FIESTA continue apace as time draws near for this much anticipated annual fair, scheduled for Friday, September 23 and Saturday, September 24. It also marks the 60th anniversary of Trinity Parish which has played an important part in the life of the community. Started 60 years ago by a handful of devoted men and women, the church membership numbers 600 families and occupies one of the most beautiful Gothic structures in the country.

An unusually fine program for the concert on Friday night, by the Highland Glee Club features two soloists—Janet Wheeler, soprano, who will sing with the Club for the first time, and Edgar M. Randle, tenor. Miss Wheeler will be accompanied by Samuel Walter, organist at Trinity Church. Ushers directed by Mrs. David C. Dittmore, include Miss Mary Dittmore, Miss Cora Wyman, Miss Janet Wyman, Miss Sally Cummings and Miss Joan Eaton.

Miss Ann Underhill in charge of the Doll Show will be assisted by Pauline Anderson, Hope Duguid, Zandra Goodale and Deborah Robeson. Mrs. A. Harry Hutchinson is in charge of the Parcel Post Show. The Young Adult Group, selling Ice Cream and Tonic, will be headed by Mr. Stephen Dickinson. The Country Store will be under the management of the Vestry and the Men's Club, headed by Dr. Harold E. Tingley.

The Young People's Fellowship have been making plans for an auction where articles described as "Antique, Unique and Practical" have been collected by Tom Lyndon, Bob Jauregui and Bill Underhill.

On the lawn will be the Flower Cart presided over by Mrs. Melville D. Liming and Mrs. Sidney S. vonLoesecke. Mrs. Ralph L. Morse will direct the sale of Hot Dogs. The Luncheon, which will be served both days, is being planned and served by a staff headed by Mrs. Wilbur J. Stover and Mrs. James D. Blackall. Coffee and Donuts will also be on the lawn and will be served by Mrs. Ralph E. Houghton and Mrs. F. Hopewell Underhill, co-chairman with the help of Mrs. Howard R. Dunbar, Mrs. J. L. Dudley and Mrs. Charles E. Bailey. Appointments for Handwriting and Fortune-telling will be made through Mrs. Herbert T. Anderson. In Trinity House, decorated by Mrs. Albert H. Heganauer and Mrs. Alex McFarland, with new signs and directories made by George West, will be found the Household Department, headed by Mrs. Irving W. Carney and Mrs. Frederick D. Robinson.

There will also be the Book Stall, the Sweet Shop, and Gifts are in charge of Mrs. Frank H. Colony, chairman; Mrs. John M. Colony and Mrs. A. Gordon Wein, vice-chairmen. Catering to the Tots Shop will be Mrs. Amos Kent and Mrs. Walter McNally, co-chairmen, and a corps of assistants.

The Supper, served Friday night only, will be planned, cooked and served by Mrs. Edmund Perry and Mrs. M. Fletcher Eades with their helpers. The Food Table will be stocked by Mrs. Harold E. Tingley and Mrs. Walter D. Stewart, assisted by Mrs. Joshua Brown, Mrs. Earl Davis, Mrs. Stephen Burke, Mrs. William Gersumky, Mrs. James Gibson, Mrs. Leo Handy, Mrs. Charles Houghton, Mrs. Elmer

Kling, Mrs. Philip Miller, Mrs. Frank Rowbotham, Mrs. S. Belmont Segar, Mrs. Walter Tibbetts and Mrs. Allan Young.

Mrs. Henry T. Patch is in charge of all tickets and Mrs. Elvyn K. Mentzer is the general chairman under whose capable leadership this Bazaar is taking place.

## Few Small Jobs Make Light of Housecleaning

Many a little trick takes the glimmer out of regular housecleaning. For example, frequent dusting of fabric lampshades with dough-type wallpaper cleaner will prolong their fresh, new look. Knead the cleaner smooth, use it lightly, same as you would on walls.

Dust walls often with a regular wall duster or a feather duster, never a mop or a cloth which will have streaks.

A clean dust cloth and wallpaper cleaner will keep your window shades bright. Remove small spots or finger prints with an art gum eraser. If the shades are guaranteed washable, dampen the cloth, then wipe from left to right with a mild cleaning solution. Work fast and hang the unrolled shade up to dry.

Take particular care to dust in back of, under and inside radiators. Most of the dirt on walls comes from neglect of these important places. Use the blower attachment of your vacuum cleaner if you have one.

Hot air registers should be cleaned once a week when the heat is on. Spread dry paper on the floor, cover with damp papers, set the grating on them and brush clean or use the suction attachment of your cleaner.

The wood box for a fireplace should be cleaned and inspected regularly as a precaution against insects which might decide to settle down and raise a family.

## Household Hints

I'd like to make aprons of plastic. What kind of needle is best? Is there anything special I should know about plastic or can it be handled like cotton?

Mrs. H. K. According to a leaflet given out by one of the downtown sewing centers, a fine needle, preferably No. 11, should be used for plastic. The leaflet further advises that ordinary cotton thread may cut the film, so mercerized thread is better. Adjust the machine for light tension and set the stitch regulator for a long stitch. We'll tell you where to get one of these leaflets on sewing plastic if you care to call.

I have a watermelon pickle recipe calling for lime-water. What's the advantage of this? I'd like to avoid using it if it isn't necessary.

Mrs. E. F. Soaking the prepared watermelon rind in lime-water an hour or so will make it firm. The proportions for 4 pounds of prepared rind would be: tablespoon lime (calcium oxide) in 2 quarts of cold water. After soaking, drain the rind and cook in clear water. This step may be omitted if you're not particularly concerned about the texture of the pickles.

the program. Six managers came to see her two recitals. She will have a busy season, this year, starting with a short Canadian Tour in December.

Socially, one of the pleasantest things about last Spring's New York venture was a party on board the Queen Mary for Olive Bogart given by her Canadian Manager, Phoebe Erskine MacKellar, herself a prominent Canadian actress famous for her interpretations of Shakespeare and Canadian folklore and her husband, Staff Captain MacKellar. Also a dinner in the Persian Room of the Plaza, given by Mr. and Mrs. A. V. Sheffield.

Wet a cord thoroughly before using it to tie packages for mailing. It will shrink and tighten when dry.

## ATWOOD'S CAMERA SHOP

42 LANGLEY ROAD

NEWTON CENTRE 59, MASS.

Where Sixty Minutes  
Seem but Half an Hour!

DISTANCE isn't the only thing which passes swiftly when you sit at the wheel of a 1949 Cadillac. So does time!

You rest your hand on the beautiful steering wheel and press your toe—ever so lightly—against the obedient throttle . . . and you're off on a wonderful journey.

Your ride is free and easy and restful. You just sit—and relax—and enjoy the scenery—and the companionship of those about you. Conversation is as easy as if you were sitting in your own drawing room—for the car is so quiet you can hear the soft ticking of the electric clock.

The labor of driving is almost nonexistent. The big powerful motor moves you in and out of traffic as if by automatic propulsion. Steering is little more than a response to your wish. Brakes are light to the touch and velvety-smooth in action.

You are as relaxed and care-free as the happy passengers around you.

For you do little more than one thinking—and the car does the rest. And then a familiar landmark looms in the distance. Can it be that you are there?

You look at the clock and you look at the speedometer—and, surely enough, the time and the distance have passed, and your journey is over. Better come in and see for yourself that—when you sit at the wheel of a Cadillac—sixty minutes seem but half an hour!

## HERB Says!

TODAY'S GRIN:

Instructor: If a number of cattle is called a herd, a number of sheep a flock, what would a number of camels be called? GI: "A Carton".

Don't wipe that grin of your face Herb has some very pleasing information for Garden City dwellers. Newton Branch's anniversary is but three weeks away. Spearheading the gala activities will be the complete info as to how YOU may win a FREE CROSBLEY refrigerator. If it's permissible for Herb to become serious I would like to mention in all sincerity that we more than appreciate the acceptance Newtonites have given our Newton Branch. We have added extra depts., new lines, additional help, etc., all attributed to you the consumer, your confidence in us, and the volume of trade YOU have all bestowed (What a word) upon us. To show our appreciation we of COLEMAN SUPPLY CO. will make sure that the activities and premiums during our Anniversary celebration period will more than satisfy you.

THIS WEEK'S VERY SPECIAL: A NATIONALLY ADVERTISED 61 SQ. INCH TELEVISION RECEIVER, WOOD CABINET, INDOOR AERIAL, 1950 MODEL, COMPLETE AND INSTALLED WITH 90 DAY SERVICE POLICY FOR ONLY \$199.50 . . . . . From Mrs. RS, Newton Centre, if you say so, I reckon that keeping washed clothes in a refrigerator before you iron them eliminates wetting them down, and causes them to iron better (I guess Herb just knows 99% of what there is to know about HOME PRODUCTS and PROBLEMS). Remember folks when it comes to Hds, Paints, Appliances, Plumbing & Hg. Eq., Stoves, Ranges, Refrig., Wallpapers, Radio, Television, etc., at COLEMAN SUPPLY CO. "Seek and Ye Shall Find".

This weeks demand in our housewares dept. was terrific for the "Tator-Baker" . . . the finest top of the stove baking utensil ever . . . only \$2.89. for the "Tator-Baker" . . . the COLEMAN SUPPLY CO. NEWTON CORNER BRANCH Tel. BL 6-3770 "Where there is always a HOME PRODUCTS Store"

## Infantile Fund Depleted; Donations Urgently Needed

The National Foundation for Infantile Paralysis intensified its appeal for support of the Polio Epidemic Emergency Drive this week with the announcement that one out of every two persons stricken with polio this year is still under hospital care.

In Newton the total number of cases rose to 29 this week, with the reporting of two new cases, one in West Newton and one in Oak Hill. Seven of the cases are paralytic.

Frank J. Murphy of Newton, chairman, pointed out that money is needed immediately to supplement March of Dimes funds now being spent at the rate of \$3,000,000 a month to assure payment of hospital bills, salaries of nurses, physical therapists and other professional workers whose

skilled attentions give each patient maximum chance for recovery without crippling after-effects.

Contributions should be mailed to POLIO, care of the Newton Post Office and speed is essential, according to Mr. Murphy, who emphasized that epidemic aid funds will be exhausted by the end of this month.

Expansion of treatment facilities, enabling the 23,741 stricken so far this year to obtain immediate hospitalization, was cited by Mr. Murphy, as a direct benefit of the far-reaching educational programs sponsored by the National Foundation in cooperation with health and hospital authorities.

In this current year, 130 additional hospitals in 33 states have opened their doors to acute cases of polio, Mr. Murphy said. "This brings the total number well over 1,000—a great advance from the early days of the National Foundation when less than 300 hospitals admitted such cases."

"People have learned more about the disease through factual information steadily disseminated by health authorities and local chapters," he said. "They are better prepared to accept their share of responsibility for meeting polio problems. And the nation's preparedness to meet it is revealed in the fact that this year, during the worst epidemic on record, it was not necessary for any emergency units to be erected. Expansion of existing centers was sufficient to assure good care for the thousands afflicted in all states."

The major problem today is financial, Mr. Murphy explained. "The National Foundation has exhausted its resources to meet the urgent and continuing demands for epidemic aid, he stated. The recovery of thousands now depends upon the generosity of the American people in support of the Polio Epidemic Emergency Drive. Its so easy to contribute. Just send your dimes and dollars in an envelope addressed to POLIO, care of the local post office.

## Simplicity is Best

Simplicity is the first consideration in the development of a color scheme for a bathroom. First, select the color for the plumbing fixtures. Next comes the floor and walls. Easily-changed accessories may be chosen last, as an accent color.

No More Stained Sinks To prevent spotting and water-soaking of linoleum around the sink, treat with an application of automobile wax

Will the young lady and young man who witnessed accident at Lovell Avenue and Washington Street, Newtonville, Friday, Sept. 2, around 3:15 p.m., call

## 11-Year-Old Champion

Johnny Jones, 11 years old, heads his class in arithmetic and spelling, plays a fast game of basketball, and is captain of his Grade's baseball team.

His parents attribute a good part of Johnny's vigor and all-round ability to the fact that he has been drinking Hood's Supertest Grade A Milk ever since he was a baby. And Johnny himself is enthusiastic over

Supertest. He knows that plenty of it every day is helping him to grow up sturdy and full of health. But above all, he likes its delicious flavor.

"I never have any trouble making Johnny drink all the milk that doctors say a growing boy needs," says Mrs. Jones. "He drinks a whole quart of Hood's Supertest every day!" ADVT.

## BOTH SIDES IN STADIUM CONTROVERSY PRESENTED

In order that both sides of the issue may be clearly understood, The Graphic presents the letter of the School Committee setting forth its reasons for its refusal to permit this use of the high school stadium for football games of Our Lady's High School, as well as the answer of Our Lady's Athletic Association to that letter.

Following is the letter of the Newton School Committee:

"We want you to know that we were unable to come to a decision at our special July meeting because of the pressure of unexpected, and extremely important, other business involving our administrative staff, and because certain pertinent information which we had requested was not yet forthcoming at that time, although, before the committee adjourned at 1:30 a.m., four solid hours of discussion were devoted to your petition.

"Since then, due to vacation schedule, tonight has been the earliest date on which we have been able to assemble a quorum, and its lateness is not the result of any desire on our part to put you off.

"We are now in receipt of an opinion from the City Solicitor that nothing in the deed to the stadium field appears to limit the discretion of the School Committee in deciding on its usage by groups outside the High School.

"We have also questioned the Commissioner of Recreation and

the heads of our own Department of Physical Education at length in order to help us come to an intelligent and fair decision and to set forth our position as clearly as possible.

"In the first place, we appreciate the fact that you face many problems in developing an adequate athletic program at Our Lady's High School. As you will remember, we made the Bigelow Junior High gymnasium available to you for league basketball games in 1945 and 1946, when you had no facilities of your own. We also granted you the use of the stadium track when such use did not interfere with the program of the High School track team.

"We do not feel, therefore, that we can be charged with any lack of sympathy when we state that the High School stadium field presents an entirely different situation. Its surface consists not of inanimate wood or cinders, but of living turf which can be subjected only to a limited amount of use if it is to continue to be serviceable.

"The Commissioner of Recreation, as you know, is charged with the maintenance of the stadium field. He sets as the maximum use the playing surface will stand under present maintenance conditions, an average of one game a week, plus practice sessions for

## Newton Post 48 Holds Chow Night and Annual Election

Last Thursday night about 200 members of Newton Post No. 48 and their friends sat down to a turkey dinner and all the fixings in the Cafeteria in Newton City Hall. Balloting for officers for the coming year preceded and was carried on through the dinner.

Seated at the head table was His Honor the Mayor, Theodore Lockwood; Post Chaplain Father Francis X. Bransfield, John Corcoran, Chief of the Fire Department, Lt. Charles Walker, Newton Police Dept. and Past Commander of the Post, Anthony Sweeney, Past Commander of

Middlesex County Council, State Dept. Commanders, Mrs. Lillian Jennings and T. J. Buckley, Fred McGuire scout for the Boston Braves, William J. Maloney, Commander, Sgt. Daley Post, V. F. W., Betty Cunningham, Commander Newton Women's Post, Andy Duffy, Commander, Burns-Kerr Post, Fred Sawyer, Commander Sgt. Carson Post, Fred Regatto, Commander Nonantum Post, Senior Vice Commander William E. Halliday, Jr. and Mrs. Halliday, and Newton Post's own Commander, E. Elmer Ross and Mrs. Ross. Charles B. Burgess was toastmaster.

## Six Courses to Be Given at Newton Junior College

"Newton Junior College offers six different courses of study," said Raymond Green, Principal, in announcing the fourth annual registration days for the Junior College. "Business Administration, Secretarial, Technical-Vocational, and General courses of study are offered in addition to the Liberal Arts and Pre-Engineering curricula."

Registration days in 1949 have been scheduled for September 26 and 27. A sophomore greeting committee will assist in registration, and on September 29 and 30, will assist the faculty in the freshman orientation program. Members of the committees are Joanne Harris, Elaine Koffman, Bernice Lubets, Judith Rubin, Todd Brady, Francis Addison Lesser, and Robert Ribes.

Dr. Albert Navez, new head of the High School Science Department, is announced as instructor for the Junior College course in Survey of Science.

Charles Peltier, new head of the High School Social Studies Department, is to teach the Junior College courses in American Civilization.

"Students in the Liberal Arts and Pre-Engineering curricula ordinarily expect to transfer to four-year senior colleges," says Dr. C. Elwood Drake, Director of the Junior College. "From a graduating class of 49, 36 students have been transferred from these courses of study to 12 different colleges in 1949. Among the transfer colleges are Colby College, Northeastern University, Boston University, Clark University, University of Vermont, University of Alabama, University of Buffalo, Wm. Jewell College."

## Directory of Clubs Ready for Distribution

The sixth edition of the Directory of Newton Agencies, Clubs and Organizations for 1949-1950 compiled and published as a service to the community by the Newton Community Council is now ready for distribution. This handy 48-page booklet includes: Newton Community Chest member agencies, city government officials, city departments, libraries, School Department with School Committee members, public schools and P.T.A. officers, parochial and private schools, colleges and academies, churches with officers of the various groups, and 181 clubs, associations and organizations under classifications of: art, drama, music, benevolent and philanthropic, business and professional, character building, civic, federated women's clubs, fraternal, garden, improvement, men's clubs, service, social, specialized and veterans organizations and related groups.

The Directory may be purchased for 25c either at the Libraries or the Newton Community Council office, 93 Union street, Newton Centre.

## To Examine John D. Eusden For Ministry

As ecclesiastical council of the Congregational Churches of Greater Boston will convene on Friday afternoon, September 23, at 4:00 o'clock in the chapel of the Eliot Church of Newton to examine John D. Eusden as to his fitness for ordination to the ministry. Mr. Eusden is a graduate of Harvard, class of 1944, and of the Yale Divinity School with Cum Laude honors in 1949. He is at present assistant dean of the Yale Divinity School and a Kent Fellow in completing his requirements for the degree of Ph.D. He is a son of Dr. and Mrs. Ray A. Eusden of Newton, his father being the minister of the Eliot Church of Newton.

## Newton Men Active In Boston City Club

Louis J. O'Malley of West Newton was re-elected secretary of the Boston City Club for the fifth consecutive term at the annual meeting of the City Club.

Other officers elected were E. Pike Currier, realtor as President; Charles L. Raffi, President of Raffi and Swanson, industrial chemists as Vice President; Edward N. Chase, who recently retired as secretary of the United Shoe Machinery Corp. as Treasurer and Houghton Sanguinetti, Boston and Newton attorney as Executive Secretary.

K. A. Juthe of Newton Centre who recently retired as President of the American Electric Furnace Co.; Alexander S. Addison, New England Manager of the James Leffert Company; Edward N. Stanley, attorney and Girard N. Jones, assistant treasurer of the Merchants Cooperative Bank as members of the Board of Governors.

It was announced at the meeting of the City Club that the club would continue in its present clubhouse until its new clubhouse was ready for occupancy which is expected to be within a few months. All of the activities and operations of the club will be continued.

## Newton Teacher Wins First Prize

John B. Larson, instructor at the Levi F. Warren Junior High School, has been informed that he is winner or first prize in a contest sponsored by "The Scholastic" magazine, a national senior and junior high school publication. The contest was conducted for the best paper on "What are the roadblocks to understanding American and World events your students run into? What information should a student have at hand to surmount obstacles to understanding?"

(Continued on Page 3)

## Combined Jewish Appeal To Hold Meeting Monday

For the first time in its history, the Year-Round Women's Division of the Combined Jewish Appeal of Greater Boston will sponsor in key spots throughout Greater Boston a series of six "fact-finding" meetings featuring up-to-the-minute news from Israel and the latest developments among local social welfare agencies.

Open to every woman interested in the work of the Combined Jewish Appeal, the Newton meeting will be held at Temple Emanuel Monday at 1 p.m. for residents of Newton, Wellesley, Natick, Waltham, Watertown and Belmont.

Mrs. George Kahn, widely known as a past chairman of the Women's Division and a national leader in the \$250,000,000 United Jewish Appeal Women's Division, will speak in Newton along with Rabbi Zev Nelson.

Those meetings coming prior to the opening of the Women's Division drive are designed to

## BEGIN FUND DRIVE FOR NEWTONVILLE CHURCH

DISCUSSING CAMPAIGN PLANS for the Newton District of the Combined Jewish Appeal of Greater Boston in the coming campaign which begins Oct. 9, are captains and chairman of the area. They are (seated, left to right): Donald L. Daniels, Archie Feinberg, co-chairman; Eric Marmorek co-chairman, Paul J. Goldstein, Benjamin Ford. Rear (left to right): Sol Kaufman, Arnold H. Canner, Elmer J. Gorn. The Combined Jewish Appeal supports 190 local, national, overseas and Israeli organizations and is a major contributor to the United Jewish Appeal's national campaign.

A drive to raise \$35,000 for the construction of an addition to St. John's Episcopal Church, Newtonville, is being launched under the direction of Walter B. Chase, fund chairman.

The Rev. Wilbur J. Kingwill, rector, is taking an active part in the campaign and is hopeful that the money can be raised or pledged in the campaign so that construction can be started at an early date. The work of the parish has increased during the past several years to such an extent that the present parish house can no longer adequately serve the needs of the parish and the community. The church school enrollment doubled during the past year and the 14 parish organizations have greatly increased their activities. Mr. Kingwill stated that the enlargement of the parish house is a necessity that the parish might carry on even more effectively its mission and work. The addition will provide for nine more church school rooms,

a large room to be used by church organizations from meetings, and social gatherings, with an adjoining snack kitchen, a new church office, a new rector's study, enlargement of the dining hall, and remodeling and enlargement of the kitchen, as well as storerooms for organizations.

Preliminary plans for the addition have been drawn up by the office of Gustaf A. Hagen, architect, and are presented in a brochure which has been prepared under the chairmanship of Donald L. Daniels.

Four soliciting committees have been formed, under the chairmanship of John Kobrock, William Brooks, C. Evan Johnson, and Dr. George A. Land. The following men will be members of the soliciting committees: Fred Michel, Fred Folli, Theodore Noll, William Heatzig, Willard Wawcutt, Leigh Packer, Donald W. Wright, Fred Fogg, Dr. Cecil Clark, Chapin Harris, Robert Pierce, Scott Brent, Robert Shuck, and David Platt, Walter J. Helm, Loren Benson, Ward Funk, Lawrence Clarke, Arnold Joyce, Allyn Woodward, and John Wolcott. Robert Burkhardt, John Evans, Theodore Reed, Clyde Hicks, Charles Billings, Stanley Newman, John Rees, Dr. Howard Lawrence, Philip Clark, Stuart Newman.

A special committee on Memorials is headed by Eugene B. Sanger, Jr. The members of the Memorial Committee are: C. E. Rice, Frank Wightman, John Dewey, Riley Hampton, John Whittemore, Thomas G. Walters.

## Says People Starving For Religion

"The masses of people are starving for want of religious knowledge and inspiration," the Rev. Dr. Albert Buckner Coe, president of the Massachusetts Congregational Conference of exactly 60 churches, said Wednesday.

Speaking at the opening convocation exercises at the Andover Newton Theological School chapel on the school campus at Newton Centre, Dr. Coe stated in part:

"The Christian pulpit has an unprecedented opportunity to bring to people the riches of our faith. Instead the pulpit is presenting all too generally chaff, not wheat. Too many ministers do not know theology and are not interested in it. Too many laymen want crowds at the cost of light preaching in order that the local budget may be balanced with ease. Far too many laymen and clergymen are ecclesiastical only. As a result, the masses of people are starving for want of religious knowledge and inspiration. Let the pulpit be done with the trial and begin to grapple with eternal truth."

One of the highlights of the service was the induction of three new faculty members including the Rev. Prentiss L. Pemberton as field work director; the Rev. Edmund Linn as full-time instructor of speech, and the Rev. Paul Shefford as assistant to the president.

The Rev. Dr. Harold W. Tribble, president, presided, and the Rev. Dr. Vaughan Dabney, dean, assisted.

## George A. Speers is Named Ass't Director

George A. Speers, 32 Hurley place, Newton Centre, a graduate of Northeastern University in 1947, has been appointed assistant director of alumni relations of Northeastern University, President Carl S. Ell has announced. Speers is the son of Mr. and Mrs. George L. Speers, 2 Oakland street, Brighton.

At Northeastern where he received a bachelor of arts degree in English and Journalism, he was managing editor of the Northeastern News, and was active in the dramatic society, ski club, student union, and International Relations club. He entered the University in 1939, but because of war service did not complete his studies until 1947. He was with the Signal Corps and served 2½ years in India.

He married the former Gilda Abate, Northeastern Student Center Building, the first couple to be married there.

## NEWTON CORNER PARKING AREAS TO BE DISCUSSED

Monday night the Board of Aldermen will hold a public hearing at City Hall to consider the possibility of off-street parking areas in the Newton Corner section of the city, and it is anticipated that a large number of citizens and business men will attend.

While no definite knowledge is available as to what the petitioners will request, it is understood that at least two areas in the Newton Corner section will be asked to be considered rather than one large parking area as was the case when a similar hearing was held to consider off-street parking in the Newton Centre section of the city.

The Newton Corner Business Men's Association urges all citizens to attend this public hearing to the end that some solution will be found to the parking problem which many consider now exists in the business area of Newton Corner.

The Board of Aldermen meeting will begin promptly at 8 o'clock and those interested in the matter are requested to be present at that time.

ARTHUR RUBINSTEIN

## Rubinstein to Open Wellesley Concert Series October 19

The Wellesley Concert Series will proudly present, at the first concert of the 1949-50 season, the famed and fabulous Arthur Rubinstein, a pianist in the grand tradition who finds New York's Carnegie Hall too small for his admiring audience and who has this year had to reschedule his first New York concert at the Metropolitan Opera House. From there he will come to the somewhat smaller Alumnæ Hall, on October 19, to climax the Concerts which are doing so much to enhance Wellesley College's Anniversary Year. A more fitting or auspicious personage to round out the three-day Education Conference could not be imagined.

On Nov. 16, Dorothy Maynor will reappear in the Concert Series. Since her first appearance seven years ago, the phenomenal talent which Dr. Serge Koussevitzky immediately recognized has had time to develop and grow and Miss Maynor is now at the very zenith of her artistic maturity. A musician friend of ours who heard her at the Tanglewood festival during the past summer remarked, "She is so modest and unassuming one does not realize until she sings what a great musician she is. And what a voice!"

The London String Quartet is recognized along with the Budapest Quartet as one of the two leading quartets of the day. Since their re-organization two years ago, they have been appearing in the Concert Series.

—CONCERT—  
(Continued on Page 3)

## Dates Are Announced For Registration

The Registrars of Voters have announced the following places and times for registration of new voters. They are:

City Clerk's Office, City Hall, daily during office hours, 8:30 a.m. to 5 p.m. (except Saturdays when the office is closed), from September 1st to October 19th.

Evening sessions will be held at the following places, from 7:30 to 9:00 p.m., viz:

Sept. 28, Wednesday, Oak Hill, Veterans Housing Project.

Sept. 27, Tuesday, City Hall, Newton Centre.

Sept. 27, Tuesday, Newton Corner, Fire Station.

Oct. 5, Wednesday, Newton, Underwood School.

Oct. 6, Thursday, Newton Centre, Mason School.

Oct. 7, Friday, Nonantum, Bridge Street Fire Station.

October 7, Friday, Newton Lower Falls, Library, Grove Street.

Oct. 7, Friday, Newton Upper Falls, Emerson School.

Oct. 10, Monday, West Newton, Davis School.

Oct. 10, Monday, Chestnut Hill, Manet Road Fire Station.

Oct. 11, Tuesday, Newton Highlands, Hyde School.

Oct. 11, Tuesday, Newtonville, Library.

Oct. 11, Tuesday, City Hall, Newton Centre.

Oct. 13, Thursday, Waban, Angier School.

## Cabot-Claffin PTA To Hold Tea Tues.

The Cabot-Claffin Parent Teachers Association is giving a tea at the beginning of the school year in honor of the teachers and to welcome new parents. The tea will be held at St. John's parish house, corner of Lowell avenue and Otis street, in Newtonville, Tuesday, September 27, from 3 to 5 p.m.

Mrs. Charlotte Huntington has arranged a pleasant afternoon. Mrs. Theodore Martin, Jr., and Mrs. Benjamin J. Proctor, chairman of room mothers, will receive each guest. All parents are cordially invited to attend.

## Recent Engagements

Mr. and Mrs. Hugh L. Robinson of West Newton announce the engagement of their daughter, Miss Sigrid Robinson, to Mr. John M. Reddy, son of Mr. and Mrs. John H. Reddy of West Newton.

Miss Robinson studied at the North China American School and Wellesley College. Mr. Reddy studied at Rensselaer Polytechnic Institute and Harvard Business School.

Mr. and Mrs. Charles Terry Collins of Newton Centre announce the engagement of their daughter, Miss Shirley Norcross Collins, to Mr. William Bommer, son of Mr. and Mrs. Fred W. Bom-

mer of Fairhaven. Miss Collins attended the Brimmer and May School and was graduated from Stephens College, Columbia, Mo. She is a member of the Vincent Club and is a technician at the Vincent Memorial Research Laboratory.

Mr. Bommer attended Tabor academy and was graduated from Massachusetts Institute of Technology in 1948, where he was a member of Sigma Chi. He is also a member of the New Bedford Country Club. During the war he served with the Third Army in Europe.

At a dinner party given recently in the Oval Room of the Copple-Plaza Hotel, Boston, Mr. and Mrs. Paul Richard Brennan of West Newton announced the engagement of their daughter, Miss Constance Brennan, to Mr. John Mather Hughes, Jr., son of Mr. and Mrs. John M. Hughes of Newton.

Miss Brennan is a graduate of the Chamberlain School of Retailing, Mr. Hughes attended the Marionapolis academy in Connecticut and Louisiana State University. He served for two years with the Navy in the Pacific theater and is now attending Boston University.

Of interest to Newton people is the recent announcement by Mr. and Mrs. John Havko of Yonkers, New York of the engagement of their daughter,

Miss Eleanor Havko, to Mr. Robert E. Huke, son of Mrs. Sarah E. Huke and the late Benjamin F. Huke of Newtonville.

Miss Havko, an art teacher in the Peabody Junior High School, attended Gorton High School where she was editor of the school's year book, Promenade, and was graduated cum laude from Syracuse University with a Bachelor of Fine Arts degree. She was a member of Sigma Chi Alpha and other college organizations.

Mr. Huke, for the most of his life a resident of Newton, received his early education in the Newton schools, graduating from the Newton High School in 1942. After attending Yale University he went to Dartmouth College, graduating with the class of 1948. He did graduate work in geography at Syracuse and expects to receive his master's degree next June. The following fall he will teach geography at Triple City College in Endicott.

He served three years in the Marine Corps and was in the First Division in the Pacific theater of operations and in China.

Mr. and Mrs. Norman H. S. Vincent of Newtonville have announced the engagement of their daughter, Miss Alice Seymour Vincent, to Mr. Lowell Franklin Wentworth, son of Mr. and Mrs. L. Roger Wentworth of Melrose and Duxbury.

Miss Vincent is a senior at Smith College. Mr. Wentworth is completing his studies at Rochester Institute of Technology. He served with the Navy during the war.

Mr. and Mrs. Gordon Wyatt Cameron of Pittsburg, Pa., formerly of Waban, have announced the engagement of their daughter, Miss Mary Windsor Cameron, to Mr. Fairfield Gordon Coogan, son of Mr. and Mrs. Jay Coogan of New York City and Gladstone, New Jersey.

Miss Cameron was graduated from Dana Hall in Wellesley and Pine Manor Junior College. Mr. Coogan was graduated from Groton School and attended Harvard University. During the war he served as a navigator with the Army Air Forces.

Mrs. Mary Farrell of Scranton, Pa., announces the engagement and coming marriage of her daughter, Katherine Marion, to Richard E. Troy, Jr., son of Mr. and Mrs. Richard Troy of 11 Anita Circle, Waban, Mass.

Miss Farrell, daughter of the late John P. Farrell, is a graduate of Scranton Lackawanna Business College. She is a member of the staff of Station W.G.B.I. and of the Catholic Junior League. Mr. Troy attended the Sacred Heart High School and the Bentley School of Accounting. He is employed by the American Advertising Company. During the war he served with the U. S. Marines.

The wedding will take place October 29 in St. Francis of Assisi Church, Scranton, Pa.

## Recent Weddings

### Ridge-Gervais

A reception at the Hunnewell Club, Newton, followed the marriage last Saturday morning of Miss Barbara Anne Gervais, daughter of Mr. and Mrs. Taffie Gervais of 2 Playstead road, Newton, to Mr. Alfred Ridge, son of Mr. and Mrs. Patrick Ridge of Boston, at a 9 o'clock mass in Our Lady of the Presentation Church, Brighton. Rev. Charles Downey performed the ceremony and peach gladioli decked the altar. Carl Hand and orchestra played for dancing at the reception that followed.

The bride carried white roses with stephanotis intermingled to match her pearl beaded white satin gown, which had a full court train. She wore a fingertip length veil which fell from a crown of orange blossoms. Her maid of honor was Miss Mary T. Sullivan of Newton, who wore a coral, colonial hooped skirt and carried a bouquet of tallisman roses, with a matching headpiece of fresh flowers.

Mrs. Gervais chose a coral draped gown for her daughter's wedding and her flowers were American beauty roses. The bridegroom's mother wore royal blue and an orchid.

The best man was Mr. Eugene Ridge of Dorchester and the ushers included Mr. Joseph Ridge of Dorchester and Mr. John Ridge of Boston, all brothers of the bridegroom.

The bride was graduated from Boston Academy of Notre Dame, Framingham State Teachers College and took her dietetic internship at Beth Israel Hospital. She is now a staff dietitian at the U. S. Marine Hospital in Brighton. Mr. Ridge served three years in the Army and is now a member of the Boston Police force. The couple will live in Boston after a wedding trip to Maine and Canada.

### Gove-Horne

At a candlelight ceremony in the Church of the Holy Spirit, South Orleans, Mass., Saturday afternoon, September 17, Miss Roberta Horne, daughter of Mr. and Mrs. Robert Moulton Horne of Chatham, Mass., became the bride of Mr. Richard Currier Gove, son of Mr. and Mrs. James H. Gove of Newton Highlands. A reception followed at the home of the bride's parents.

The bride, given in marriage by her father, wore her grandmother's wedding gown of ivory fashioned with fitted basque and accented with a circular train. Her shoulder length veil was caught to a crown of Duchess lace and she carried

a white prayer book with a single orchid. She was attended by Miss Vivian Atkinson of Camden, New Jersey, as maid of honor. The bridesmaids were Mrs. Donald Horne, sister-in-law of the bride, and Miss Sally Gove, sister of the bridegroom. The attendants wore gowns of pastel blue and lavender slipper satin with basque bodices and bouffant skirts and carried old fashioned bouquets.

Mr. Dean Waite of Boston was the best man. The ushers were Mr. Elwood Clapp, Jr., of Stamford, Conn., Mr. Warren Sanger of Natick and Mr. John B. Horne of Chatham.

Mr. and Mrs. Gove will make their home in Newton.

### Wargin-Nally

The altar of the Church of Our Lady, Newton, was decorated with white gladioli and ferns for the 11 o'clock ceremony, Saturday, September 10, when Miss Patricia Mae Nally, daughter of Mr. and Mrs. William P. Nally of Wiltshire Road, Newton, became the bride of Mr. Robert John Wargin, son of Mrs. Peter Fischer of Milwaukee, Wisconsin. Rev. John H. Quinlan performed the ceremony which was followed by a reception in St. Jean's Hall, Newton.

Given in marriage by her father, the bride wore a gown of white satin. Her veil of net was caught to a Juliet cap and she carried a prayer book with a single orchid. Miss Virginia Sanguinetti of Newton, cousin of the bride, was her maid of honor.

Her gown was of American beauty taffeta and she carried yellow roses. The bridesmaids, wearing gowns of green taffeta with headresses of ivy and roses which matched their bouquets, were Miss Dorothy A. Chase of Newtonville, Miss Mary Thompson and Miss Constance Rooney, both of West Newton, Miss Eleanor Swenickie of Milwaukee, Wisconsin, cousin of the bridegroom, Miss Priscilla Brodyck of Weymouth and Miss Rita Gordon of Newton.

Dennis J. Nally, brother of the bride, was best man. The ushers were Lawrence Gordon of Newton, William C. Nally, brother of the bride, of Newton, Walter Brodyck of Weymouth and Paul Fagan, cousin of the bride, of Boston.

The bride is a graduate of Our Lady's High School. Mr. Wargin graduated from St. Anthony's School in Milwaukee.

Mr. and Mrs. Wargin will make their home in Auburndale.

### Dennis-Hailer

At a 10 o'clock nuptial mass in St. Philip Neri Church, Waban, Saturday, September 17, Miss Claire Ann Hailer, daughter of Mr. and Mrs. Florin Joseph Hailer of Waban, became the bride of Mr. Richard James Dennis, son of Mrs. James Michael Curley of Jamaica Plain and the late George E. Dennis. White gladioli and ferns decorated the altar for the ceremony which was performed by Rev. Walter Doyle.

Given in marriage by her father, the bride wore a gown of ivory satin trimmed with Duchess and Rosepoint lace. Her long veil of French illusion fell from a Baby Stuart cap of lace and she carried a prayer book with a shower of white orchids and stephanotis.

Mrs. C. D. McGrath of University, Miss. was maid of honor for her sister. The bridesmaids were Mrs. William Driscoll, Miss Jeanne M. Linnehan and Miss John P. Riley of Boston; Miss Priscilla A. Hallett, Miss Natalie F. Brink and Miss Ann C. Mahoney of Newton. The attendants wore identical gowns of apricot tissue faille in ankle length, with golden brown accessories and carried cascades of shaded poms. Nancy C. Hailer and Sandra McGrath, nieces of the bride, served as flower girls.

Mrs. Hailer wore a gown of champagne crepe for her daughter's wedding. Mrs. Curley wore

bronze taffeta with a feathered cyclamen hat.

Mr. George E. Dennis, brother of the bridegroom, was best man. The ushers were Mr. George J. Curley, Mr. Vincent P. Holland, Mr. William P. Driscoll and Mr. John H. O'Neill, Jr. of Boston; Mr. Donald G. Hailer of Waban and Mr. Neal F. Crowley of Milton.

A reception was held in the Louis XIV ballroom of the Hotel Somerset.

On their return from a wedding trip to Bermuda Mr. and Mrs. Dennis will make their home in Jamaica Plain.

The bride is a graduate of the Newton High School and Regis College. Mr. Dennis attended St. John's Preparatory School in Danvers and was graduated from Dewitt Preparatory School in Washington, D.C. He is an assistant buyer for Filene's of Boston.

### Jacobs-Sadler

Rev. and Mrs. R. Watson Sadler of 40 Bridge street, Newton, announce the marriage of their daughter, Ellida Rippey Sadler, on Sept. 17 at 4 o'clock to the Reverend George Alexander Jacobs of Georgetown, Kentucky. The informal wedding ceremony took place in the North Congregational Church of which the bride's father is pastor and was performed by him assisted by the Rev. Douglas B. MacKorkle of Newton. After an informal reception at the home of the bride, the bride and groom left for a wedding trip in the White Mts.

The bride was graduated from Centre College in Danville, Ky., in 1946 and for the past 3 years has been Y-teen secretary at the Y.W.C.A. in Lexington, Ky. The groom was graduated from Transylvania College, the Kentucky College of the Bible in Lexington, Ky. He is pastor of the First Christian Church in Georgetown, Ky. where Rev. and Mrs. Jacobs will be at home after Oct. 9.

### O'Reilly-Tynan

In St. Philip Neri Church, Waban, Saturday morning, September 17, Miss Jeanne Kathryn Tynan of Waban, became the bride of Mr. Edward Bertram O'Reilly of Philadelphia, Pa. Rev. Theodore J. Seckle performed the ceremony which was followed by a reception at the Woodland Country Club.

With her gown of ivory satin the bride wore a veil of heirloom

lace and carried a prayer book with orchids. Miss Ruth Tynan, sister of the bride, and her only attendant, wore a gown of orchid brocade piped with purple velvet. Mrs. Tynan wore a gown of beige for her daughter's wedding with brown accessories. Mrs. O'Reilly wore gray with blue accessories and both wore orchid corsages.

Mr. John J. O'Reilly of Philadelphia, Pa., was the best man. The ushers were Mr. Henry O'Reilly of Philadelphia and Mr. Thomas G. Tynan, Jr. of Waban. The bride was graduated from Chestnut Hill College, Philadelphia. Mr. O'Reilly is a graduate of the University of Maryland and Pennsylvania Military College.

Following a wedding trip to Montreal, Canada, Mr. and Mrs. O'Reilly will make their home in Chestnut Hill, Pa.

## NOW IS THE TIME TO GIVE TIRED GRASS A FRESH START

Re-vitalize "summer weary" grass with a fall application of Milorganite. Unlike most plants, grass grows vigorously in the fall... provided dwindling soil fertility is restored by generous feeding. Milorganite is the ideal fertilizer to use because it contains all the elements needed by grass. Supplied in 25, 50, and 100-pound size proof bags. Golf clubs use more Milorganite than any other fertilizer. They know from long experience that it is the ideal fertilizer. Profit by their example. Fertilize with Milorganite this fall for greener, more luxuriant lawns now and NEXT year, too.

# A Shopping I Would Go!

By DOROTHY LANE

Tangy, autumn weather gives you that "perky" feeling and sure makes you want to get out of the house these days. After viewing the splendors of nature with her delightful coloring, don't you sometimes feel an urge to do something "different" about the house? If this should happen to you, the shops in Newton offer such a variety of ideas for that little touch of color or to fill that empty space in your home, you can very easily find just what you wish on your strolls. And don't forget, while sales and bargains are so plentiful, it's never too early to shop for Christmas. Have you discovered how to shop with ease, comfort and pleasure, yet? If not, you sure will when you

## The Lawrence Shop G. R. Ware, Jeweler

1300 Washington Street  
West Newton Square  
DEcatur 2-9686256 Washington Street  
Newton Corner  
BIGelow 4-5026

Remember last week we told you about the famous "Sabel" curtains, specially priced at 54" - \$2.49; 63" - \$2.69; 72" - \$2.89. These famous "Sabel" Permanent finish, cotton marquisette, frame curtains were such a "sellout" they had to be re-ordered. They have just received another supply of "Sabel" curtains and, even better, they are still selling at the same low prices. These curtains will add charm to any home and give your rooms that "decorator's touch".

You will also find the "Nylon", ruffled or tailored, at surprisingly low prices. These launder so beautifully and require so little ironing, you can keep your curtains fresh and crisp with very little effort. In case you've wondered at their remarkably low prices on all merchandise — all sales are cash and carry — therefore you automatically get lower prices and higher savings.

The thrifty housewife will feel she has discovered a "curtain heaven" when she stops at the Lawrence Shop.

## SHOP IN NEWTON

## Warner's 5 & 10 to \$5.00 Store

396 Centre Street  
Newton Corner  
LAseil 7-9148

Warner's "Housewares" are the best at the best prices. Yes, they have everything for your home from cups and saucers to 20 quart pots with those well-known brand names as Wearever, Enterprize and Rubbermaid to name a few. Splashy or conservative, whatever your taste, you can find it at Warner's.

## SHOP IN NEWTON

A terrific SALE going on — still going strong and all quality merchandise at 30% to 50% off original prices. Imagine the relief to be able to get your Christmas shopping done in September at such tremendous savings!

You can use their Budget Terms with only 20% down and take a whole year to pay. Or use the Lay-A-Way Plan — a small deposit now will hold any item until convenient for you to pick it up. Smashing markdowns of Jewelry, Holloware and ever so many bargains ready and waiting just for you. Sale merchandise is moving fast, though, so you had better hurry.

October 1st is the deadline. That's right, October 1 is only 8 days away and you certainly don't want to pass up a chance like this.

Join the ranks of the thrifty shopper and take advantage of this opportunity to really save.

## Recent Weddings

### Fay-Becker

At a late afternoon wedding in Christ Church, Cambridge, Saturday, September 17, Miss Jean Frances Becker, daughter of Mr. and Mrs. Karl Franz Becker of Cambridge, became the bride of Mr. Charles Norman Fay of West Newton, son of Mrs. Charles Edward Fay of Brookline and the late Mr. Fay. Rev. Cuthbert Fowler performed the ceremony which was attended by members of the families. A reception followed at the Hotel Commander.

Given in marriage by her father, the bride wore a gown of beige crepe and lace with a matching hat and carried a prayer book with a cluster of orchids. She was attended by her sister, Mrs. Arthur Reading, Jr., as matron of honor. Mrs. Reading wore a gown of lace over pink taffeta with a matching hat and carried an old fashioned bouquet.

Mr. Charles Bernum Fay, son of the bridegroom, was best man. Another son, Mr. Peter Gale Fay, served as usher. The bride attended the University of Virginia with the class of 1940. Mr. Fay attended Dartmouth College and was graduated from Boston University. He served as a major in the Army Air Forces.

On their return from a wedding trip to Europe Mr. and Mrs. Fay will reside in West Newton.

### Stephan-Duff

Candleabra and white flowers formed the setting for the wedding Friday evening, September 15 in Central Congregational Church, Newtonville of Miss Helen Stewart Duff, daughter of Mr. and Mrs. Alan D. Duff of Newtonville who became the bride of Mr. William Kramer Stephan Spaulding of Columbus, Ohio. The 7:30 double ring ceremony was performed by Rev. Randolph Merrill, pastor, assisted by Rev. Franklin A. Bower of Madison, Wisconsin. A reception followed in the Boyden Room of the church.

The bride, given in marriage by her father, wore a gown of white imported Swiss silk with a long train and a veil of illusion caught to a cap of imported French lace. Her bouquet was of white orchids. Miss Eleanor Duff, maid of honor for her sister, wore a period gown of emerald green satin. The bridesmaids, Mrs. Franklin A. Bower of Madison, Wis., and Mrs. Harold P. Richardson, Jr. of Natick, sisters of the bride, wore gowns of rose satin. All the attendants carried gardenias with English ivy.

Mr. John Kramer Stephan was best man. The ushers were Robert E. Stephenson of Columbus, Ohio; Frederick H. Kramer of Millersport, Ohio; Alex Morse of Miami, Florida; O. Douglas Duff of Newtonville, Norman W. Andrew of North Andover and Dr. Ray E. Ebert of Washington Courthouse, Ohio.

## Stadium—

(Continued from Page 1)

the varsity on the days before games are played. As long as such an average is compiled with, the actual dates of such uses are not important, except that when two home games have to be played in one week, he is strongly of the opinion that there must be at least one day rest for the field between games.

"If favorable weather conditions make it apparent that the condition of the field will stand additional games or uses not already scheduled, the Department of Physical Education informs us that it stands ready at all times to field teams from the regular High School squads who have been restrained from use of this playing field and are required to use facilities less satisfactory in nature.

"The High School Physical Education Department and the Recreation Commissioner concur in the belief that the restriction which the High School now places on its own use of the stadium field is in the best interests of the varsity schedule and the maintenance of reasonably satisfactory playing conditions throughout the season. If the High School did not restrict its own use of the field, the large number of desirable activities to which the field would be put by the various High School squads and Physical Education classes would soon reduce the field to a useless condition.

"It is perfectly true that the School Committee granted the use of the field to the United Veterans Organizations of the City for a single game to be played for charitable purposes, with the understanding that these organizations would clean and restore to their original condition the field and premises after such use. Because of the City's obligation to the veterans and other special considerations involved, we do not feel that this use in any way constitutes a precedent.

"It is the considered opinion of a majority of the School Committee, therefore, that any further use of the stadium, particularly in the nature of scheduled and probably recurring activity, cannot but operate to the detriment of the High School's athletic and physical education program. I regret to have to inform you that this opinion was reflected by a majority vote of the School Committee that your petition be denied."

The purpose of Our Lady's Athletic Association is to promote and encourage the athletic activities at Our Lady's High School, a school that is a member of the Massachusetts Secondary School Principals' Association and National Association. We have followed the normal pattern in presenting our petition for the use of Dickinson Stadium by Our Lady's High School. The authority for granting such a request rests with the Newton School Committee. We hope, thereby, to better clarify our position by analyzing the statement issued by their committee to our representatives on August 31 when our petition was denied. At the June meeting of the School Committee our application was presented. We did this because this Committee by issuing a permit for a night football game for October 12 had changed their policy, given to us September 23, 1947. On that date, they stated in their communication to us that "It was further the sense of the meeting that all requests for the use of the field, from whatever sources—be not approved during the football season."

We are happy to know that the School Committee has received an opinion from the City Solicitor stating "that nothing in the deed to the stadium field appears to limit the discretion of the School Committee in deciding on its usage by groups outside the High School."

During the past two years our association has been very conscious of the problems that must be met to develop an adequate athletic program. We appreciate their sympathy for us in this matter. We appreciate, also, the privileges granted us in the past. This same fine cooperation has always been manifested by Our Lady's School in all their dealings with the Newton School authorities. This, the Superintendent of Newton Schools has stated.

Tel. LONGwood 6-0947 - BIGelow 4-3439 - BIGelow 4-5725

We do feel now, as Father Doherty, our pastor, did two years ago, when on the occasion of our public hearing, he said, "Nothing would better cement the friendly feeling that existed between the 11,000 people in his parish and the rest of the city than the granting of the petition." He also pointed out "that Our Lady's School has 1000 pupils, which would cost the city approximately \$140, for each child." There are now 1100 children in our school and the gross cost of operating the Newton Public Schools is \$227.06 per pupil, according to the latest report of the School Department. This means a saving for the City of Newton \$249,766, per year, or a saving of approximately two or three dollars per year on the taxes of every taxpayer. In this matter we are dealing not with inanimate wood or cinders, nor with living turf, but with living souls—whose parents also are taxpayers of our city. The neighboring communities of Waltham, Watertown, Brookline, and Boston grant the same privilege we seek to all recognized schools under their jurisdiction with an organized athletic program and approved by the Massachusetts Secondary School Principals' Association.

The School Committee states "the High School Stadium can be subjected only to a limited amount of use if it is to be serviceable." This is especially true if they consider the stadium field a football field. During the football season constant daily practices by the varsity or any of their football squads or Physical Education Classes could not be permitted.

We understand and appreciate the position of the Commissioner of Recreation. His department acts only after the School Committee issues a permit for the use of the stadium field, as in the case of the United Veterans Organization. Then it is that the Recreation Department must maintain and care for the field. However, when the Commissioner sets, "as the maximum use of the playing surface will stand under present maintenance conditions, an average of one game a week, etc." we are prompted to inquire and learn what is the present maintenance budget of this department? Newton High School football schedule for this year lists four home games. What further maintenance would be needed if the use of the field was granted to Our Lady's High School on Saturdays when Newton High School plays away from home? How much would this cost? Since the Commissioner is speaking of the maximum use of the field "under present maintenance conditions", it appears to us, that the maximum use of the field could be increased, if the Recreation Department's budget warrants it.

Before we applied for the stadium field, the Secretary of the School Committee informed us that besides the Varsity games, the Junior Varsity and Intermediates would play "an average of one game a week." Up to two years ago, these squads were restrained from using the field for their games. This condition no longer exists. Any "other uses not already scheduled" which the Department of Physical Education desires should be considered during the football season of approximately two months, in the light of the Stadium Field as a football field and "in the best interests of the varsity schedule." "Other desirable activities" by the High School and Physical Education Department would also depend, as the Committee states, on "the maintenance of reasonably satisfactory playing conditions throughout the season." Brookline High School now realizes this. They no longer permit their squads to practice on the field where they play their games. This was the reason why, two years ago, they requested their game with Newton High School to be changed from Brookline to Newton. It was the constant digging up of their playing field by football cleats at daily practices that reduced their field to a useless condition.

We definitely approve the United Veterans Organizations of the city using the Stadium Field for the splendid purpose for which they desire it. Our request, however, was in before the United Veterans Organization. This request was refused. The School Committee in a communication to us two years ago already had set a policy for such requests. We feel the same procedure, thought, and time given to our petition should have been given to that of the Veterans, or any other group requesting the use of the Stadium Field. We feel any fair-minded citizen would agree to this. The School Committee does not refer to its policy in its statement. In the light of its stated policy to us, how can they say "we do not feel that this use in any way constitutes a precedent?" What does constitute a precedent? In this instance, they granted a permit, knowing that it was against their policy. There were no postponed meetings before the request was granted in order to obtain "pertinent information." And we feel sure, the Commissioner of Recreation will maintain the field the night of October 12.

The question of cleaning and restoring the field and premises is a requisite printed on the application blank. The matter "of special considerations" is something we feel the School Committee could very well give thought to in view of Father Doherty's statement and opinion. We do not seek the privilege of using the Stadium Field to the detriment of the High Schools' Athletic and Physical Education Program. We seek only the privilege which neighboring communities now grant. We feel this could be done in the City of Newton for us, without interfering with the regular school program. We regret that the opinion which denied our petition was reflected by a majority vote of the School Committee, in spite of the evidence we presented. We had hopes that this committee in going against their previously stated policy had thereby graciously invited us to present our application this year. We still have hope that the School Committee of Newton will change their viewpoint in regard to Our Lady's request and thereby indicate in a tangible way the good relations between Our Lady's Athletic Association and the Newton School Department.

Our Lady's Athletic Ass'n,  
Harold J. Waters, Sec.

## Concert—

(Continued from Page 1)

pearing with enormous success throughout the United States and in Europe and South America. The personnel consists of four outstanding artists each of whom could have been a solo virtuoso in his own right if his devotion to the great field of chamber music with its subtle intellectual and musical appeal had not drawn him to his fellow quartet members. These are, if you remember, John Pennington, first violin, Laurent Halleux, second violin, Cecil Bonvalot, viola, and Warwick Evans, cellist. Their concert is on March 8.

It is always a pleasure, at a woman's college, to present a woman virtuoso on an instrument that has numbered among its exponents more men than women. And if the woman is, in addition, as beautiful and charming as Raya Garbousova who appears in our final concert

on April 26, then the pleasure is doubled. Miss Garbousova, the foremost woman cellist and indeed one of the leading cellists in the world today, has been heard as soloist with almost every major orchestra here and abroad and has given more recitals in the Americas and in Europe than she cares to remember. A student of the great Pablo Casals, she is interested in teaching as well as playing, thus displaying the depth and sincerity of her musicianship. In addition to her Wellesley appearance, she has been chosen by Charles Muench, the new conductor of the Boston Symphony Orchestra, as one of his soloists in this, his first official season.

## Recent Deaths

### Adelaide V. Corken

Mrs. Adelaide Victoria Corken, wife of the late Dr. Charles Corken, died Sunday, September 18 at her home, 10 Washington Park, Newtonville.

Mrs. Corken was born in Montreal, Canada, the daughter of Thomas L. and Octavia L. (Corney) Wilson. She had resided in Newton for 65 years, and was a member of the Newton Centre Unitarian Church.

She leaves three daughters, Miss Gladys and Miss Hope Corken of Newtonville and Mrs. James Green of Boston.

Funeral services were held Wednesday at 2 o'clock at the Waterman Chapel, Kenmore square, Boston. Burial was in Cedar Grove Cemetery, Dorchester.

### John J. McGrath

Funeral services for John J. McGrath of 1617 Washington street, West Newton, were held from his home Saturday morning. A solemn high mass of requiem was celebrated in St. Bernard's Church at 10 o'clock by Rt. Rev. Msgr. John J. Crane, S.T.L., assisted by Rev. Francis P. Sullivan, deacon, and Rev. John A. Saunders, sub-deacon.

Seated within the sanctuary were Rev. Thomas E. Boland, pastor of St. Francis de Sales Church, Roxbury, and Rev. William E. Desmond of the Sacred Heart Church, East Lexington. Burial was in Calvary Cemetery, Waltham, with prayers by Fr. Sullivan, assisted by Fr. Boland and Fr. Desmond.

Mrs. McGrath died Thursday, September 15. He was in his 84th year and was born in County Cork, Ireland, the son of Daniel and Johanna (Kelly) McGrath. He had resided in Newton 65 years and was a landscape gardener before he retired five years ago.

He leaves his wife, Mrs. Mary F. (Ocho) McGrath, two daughters, Miss Marie and Miss Margaret McGrath of West Newton, a son, Philip D. McGrath of Auburndale; two brothers, Daniel of Oxbury and James McGrath of Everett and eight grandchildren. He was the father of the late Sgt. John McGrath of the Newton Police Department.

## Case Study of Tough Kid On Air Sunday

A story that is usually recorded in the statistics of 250,000 or more youngsters who annually come before the juvenile courts, will be dramatized Sunday (Sept. 25) on *Family Closeup* in the case study of Mickey, a "real tough kid", age 11.

Mickey's intimate history, a look into the fears and feelings of a delinquent boy, will be the third in the series of 13 half-hour dramas presented by the American Broadcasting Company in cooperation with the Family Service Association of America and family service agencies throughout the country. The program will be heard over the ABC affiliate here, WCOP in sponsorship with Family Service Bureau, a Red Feather Service of Newton Community Chest, from 5 to 5:30 p.m.

Mickey's name is disguised, like those of people in other families whose stories serve as a basis for *Family Closeup*—but the facts are real. A product of insecure home life and the slums, Mickey and his friend "Fatman", ranged the neighborhood, sometimes stealing, always bragging, always "ducking" the cops, afraid of what would happen at home.

His father worked steadily, so Mickey had it better than some of the other kids but in other ways "he didn't have it so good". His mother loved him but her love was unreliable—sometimes it resulted in overbearing affection, other times in brisk rebuke. She drank some, disappearing for a day or two at a time. Mickey's father loved Mickey and his other children, but he was a hard man, stern, uncompromising and unable to show even mild affection.

Mickey's fortunes reach a climax when returning from an attempt to break into a local store, he learned abruptly that his mother had been struck by a car and killed. In hurt and sorrow, Mickey's father turned on the boy and told him his wayward behavior was responsible for his mother's death.

Absorbing that terror along with the secret fear that his father will put him "away", Mickey with his pal "Fatman", grow tougher, do more daring things. His father, doing the best he knows how, finds a job nearer home, demands obedience and attempts to "crack down" on Mickey. But as Mickey's misdeeds become more and more flagrant, his father in desperation decides he will have to place the children and seeks the help of a family agency.

The rest of the story is largely one of how a family counselor helps Mickey search his emotions, and uncover his real fears, feelings and hopes. A simple running commentary by the counselor explains the meaning of the boy's behavior, tells of the services she is simultaneously offering the father and points out that, far from being the happy ending, it is just the point where she can really begin to help Mickey, in his first admission that he is willing to trust her.

*Family Closeup's* initial broadcast on September 11 was heard over 206 ABC stations. The series is designed to give listeners some insight into strains and conflicts in everyday American homes and indicate where professional help is available when families are in trouble. Variety has called *Family Closeup* an "excellent series, radio-wise as well as public service-wise".

Among other things, this year's autumn has brought to Newton a strange atmosphere. The sound of compressed air drills, the drone of bulldozers, and the smell of hot asphalt permeates the air throughout the Garden City. The home owner, the voter and the passerby might be glad of this... until they reflect which they should. This is the end of September, and in less than two months there will be an election for the next mayor of Newton. Why all this frenzied street building activity so near election time?

Is it because the administration sincerely wants to complete the street building program it pledged two years ago and just now before his term is over? Or could it be for a more obvious reason? Namely, that this administration, having for some unexplainable reason allowed the street building and repair pledge to remain inert and silent once the election was secured in 1947, is now painfully conscious of the ire of Newton voters and their probable course of action at the next election? Is this demonstration of an extraordinary spirit of activity in this one civic function the purpose of which is most readily seen and observed by home owners, voters and neighbors a last minute act? Can you overcome this reaction by Nov. 8, Mr. Lockwood? I doubt it.

## Proclamation

Nineteenth Annual Observance of Religious Education Week  
 September 25 Through October 2, 1949

WHEREAS, the whole life of our community has an important influence on the lives of growing boys and girls;

WHEREAS, many forces both good and evil, are at work in any community affecting all the children and their parents;

WHEREAS, every citizen should give active support and encouragement to those community agencies that help nurture and develop the forces that operate for good;

WHEREAS, the church, the Sunday school, the synagogue, the religious school, and other educational enterprises of the various faiths are among these important community agencies;

NOW, THEREFORE, I, Theodore R. Lockwood, Mayor of the City of Newton, hereby proclaim the period beginning Sunday, October 2, as the Nineteenth Annual Observance of Religious Education Week.

I call upon my fellow citizens to support the educational enterprises of their own religious faith, to attend their activities, to enroll their families in their classes, to give help and leadership in their operation, to provide resources so that they can do their much needed work more effectively in order that the boys and girls of today may be ideal citizens of tomorrow.

## New York Central Begins Help Program

As another step in its program of helping employees to do their jobs better, the New York Central Railroad is inaugurating for supervisory personnel a 10-unit correspondence course entitled "Be A Better Boss".

Prepared under the direction of L. W. Horning, Vice President, Personnel and Public Relations, the course provides hundreds of "tips" on what employees expect of their supervisors, and what supervisors should expect from their employees. Likewise included are inspirational quotations from many prominent people, ranging from Winston Churchill to Bernard Baruch, and Henry Ford to Charles F. Kettering.

"As the result of a single advance announcement that the course soon would be ready, more than 3,000 Central supervisors from all ranks and all departments enrolled for this entirely voluntary home work," Mr. Horning disclosed.

"This demonstrates in a very tangible way the exceptional interest that all types of railroad supervisors have in further improving themselves, and their relations with both employees and the public."

Then Central's supervisors will do their back-to-school work by mail because they are scattered in innumerable locations along the railroad's 11,000-mile right-of-way in 11 states and two provinces of Canada.

The course is divided into 10 separate sections, each dealing in chatty, easy-to-read style with a major phase of the railroad supervisor's job. Each unit concludes with a set of 10 questions, to be answered and sent to the Central's Personnel Department in New York City. As one set of answers is received and graded, the next installment is mailed to the enrollee.

Upon finishing the ten installments, with an average of 70 per cent or more of all questions answered correctly, the enrollee will receive a card-sized certificate, to fit in a billfold or pass case, signifying successful completion of the study. And to help retain the knowledge gained from the course, each graduate will receive in addition a card prepared for his desk top, summarizing key points. Enrollees also will file the units in a binder which is provided so that the course may be used at any future date for reference purposes.

Most sections begin with an interesting true-to-life story about a situation in business life involving the right, or wrong, kind of supervisory action. From the story are drawn a number of practical lessons of help to anyone concerned with directing the efforts of other employees.

Ethel Barrymore, "First Lady of the American Theatre," refuses to attend preview of her new film, "The Great Sinner," explaining: "I never saw myself on the stage, so why should I see myself on the screen?"

## Gath Says Housing Shortage is Still A "Problem Child"

The housing shortage in Newton is still a "problem child" for the city government to solve is the opinion of Harry Gath, Jr., candidate for alderman from Ward 2 as he announced at his committee meeting last night at his home 600 California St., Newtonville. He emphasized that it was not only Ward 2 problem but a city-wide in which all members of the board of aldermen should be interested.

He said, "With due credit to the building of the Oak Hill village of single houses for veterans that in no way solves the housing shortage in Newton. As I wrote the League of Women Voters in answer to their questionnaire I definitely favor a change in the zoning laws that will allow for multiple housing."

Bigelow, chairman of the state emergency housing commission favored it two years ago. Anybody who has driven over West Newton hill via Valentine St. during the past year must have seen the "For Sale" signs on ex-Mayor Sinclair Week's property. Today it is nothing but an empty lot. His home was one of the landmarks of Newton and yet he saw fit to demolish it either to save taxes or gain from the sale of building lots. Undoubtedly the residents of West Newton hill would not favor a multiple housing project on that property but there are plenty of other sections of Newton, yes, even landmarks in those areas that need remodeling and could be easily turned into valuable, taxable property by way of multiple housing. Every rent payer is a taxpayer. Even The Newton Taxpayer's Association will agree to that.

"I have seen Newton's population practically double in the last quarter of a century. Today new homes are being built throughout the city but what about those 'landmarks' too large to be fully occupied? They've either moved out of the city, their families have married off or they tear them down like ex-Mayor Weeks."

"The Newton building zone laws should be changed to allow for an increased taxable valuation as well as new residents who are anxious to live in the Garden City. Such a program does not establish an apartment house set-up such as Brookline but allows for the use of multiple property to be converted into so-called multiple housing to be within the means of those families who like Newton for its educational system, praise worthy throughout the nation. As a property owner in Wards 1, 2 and 7 I believe I know whereof I speak. Multiple housing ac-

counting to Mr. Bigelow does not cheapen a city necessarily. Instead, conforming to ordinary building laws the revenue to the city can be increased which in turn could effect the tax rate."

Will It Light in the Wind?  
 A new fiberglass bow for cigarette lighters is now being manufactured. It is guaranteed to last forever.

## Oak Hill Park School Contract Awarded

Contract for the construction of the veterans' memorial elementary school at Oak Hill Park, has been awarded by the City of Newton School Department to Tornabene Brothers Co. of Newton, for \$643,000.

## First Baptist Church To Open Day Nursery

The First Baptist Church in Newton announces the opening of a Week Day Nursery School, established to meet the needs of the pre-school children of the church, Monday morning, September 26, in the Parish House, 848 Beacon street, Newton Centre. Its administrative and financial policies are guided by a special committee of parents appointed by the Education Committee of the church.

Mrs. Foster Cousins, a graduate of Wheelock College, and well known in this area for her expert and effective work with nursery, kindergarten, and primary groups, will be the director.

The Nursery School day will begin at 8:45 and end at 11:45. The enrollment age is approximately three years and under five this month. As the school is limited to the number of students it can enroll, registrations must be made immediately. For further information, please call the Church Office, BI 4-239.

## Thirty-Nine From Newton at Fessenden

Thirty-nine boys from Newton are among those enrolled at the Fessenden School at the opening of its 47th year in West Newton Thursday. Twenty States, the District of Columbia and eight foreign countries will be represented by the boys at the school this year.

Miss Phyllis Burt, Mr. John S. Gorczynski and Mr. George M. Crabtree are new members of the faculty this year. Miss Burt is a graduate of Pembroke and will assist in the third grade. Mr. Crabtree, Amherst '48 has been engaged to teach English. While in college he played varsity baseball and soccer and was sports editor of the College News Bureau. Mr. Gorczynski graduated from Harvard in 1949, having resumed his education after serving with the Marines in the South Pacific. He won major letters in football while at Harvard as well as St. Louis University. At Fessenden he will teach arithmetic as well as assist in the athletic department.

Among those enrolled at the school are the following boys from West Newton: Courtney F. Bird, Jr., Roderick Hagenbuckle, Theodore Hagenbuckle, Dayton Haigney, Timothy Leland, Stephen Lister, Allen Moeck, Arthur O'Keefe, Eugene Sanger 3rd, Philip Schier, Joseph Scott, Peter S. Slocum, Peter Thurmond, Thomas Thurmond, Edwin Tyler, Wat Henry Tyler Jr., Robert P. Withington Jr.

From Newton Centre: Elmer C. Bartels, Kenneth R. Dana, Daniel Harris, William Harris, Caryl Carlies, Bally Hastings, Charles R. Nesson, Peter MacD. Nichols, David W. Putnam, John R. Scullin, Albert J. Scullin, John A. Seward, Charles E. Johnson Jr.

From Newton Highlands: Leslie B. Brown, Robert R. Troie. From Waban: Richard S. Halls, Fred and David Stare, Samuel P. M. Gray.

From Newton Lower Falls: John B. Gregorian. From Auburndale: Ralph D. Weston Jr.

From Newtonville: David and Wilbur J. Kingwill Jr.

According to The World Book Encyclopedia, the children of The Netherlands have it pretty slick. Whenever the ice on the canals is strong enough, a holiday is declared, school is dismissed, and everyone goes skating.

## Get Acquainted Party Held by Junior Community Club

The Annual "Get Acquainted" Party of the Newton Jr. Community Club was held Monday, September 19 at the Rebecca Pomroy House. An informal discussion on the aims and functions of the different committees took place under the direction of the President, Mrs. James M. Weidner. The Program Committee, Mrs. Robert Daniels told the members of the interesting programs lined up for the coming year. Rhoda White, Community Service Chairman, discussed her plans for the club's project, the New England Peabody Home for Crippled Children. Miss Hope Wheelock, a representative of the New England Peabody Home enlightened the members on several matters pertaining to the Home and suggested ways and means to carry out our plans.

Three new members were introduced to the club, Reba Townsend, Bernice Carr and Violet Carson.

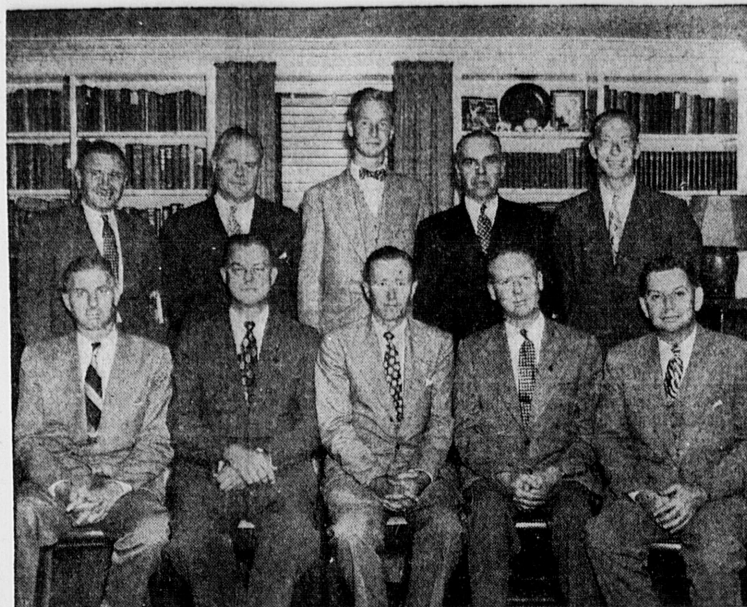

The officers and committee chairmen for the coming year are the following: Mrs. James M. Weidner, President; Mrs. Fredrick Myshrahl, Vice President; Miss Dorothy Wells, Recording Secretary; Mrs. William H. Haines, Corresponding Secretary; Mrs. George MacNair, Treasurer; Community Service, Rhoda White; Hospitality, Jean Hennrikus; Membership, Lillian Dion; Nominating, Alice Jorgensen; Program, Ruth Daniels; Remembrance, Ruth Burns; Music & Drama, Frances Haines; Publicity Jean Thompson; Social Gladys Lussier; Ways and Means, Dorothy Myshrahl; Yearbook, Jane McMahon; Senior Advisors, Mrs. Everett L. Olds and Mrs. Arthur B. Norley.

The Ways and Means Committee has planned a Fall Fashion Show, Military Whist and Rumage Sale for the coming year. Social Committee is arranging for the Christmas Party and a Dinner and Theatre Party.

An executive Board Meeting will be held Monday, September 26 at the Rebecca Pomroy House at 8 p.m. The first regular meeting is October 3.

**Largest Circulation**  
The United States publication with the largest circulation is the Reader's Digest. The magazine prints over 15,000,000 copies monthly in its local and many foreign editions. Over 8,000,000 of the subscribers take the United States edition.

## Advance Gifts Leaders in 1950 Newton Community Chest Campaign

Bottom row, left to right: Raymond M. Hughes, Assistant Chairman Newton Centre; V. Stoddard Bigelow, Assistant Division Chairman; Winslow H. Adams, Division Chairman; Wallace L. Pierce, Chairman Chestnut Hill; Dr. Allen P. Joslin, Chairman Newton. Back row: Scott H. Wells, Chairman Newton Centre; Wilbur W. Bullen, Chairman Waban; Christian A. Herter, Jr., Chairman West Newton; Russell W. Clark, Chairman Newton Highlands; Winthrop A. Clarke, Chairman Auburndale.

## Free Public Lecture To Be Held Sept. 30

In the edifice of First Church of Christ, Scientist, 391 Walnut street, (opposite Cabot St.), Newtonville, Friday evening, September 30, will be given a lecture on Christian Science to which the public is cordially invited.

Paul Stark Seeley, C.S.B., of Portland, Oregon, a teacher of Christian Science, and a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, is the well-qualified lecturer who will explain this healing religion.

Those becoming interested in Christian Science, and those needing special consideration may obtain reserved seats by inquiring at the Reading Room, 300 Walnut St., LA 5ell 7-6948, or the church clerk, Bigelow 4-5388. Time of the lecture is 8 p.m. Doors open 7:15.

## Calls Attention To Night Hazards

Chief Philip Purcell, in cooperation with the Massachusetts Safety Council is calling attention to the hazard of night driving. Many motorists are taking a drive after the evening meal and returning after dark. "Objects become increasingly harder to see and even with properly adjusted lights, it takes longer to Purcell. "It takes the driver longer to see and they recognize a dangerous situation. Stopping distances are therefore greater at night than in the daytime. There are two to three times as many fatal accidents at night as there are in the daytime. The highways these pleasant fall evenings have been pretty well over-crowded and operators must make allowances for this heavy traffic.

"Be sure your lights are in good working order dim them when passing, keep to the right, and drive carefully. This will help prevent night accidents," says Chief Purcell.

## Senior Dance School To Re-open Oct. 4

Tuesday, October 4, Katherine D. C. Gomeau will re-open her Class of the Dance for Children at Newton Centre Women's Club, where she has conducted a high type of school for several seasons.

Miss C. Gomeau is a graduate of Wellesley College, Department of Physical Education and Chalf School of Dance, N. Y. She is a member of N. Y. Society of Teachers of Dance, Dance Masters of America, and a former president of Dance Teachers' Club of Boston.

## Saltonstall To Speak Sept. 30

Christian A. Herter, Jr., President of the Newton Republican Club has announced that Senator Leverett Saltonstall has accepted his invitation to be the speaker at the Club's first fall meeting to be held September 30.

The public is cordially invited to attend the meeting which will be held at 8 o'clock on September 30th at the Day Junior High School in Newtonville.

Mayor Lockwood will introduce the Senator, whose topic will be announced next week after the Club's Executive Board meeting.

Senator Saltonstall, who is the Senior Senator from Massachusetts, is well known for his work in Massachusetts and Washington.

At present she is Dean of the Normal School for training of teachers of dance, conducted by Boston Dance Teachers Club.

She has a thorough knowledge of pedagogy, namely: to keep the child as a child and not to upset their mental equilibrium by giving work which only grown-ups should be taught.

Miss O'Gorman will conduct classes in Ballet, Tap Toe, Acrobatic, Character and the very popular B??? ?shrd cmfwyp shr

Miss C. Gomeau will be at the Newton Centre Women's Club House on Tuesday, September 27, 1949 from 2:30-4:30 o'clock for information and registration.

Dance is one of the best forms of exercise, as it uses more muscles than any other form of exercise.

## Newton Man Receives Reserve Assignment

Lt. John H. Hewitt of 1371 Walnut street, Newton Highlands, has been assigned to the 313th Replacement Depot of the organized reserves, it has been announced by Colonel John F. Mungovan, commanding officer of the unit.

Lt. Hewitt will serve as troop education and information officer and in this capacity he will be responsible for keeping the 313th posted on current world affairs. A native of Boston, Lt. Hewitt was educated at Phillips Andover Academy and Harvard College, receiving his Master of Arts degree from Cornell University in 1939. He completed the course in library science at Syracuse University and was later affiliated with the Buffalo, N. Y., Public Library. At present he is librarian of the research Laboratory of Electronics at M.I.T.

Le. Hewitt is a member of the Special Libraries Association.

## Newton AVS

Jean Spencer of 84 Walker street entertained ten girls at a party recently for Elizabeth Baldwin (Bridie), who lived in the family of Mr. and Mrs. Roland B. Macdonald for five years during the war and attended the Horace Mann School. She is the daughter of Mr. and Mrs. Trevor D. Baldwin of Barrow-in-Furness, England, who with "Bridie" have been the guests of the Macdonalds at their present home, 150 Mt. Vernon street, recently. "Bridie" return to England four years ago.

The first telephone switchboard was built at New Haven, Connecticut in 1878.

## SHIRTS

Soil and friction wear out your shirts. At Whitney's there's no harmful scrubbing or ironing — just gentle laundering and finishing — and buttons are sewed on by machine!

NEWTON, MASS.

## DEDICATED TO THE PUBLIC INTEREST...

Today we dedicate to service in the public interest the largest electrical generating unit ever installed in New England. On the basis of preliminary tests we believe that it is today the most efficient and economical steam electric generating unit in the world — measured by the amount of fuel necessary to produce a kilowatt-hour of electricity. With Edgar No. 4 on the line, Boston Edison now has a total generating capacity of 639,160 kilowatts, as compared with 389,160 kilowatts ten years ago.

Thus the electrical needs of Greater Boston — its industries, its commercial establishments, its homes — are being anticipated. The completion of Edgar No. 4 is the first major step in a program of construction involving very large capital outlays over the next few years. The necessary funds are being provided by individuals, insurance companies, and financial institutions who, by their purchase of Boston Edison securities, are demonstrating that they share our confidence in the future growth and prosperity of the New England area.

## OAK HILL DISTRICT AGAINST MONGREL UNITS

A meeting of the Directors of the Oak Hill District Improvement Association was held at the home of Malcolm Morse, 20 Old Farm road, Oak Hill, the president of the local association — to determine policies and projects of common interest. Attending the meeting in an advisory capacity were five former presidents of the association: Henry S. C. Cummings, Harold F. Tracy, Francis S. King, Henry W. Keyes and Eric A. Bianchi. Although many subjects were discussed at length the Association intends to devote its energies particularly in improving the desperately crowded condition in the Oak Hill School; in preserving and improving zoning regulations; and in developing control of the use of land by the City.

It may not generally be known that the Oak Hill School which the Oak Hill District Improvement Association sponsored back in 1935 has a normal capacity of

## Miss Wheeler Engaged to Donald T. Jordan

Mr. and Mrs. Herman H. Wheeler of Newton Highlands, Falmouth, and Fort Lauderdale, Florida announce the engagement of their daughter, Miss Wheeler, to Donald T. Jordan, son of Mr. and Mrs. Nathan Jordan of Cambridge, Mass. Miss Wheeler is a graduate of the Pierce School in Boston. Mr. Jordan was graduated from Boston University.

## SECOND HEARING ON PARKING AREAS HELD

At the public hearing Monday night before the Board of Aldermen relative to establishment of off-street parking areas at Newton Corner, the reaction was practically the same as that which prevailed on a similar hearing on parking areas at Newton Centre. Like the previous hearing, this meeting Monday night was largely attended.

Those appearing in favor of taking two areas at Newton Corner for off-street parking purposes included the Newton Corner Business and Professional Associates, Newton Improvement Association, Newton Club, Newton Chamber of Commerce, Mt. Ida Association and the Newton Taxpayers' Association. In opposition were those living in the several houses which would have to be razed under the proposal, abutters and other property owners.

## To Give Talk On The 81st Congress

Senator Saltonstall's topic will be "The 81st Congress" when he talks in Newton, the Newton Republican Club has announced. The Senator entered public service in his native city of Newton as a member of the Board of Aldermen in 1920. He is currently the minority whip of the United States Senate and on the Appropriations and Armed Services Committees.

The public is cordially invited to hear the Senator at the Day Junior High School, Newtonville, this Friday at 8 p.m. The club also announces that there will be a rally for mayorality and aldermanic candidates Wednesday, November 2. Details will be announced later.

## Fall Fair Plans Well Under Way

Plans are well under way for the Fall Fair to be held at the Second Church in Newton November 3 and 4. The name "Squash End" struck such a responsive chord in the whole community when it was used two years ago, it was unanimously voted to keep the same name for 1949. One hundred and seventy years ago when the founders of the Second Church in Newton finally obtained legislative permission to separate themselves from the old parish to the east, a bitterly contested survey line passed through a winter-squash yard at what is now the corner of Pearl and Watertown streets, directly over a huge squash, the seed end of which lay in the new West Parish, and in derision the new parishioners were called Squash-enders.

Mrs. William King is general chairman of the Fair, with Mrs. Richard B. Cattell, Mrs. Theodore C. Danker, and Mr. Dominic Mingace as co-chairmen. Nearly the whole alphabet would be needed to list the various articles for sale, entertainments to enjoy, and for the inner man, everything from candy, snacks, soft drinks, tea and coffee, to spaghetti suppers and refreshments after the evening shows.

There will be a magician and movies for the youngsters, a fashion show with Hart Models, bridge parties, and musical shows for grown ups, and two floors full of shops that will offer a chance to do all your Christmas shopping under one roof, literally too numerous to mention. Details will be announced later as to times and prices of the various entertainments, but it has already been decided that workers at the Fair will not park near the church during the two days, to facilitate parking for the general public. And as far as the church membership is concerned, their former slogan is again a truthful one — "Everybody is working for the Squash End Fair."

## ADDRESSES FEATURE JR. COLLEGE OPENING

Newton Junior College's freshman orientation program September 29 and 30 opened with brief addresses by David Tibbott, Chairman, Newton School Committee; Raymond Green, Principal, Newton Junior College; Harold Gores, Superintendent, Newton Public Schools; and C. Elwood Drake, Ed. D., Director, Newton Junior College. Aptitude tests, tours of the buildings and facilities, and social hours completed the first required freshman orientation program offered by the Junior College.

Mr. Tibbott greeted the freshmen and told them of the community's part and continuing interest in the Junior College. Mr. Green pointed out trends in junior college education in the United States, as he saw them on his recent trip through the nation; and gave a brief outline of Newton Junior College and its history in relation to the national movement. Mr. Gores brought greetings from the Newton Public Schools, and described the place of the Junior College and its possible future in the Newton educational system. Dr. Drake discussed the opportunities within the Junior College, its philosophy, and its curricular of.

## HALLOWEEN COMMITTEE APPOINTS LEADERS

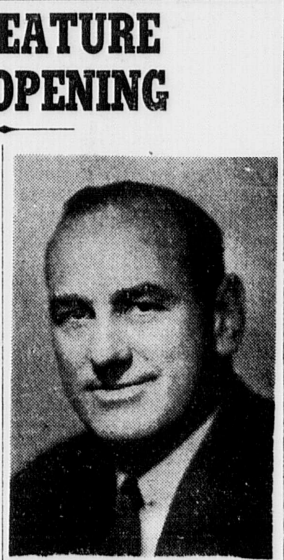

Parker F. Pond, General Chairman of Newton's 1949 Halloween Committee, announces that Village Coordinators have been appointed, and that the building up of the necessary organization of more than 1400 chairmen and committee members is already under way.

Commenting on the vast number of workers required to make the 240 separate parties successful, Mr. Pond said: "I hope that all parents who have children in school will volunteer their services. Their active help in the committee work and in directing the parties takes on added importance from the fact that the youngsters get a big kick out of knowing that Mother and Dad are right in there with them. I know my own boy did, 'way back at that very first Halloween party when he was in the second grade, and Mrs. Pond and I had charge of the Mason School party. It makes the small folks proud to know that their own parents are doing something to give so many boys and girls a wonderful time."

According to Mr. Pond, the Coordinators who will head up the various village organizations are: Samuel Hedrick, Newton Centre; Mr. and Mrs. Arthur F. Dias, Newton Highlands; Mr. and Mrs. John M. Parkinson, Waban; Mr. and Mrs. Clifton H. Emerson, Newton; Mrs. Serafin Tornabene, Thompsonville; Mr.

## All Newton Music School Begins Thirty-Ninth Year

The All Newton Music School began its thirty-ninth year Monday, September 19, with full schedules and with a waiting list in the piano department. In addition to over one hundred new applicants, the fact that a very large percentage of former students returned to resume their study is most gratifying to the staff and faculty. As usual all new students were accepted on

## Miss Jean Palmer to Visit High School

Newton High School is one of fourteen schools in the Boston area which will be visited by Miss Jean Palmer, Director of Admissions at Barnard College, New York City, on her visit to Boston during next week. Students of Newton High School will confer with Miss Palmer on Monday, October 3.

Miss Palmer succeeded Mildred McAfee Horton as director of the WAVES during World War II. During her first three and a half years in the Navy she was women's reserve assistant to the director of enlisted personnel. Before the war she was business manager for fourteen years of the Association of the Junior Leagues of America. She joined Barnard's administrative staff in 1946.

and Mrs. Robert McLaughlin, Newton Upper Falls; Mr. and Mrs. Curtis B. Forbes, Oak Hill; Mr. Louis Vassilotti, Newton Lower Falls; Mr. Vincent D. Hoagland, Auburndale; Mr. Walter C. MacCreedy, Newtonville; Mr. John Martin, Nonantum; and Mr. Harold R. Dolby, West Newton.

This year's Halloween program got off to an enthusiastic start at the first meeting of the Supporting Committee, held last Thursday, September 22, at the Newton Centre Playground House. There was a large attendance and much ground covered in shaping up preliminary plans for Newton's mammoth celebration in which more than 10,000 elementary school children and high school students will participate.

Due to Mr. Pond's unavoidable absence, Howard Whitmore, Jr., who served as General Chairman of the Halloween Committee the past two years, was in charge of the meeting. He was assisted by Mrs. Ragna Hovgaard, Chairman of the Halloween Program Committee, who has been a leading promoter of Newton's city-wide Halloween parties since their inception, eight years ago. Besides Mr. Whitmore and Mrs. Hovgaard, those present at the meeting were: Mayor Theodore R. Lockwood; Harold Gores,

## War Service Fund To Be Utilized

This is the first year in which Central Congregational Church, Newtonville, is making use of the income of its War Service Memorial Fund, established in honor of the two hundred and thirty men and women of the parish who served in the Second World War and in special memory of the ten who lost their lives.

Believing that the training of children and youths in Christian living is one important step toward the attainment of true and lasting peace, the use of the income of this Fund is to be decided each year by vote of the church upon recommendation of the Committee on Religion.

**FUND**  
(Continued on Page 2)

## To Hold Campaign for Handicapped Workers

A campaign to help handicapped workers find jobs will be carried on from October 25, as Newton joins the Nation in observing National Employ the Physically Handicapped Week. Chairman of local NEPH Week activities is Henry A. Milano, of the Massachusetts Division of Employment Security.

Local employers will be asked to survey their present job requirements in order to find possible openings for handicapped persons. Physically disabled persons not now working will be urged to register with the local office of the Massachusetts State Employment Service, where their qualifications for work can be evaluated.

Employers with potential job openings should get in touch with Mr. Milano at 290 Centre street, Newton Mass.

Other members of the local NEPH Week committee include: Honorable Theodore R. Lockwood, Mayor, City of Newton; Roy S. Edwards, President, Newton Chamber of Commerce;

## Children's Fund Drive Under Way

The Newton Community Council announces that the Children's Fund which provides milk, cod liver oil and medical appliances to Newton school children is now under the supervision of Mrs. Riley Hampton, Director of the Junior Red Cross Program. Mrs. Hampton has agreed to take over the complete responsibility for the receiving and dispensing of the funds and Red Cross has offered to reassume its sponsorship of this project by paying for the milk for the coming school year while the women's clubs, Parent Teacher's Associations and other organizations who have contributed in the past will continue their support of the other needs.

When the school nurse finds a child who may need milk, glasses or a hearing aid she re-

**DRIVE**  
(Continued on Page 2)

As the campaign for his reelection has entered its more active and aggressive phase, Mayor Theodore R. Lockwood called his committee together over the week-end and discussed his administration of the City's affairs during his present term and outlined his course of action for the future.

As Newton's first full-time mayor, Mayor Lockwood stated that the City's affairs cannot be administered competently on any other basis. He noted in answer to criticisms by his opponents that he had received over twelve thousand visitors since January 1, 1948 when he took office. He stated that it is obvious that the great majority of Newton people have approved his conscientious and constructive efforts — over twenty-five hundred voters having signed his nomination papers for reelection.

The increasing number of problems which have arisen in the past few years are the natural and direct result of two causes, the high rate of increase in population and the recent war. Since 1920, Newton's population has increased 82 per cent, since 1900 150 per cent. The many services furnished have had to be proportionately expended as well as improved. The costs of rendering such service and expanding facilities have increased.

**MAYOR**  
(Continued on Page 3)

## Taxpayers' Ass'n To Hold Annual Meeting Monday

The annual meeting of the Newton Taxpayers' Association will be held this Monday evening at 7:45 p.m. in the Newton Y.M.C.A.

The principal speaker at the meeting will be Colonel Edward A. Sherman, Executive Director of the Massachusetts Committee for Action on Federal Reorganization. He will speak on the recommendations and progress of the Hoover Commission Report.

Colonel Sherman is a veteran of both World Wars. He began his military service with the 2nd Division, A.E.F., in 1918. Between wars he was attached to the Massachusetts National Guard and, at the outbreak of World War II, was commissioned a captain in the Army of the United States.

In 1944 he was promoted to major and assigned to General Staff Corps. He rose to the rank of Lt. Colonel, assigned to the active reserve in December, 1947.

Prior to his appointment as executive director of the Massachusetts Committee for Action on Federal Reorganization he was personnel director for the Massachusetts Department of Public Works.

## EDWARD B. SANGER, JR., HEADS MEMORIAL GROUP

Eugene B. Sanger, Jr. heads the Memorial Committee for the present drive for funds for the addition to the Parish House of St. John's Episcopal Church in Newtonville. At a "kick-off" dinner in the Parish House, on Monday evening of this week Mr. Sanger announced memorials totaling more than \$4,500. An active committee composed of the following men is working for special memorial gifts. They are: Eugene B. Sanger, John R. Clark, E. Lee Gamble, Dr. Thos. Hayden, Frank Wightman, Thomas G. Walters, John Whittemore, E. E. Rice, Oril Hagaman.

Mr. Sanger stated at the "kick-off" dinner that "The new addition to the Parish House will be a real asset to the community."

## Plans Being Made For Fashion Show

An executive board meeting of the Newton Jr. Community Club was held Monday, September 26 at the Rebecca Pomroy House, directed by the president, Mrs. James M. Weidner.

The Ways and Means Committee Chairman, Dorothy Myrshall, reported that plans for the Fall Fashion Show are almost complete and will be announced at the regular meeting. The committee is also planning a Rummage Sale and Card Party to take place in the spring. Gladys Lussier, Social Committee, has arranged for the Christmas Party which will be held at the home of Dorothy Wells. She is also planning a dinner and theatre party to take place in February.

(Continued from Page 1)  
tion to the Parish House offers an opportunity for the creation of a number of memorials. When this is completed there will unquestionably be an increase in the effectiveness of the work of St. John's Church. There could be no more appropriate way to pay lasting tribute to some loved one than by providing the means to help bring this about! A gift of a room or some smaller part of the Parish House would be a living memorial, one which would enable our Parish to increase its capacity to serve its members and the community. Some opportunities for memorials include a Rector's Study, an Organization Room, the Church Office, a Vestibule kitchenette,

nine sets of windows and nine Church School Rooms. These offer an opportunity for one to donate in accordance with his preference and within his means. Two special memorial funds were announced. The first is one which is being raised to memorialize the Rev. Richard P. Loring, who was the first Rector of St. John's Church. The second memorial fund is being established in memory of James D. MacMahon who was elected President of the Men's Club prior to his death. The memorial Committee will be very happy to discuss memorials with any members, former members or friends of the Parish who might be interested. The drive to raise \$35,000 is now in progress and will continue until October 10. Mr. Sanger may be reached at LA 7-4797.

## Hodgdon Scores Machine Rule Here

In a statement issued this week, Walter A. Hodgdon, candidate for Mayor said:

"My campaign for Mayor of Newton is based upon the assumption that our voters and taxpayers are thoroughly dissatisfied with the arrogant manner in which our city has been mismanaged by Mayor Lockwood and his predecessor, Mayor Goddard. We have a definite trend in our city government that is working toward a well-defined pattern of domination by a political machine.

"While, on the surface, it may appear to be an innocent group of rubber-stamp aldermen aligning and voting in accord with their friend the Mayor, it has the potential power to become as ruthless as have other political rings in the past.

"If this quest for power is not stopped at the coming election, the lack of responsibility to our citizens and taxpayers, and even to our city employees, will continue to grow to such an extent, that our tax burden will increase to new highs, and our public services will deteriorate to the lowest of levels. It is an axiomatic fact of machine politics that elected and appointed officials owe their allegiance to the machine and to each other, not to the taxpayer or city employee.

"If elected on November 8th, I will endeavor to honestly and courageously face the hard facts of the position our city has been forced into by mismanagement and lack of responsible executive action. I will be guided by these facts, and not by emotion, and not by any unwarranted influence of politicians, or others. I promise the people of Newton that I will live up to all the planks of my platform. The first and second planks being pertinent to the issues of this statement, I quote them here. They read: No. 1. The complete restoration of responsibility and courtesy to the Mayor's office and to all departments of our city government. No. 2. The giving of full publicity to the activities of the Mayor's office and to the activities of all departments of our city government."

## Music-

(Continued from Page 1)

Dorsey, of the voice department, the William Lester Bates Scholarship. Lavinia, now a senior at Newton High School, has been a student of piano at the All Newton Music School since she was five years old.

The Senior Orchestra met on last Saturday morning to begin its work for the coming year. This group will again play at the Open House on Sunday October 23.

The Junior Orchestras will begin rehearsing early in October. Classes in Musicianship will start on Tuesday, October 4. There will be sessions of these classes on Tuesday, Thursday, afternoons, and on Saturday mornings; four groups meeting on Tuesday and three on each of the other days. These courses offer a foundation in the knowledge and skills essential to the trained musician. They aim to make the student thoroughly familiar with the various elements of which music is made. They develop the ability to listen intelligently, provide a musical vocabulary, give practical experience in sound and rhythm, and help develop the creative impulse.

The pre-instrument group will be made up of young children who are not yet ready for study at an instrument. The Junior I group will be for children approaching eight years of age and getting ready for individual instrumental lessons as well as for those who are old enough to be starting on an instrument. The Junior II group is for students who have had at least one year of class work in musicianship and theory. Junior III grade is the Certificate Group - when students in this group complete the work of the grade - they receive a certificate stating just what they have accomplished.

The All Newton Music School, which was founded in 1911 by Elizabeth Pyffe, who is now Director Emeritus, is a Red Feather Service, member of the Newton Community Council, the Newton Community Church, and the National Guild of Community Music Schools.

## Fund-

(Continued from Page 1)

gious Education. The Committee has arranged for "Six Wednesday Evenings" which begin October 5 at 8:00 p.m. and continue regularly for six weeks. This first meeting, October 5, will be preceded by a social period with refreshments at 7 o'clock. This will be a chance for the attendants to get acquainted with the speakers and each other.

Prof. Donald M. Maynard, head of the Religious Education Department of Boston University, will be the speaker at the first three meetings and his topics will concern "The Christian Home".

The second three talks will be given by Prof. Muriel Streibert Curtis, Professor of the Bible at Wellesley College and a favorite speaker in several churches in this vicinity and elsewhere. Her subjects will be on "Using the Bible in Personal and Family Life".

These meetings are open to the public, and anyone who is interested is invited to attend.

## Show-

(Continued from Page 1)

An appropriation was made to the Community Service Committee under the chairmanship of Rhoda White, so they may purchase the necessary supplies to carry out the program planned for the New England Peabody Home project.

All material for the Yearbook will be ready after the October meeting and it is expected to have the Yearbooks at the November meeting.

The next regular meeting will be held at Rebecca Pomroy House, Monday, October 3. The program will be "From Pigtails to Permanents" by Mrs. Edward Mitchell.

## Hearing-

(Continued from Page 1)

mon and Murray G. Marble of the Newton Corner Business and Professional Associates; William E. Hopkins, president, Mrs. William H. McAdams and Mrs. Morris H. Adler, all of the Newton Improvement Association; Maxwell McConnell of the Mt. Ida Association; H. Williams Kugler of the Newton Chamber of Commerce, and Lorenz F. Muther, Jr., executive secretary of the Newton Taxpayers' Association. The latter urged that any land taking be by purchase, rather than eminent domain and that the project be financed by the establishment of parking meters on streets at the Corner.

Those speaking in opposition were Frank T. Evans, pres. of Kingston Realtors, owners of one of the lots to be taken; Daniel P. Collins, representing the owner at 20 Richardson street; Paul Mullen, representing the trustees of Newton Lodge of Elks who requested that 40 or 50 feet of its lot be reserved to the lodge; Dominic Raymond of 18 Pearl street; Harry W. Sylvester of 457 Centre street; Mrs. Irene Johnson, owner of Lot 18 on the plan; William C. Haber of 28 Richardson street; Eleanor Babbit of 29 Richardson street, who presented a petition in opposition to the proposal; James P. Gallagher, representing the Nonantum Properties, Inc.; F. Paul Morgan, Boston realtor, and Miss Helen Philpot of 19 Richardson street.

## Addresses-

(Continued from Page 1)

ferings. After the ten-minute talks, various members of the Junior College staff were introduced to the freshmen, and light refreshments were served in the new Social Room. Afterward the freshmen, divided into two groups, took tests in the New Wing.

Friday morning Dr. Drake will explain the mechanical details of life in Newton Junior College. Members of the Student Council served as hosts and hostesses at the Friday social hour. The second and final series of tests ends the orientation program.

"As Newton Junior College opens with an enrollment of about 120, civilian numbers hold steady; veteran numbers, reflecting a nationwide trend, have dropped considerably," says Dr. Drake. Veteran numbers have dropped about thirty a year from the 1946-47 peak of 91, to an estimated ten this fall; while civilian numbers have risen steadily from 75 to an estimated 110. "Approximately a third of the students each year come from more than twenty surrounding communities. Tuition charges this year are unchanged from those of the past two years; \$240.00 for Newton residents, and \$288.00 for non-Newton residents."

Fifty-five per cent of last year's students who completed the freshman year return this fall. Of those who do not return to Newton Junior College, some have transferred to other colleges, some have gone to work, and a few have dropped out because of lack of funds.

Newton Junior College fills a need for two large groups of students. It offers the freshman and sophomore college years to students who would be successful in college, but who must live at home one or two of the college years. It also offers complete two-year programs in business administration and general courses of study.

Dr. Drake points out that an increasingly attractive social and extra-curricular program is made available to students. Basketball, baseball, and softball teams under competent coaches have played scheduled games with other schools and colleges. Informal social gatherings in the new Social Room, and formal evening dances, have been features in the past year. These and other activities will increase in number and frequency during the present academic year.

Appointments to the Junior College staff, in addition to Charles Peltier, social studies, and Dr. Albert Navez, science, Hentzelman, English; Alvin already announced, are M. Ronald Heintzelman, English; Alvin Schmidt, psychology; Mrs. Dorothy Weeks, advertising sales; Kenneth White, economics, economic geography, and marketing

## Rich Booster Club Of Ward 7 Organized

(Continued from Page 1)

Residents of Ward 7 have organized the first of several contemplated booster clubs in behalf of Paul S. Rich of 278 Franklin street, candidate for Alderman from Ward 7. Enthusiastic support for Mr. Rich, a thirty-two year old practicing attorney, has been evidenced throughout the ward, and the first of a series of neighborly get-together meetings has been arranged for next week.

The following residents and voters of Ward 7 have already endorsed Mr. Rich's candidacy:

Guy S. Baker, 40 Park street; John H. Boole, 237 Franklin street; James E. Carr, 35 Church street; Leroy E. Crawford, 71 Arlington street; William J. Daly, Jr., 59 Playstead road; Walter J. Forbes, 12 Whittemore road; Clifford T. Gunsallus, 125 Vernon street; Harold C. Holland, 15 Arundel terrace; Fred C. Howe, Jr., 167 Waverly avenue; Rev. Archibald L. MacMillan, 86 Park street; Edward J. Pease, 276 Franklin street; William M. Powers, 3 Vernon street; Charles S. Rand, 58 Nonantum street; Edmund Rodgers, 25 Ricker road; Maurice Roth, 116 Waverly avenue; Nelson R. Scott, 133 Park street; Philip Segal, 60 Elliot Memorial road; Allen F. Sheek, 68 Charlesbank road; Thomas W. Sillicker, 121 Oakleigh road; William F. Vanderhoof, 219 Tremont street; Herbert H. Waterhouse, 18 Kendall terrace; Kendall A. Woodrough, 14 Shorncliffe road; Frank E. Wing, 15 Magnolia avenue.

## Red Cross to Hold Annual Meeting

The annual meeting of the Newton Chapter, American Red Cross, for the purpose of the election of officers and any other business that may come before the meeting, will be held Thursday, October 13, at 7:30 p.m. at the Normandie Room, Nornumbega Park, 2327 Commonwealth avenue, Auburndale, Mass.

## Leaders-

(Continued from Page 1)

Superintendent of Schools; Charles O. Richter, Assistant Superintendent of Schools; William F. Clark, Director of Business Services, School Department; Chief of Police Philip Purcell; Chief Everett Siebert, of the Fire Department; C. Evan Johnson, Commissioner of Recreation; Rupert C. Thompson, Secretary Newton Chamber of Commerce; Frank Grant, City Clerk; Guy F. Baker, representing the Junior high schools; Carlton W. Ray and Clarence Churchill, representing the elementary schools; William E. Halliday, American Legion Commander; Miss Eleanor Elliott, Supervisor of Art, Newton Schools; Arthur S. Swanson, Superintendent of Buildings, School Department; Marjorie R. Phelon, Executive Director, Newton Chapter American Red Cross; James D. Blackall, Director First Aid, Red Cross; Dr. Ernest M. Morris, City Health Officer; and Mrs. Brainerd Thresher, who represented the School Committee.

Lumber is truly an American word, originating in Boston. mill was established in 1608.

ports the case to the school principal. He checks the request and sends it to Mrs. Hampton who will see that the need is fulfilled. The Children's Fund already has the support of the Newton Public Schools, Red Cross, Newton Community Council, Parent Teacher's Associations but if there are organizations, who are not already acquainted with this most worthy cause for our Newton School children and would like to contribute, may send the money to the Children's Fund, Mrs. Riley Hampton, Treasurer, Newton Chapter, American Red Cross, 21 Foster Street, Newtonville.

## Centre School Ass'n Holds Fall Meeting

The Newton Centre School Association held its Fall Open Meeting Wednesday in the Mason School Auditorium. The program for the first meeting of the season was of great interest to all parents.

The name paper is derived from the Latin word Papyrus.

Florida has a coastline longer than any other State.

On the first Arbor Day Nebraskans planted over one million trees.

## Files to Become Member of System

The Newton Savings Bank has filed application with the Federal Home Loan Bank of Boston to become a member of the Home Loan Bank system, it has been announced by Benjamin F. Louis, Treasurer of the bank.

In compiling the figures necessary to complete the application Mr. Louis discovered that the bank had made 376 new mortgage loans during the past year for a total of \$3,431,561.41. Of this total 149 were G. I. home loans made to veterans totalling \$1,210,048. This bank now has over 1,700 mortgage loans amounting to almost ten and a half million dollars. The bulk of these loans are in Newton, Needham and Wellesley where the bank maintains three offices for the convenience of its depositors and borrowers.

By joining the Home Loan Bank system the Newton Savings Bank will add one more safety factor to that it already possesses. At present its total deposits amounting to \$31,666,000 are insured in full under Massachusetts laws. In addition the bank has a surplus fund, over and above its deposits, amounting to over three million dollars. This fund constitutes an additional safety cushion of nearly 10%.

## NOW IS THE TIME TO GIVE TIRED GRASS A FRESH START

Re-vitalize "summer weary" grass with a fall application of Milorganite. Unlike most plants, grass grows vigorously in the fall... provided dwindling soil fertility is restored by generous feeding. Milorganite is the ideal fertilizer to use because it contains all the elements needed by grass.

Supplied in 25-, 50-, and 100-pound size proof bags.

Golf clubs use more Milorganite than any other fertilizer. They know from long experience that it is the ideal fertilizer. Profit by their example. Fertilize with Milorganite this fall for greener, more luxuriant lawns now and NEXT year, too.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by Henry Harrison Diffeender and Dorothy A. Diffeender to the Grace Investment Company, Inc. dated October 15, 1948 and recorded with Middlesex South District Registry of Deeds, Book 245, Page 551, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction, to wit: On the eighteenth day of October A.D. 1949, 2:30 Glenwood Avenue, Boston, Massachusetts, the premises described in said mortgage.

To all persons interested in the premises, notice is hereby given that a certain parcel of land together with the buildings thereon situated at 121 Glenwood Avenue, Newton, Middlesex County, Massachusetts, bounded and described as follows:

Beginning at a point on westerly side of Glenwood Ave. formerly called Kimball Street, distant sixty (60) feet southerly from lot 12, on a plan entitled, "Plan of land owned by Henry Harrison Diffeender and Dorothy A. Diffeender," dated April 23, 1948, recorded with Middlesex South District Registry of Deeds, Book 245, Page 551, and running southerly on lot 12, and as shown on said plan, seventy-five (75) feet, thence running southerly on a right angle and running southerly, ninety (90) feet to said Kimball Street, thence running southerly on said Avenue, seventy-five (75) feet to the point of beginning.

The above described premises are a part of lots 11 and 12 on said plan and are the same as the premises numbered 23 in the present number of said Glenwood Avenue.

Said premises have been conveyed to them by deed of John E. Bradley, et al. dated July 29, 1948 and recorded with Middlesex South District Registry of Deeds on August 2, 1948.

Said premises will be sold subject to all unpaid taxes, taxes, tax assessments and other municipal liens and assessments, if any.

Terms of Sale: Five hundred dollars (\$500) required to be paid in cash by the purchaser at the time and place of sale, and the balance of the purchase price, ten (10) days thereafter at the Middlesex South District Registry of Deeds, East Cambridge, Massachusetts.

Other terms to be announced at the sale.

Signed The Grace Investment Company, Inc. Present holder of said mortgage.

September 23, 1949. Samuel H. Zabarsky, Attorney. 1374 Commonwealth Ave. Boston, Mass. Algonquin 4-6470 (N)22-29-03

October 17 and 18**

October 17 and 18 the Red Cross Bloodmobile is coming to the Newton Chapter house, 21 Foster street, Newtonville.

At the Chapter House on donor days there will be a Doctor, six trained graduate nurses, two blood custodians and one blood technician. Just watch them unload someday in your community when blood day comes. The blood staff requires six hospital beds, two trucks and a beach wagon, two hundred complete bottle sets, fifty pounds each of wet and dry ice, nurses' charts, sponges, needles, syringes, needle racks, sterile supplies, glass jars, solutions, viewing box for typing, glass slides and knife blades for each donor, bottle racks, registration cards, first aid kits and bedding. All this preparation is made to guard that precious gift and give you, the donor, the very best medical attention and care.

**Outgrown Shop Opens  
This Wednesday**

The Outgrown Shop of the Hyde Park School Parent-Teachers Association opens Wednesday, under the chairmanship of Mrs. Leonard Bassett. New racks, tables, and shoe stands have been added for the benefit of the customers who will find clothing for each member of the family.

Mrs. Harry Brockington is Assistant Chairman and in charge of finances. Mrs. Frank Perry, Jr., and Mrs. Harold McGrail are assisting Mrs. Joseph Trifero with the bookkeeping. Mrs. Francis Laurie is in charge of pricing the articles and Mrs. Albert Walwer and Mrs. Lorenz Muther, Jr. are handling publicity. Mrs. Robert Foote will recruit mothers to help with the selling and Mrs. George Foley is in charge of sales. Former chairman, Mrs. John Fox, will help again this year.

The shop will be open every Wednesday during the school semester from 10 a.m. to 3:30 p.m. The staff enjoyed their work so much last year that they are looking forward to another happy and successful year.

**W. Newton Alliance  
To Meet Wednesday**

The West Newton Alliance will hold its first meeting of the season in the Parish Hall of the West Newton Unitarian Church October 5 at 3 p.m. Immediately following the business meeting there will be a reception and tea, with Miss Edith B. Wadsworth and Mrs. Irving J. Fisher as chairmen. Receiving with Miss Margaret S. Ball, president, will be Dr. and Mrs. Herbert Hitchen, Mrs. Julian C. Jaynes, Mrs. Leonard A. Monzert, Mrs. Rudolph Amann, Mrs. John E. Cox and Mrs. Chester W. Wilson.

At the Monday Conference October 3, at 10:30 a.m., at the Arlington Street Church in Boston, Miss Margaret S. Ball of Newton will be the leader of a conference on the work of the World Fellowship Committee of the General Alliance.

**Outstanding Talent  
To Feature Meeting**

A program of outstanding talent and of varied interests is in store for the members of the Women's Club of Newton Highlands. Edwin A. Rowlands will speak on "Hobbies Are My Business" at the opening meeting, October 19, at the Parish House of the Congregational Church in Newton Highlands. For many years the meeting day of the Woman's Club has been on Tuesday afternoon but this season the meetings will be held on the third Wednesday afternoon of each month, in the hope that the young mothers whose children are in school on Wednesday afternoons will be able to attend. Special exhibits, lectures, demonstrations and bridge parties will be held in the Club Workshop on Columbus street on the days in between regular club meetings. Among the guest speakers for the season are Mrs. Thomas Rudkin, well-known book reviewer; Mme. Suzanne Silvercruys, sculptress; Stewart Anderson, traveler; Robert Norton, world news analyst; Arthur Flagler Fultz, authority on musical occupational therapy, and Gladys Reed Edling, interior decorator.

**Rummage Sale To Be  
Held Next Tuesday**

Mrs. Frederick Wells, chairman of the Fall Rummage Sale of the Centre Building Association, announces the doors of the basement of the Davis School will open promptly at 9:30 A.M. Tuesday, October 4 for an unusually fine Rummage Sale. Clothing for the entire family, books, toys, bric-a-brac, furniture, and articles too numerous to mention, will all be sold.

The members of the Board of Directors of the West Newton Community Centre, Inc., a Red Feather Service, are all assisting Mrs. Wells in this sale as the proceeds go into a fund for a new building for the Community Centre. Mrs. Arthur F. Williams and Mrs. Sidney L. Sholley are assistant chairmen.

**Newton Bible Class  
Begins 13th Year**

The Newton Bible Class, which meets at 163 Waverly avenue Tuesday evenings from eight to nine, began its thirteenth year of interesting study, good times, and Christian fellowship Tuesday.

It is free to everyone interested and newcomers are very cordially invited.

**American Home Class  
To Meet October 5**

The first fall luncheon of the American Home Class of the West Newton Women's Educational Club will be held in the home of Mrs. Dudley L. Thornbury, 72 Adella avenue, Wednesday, October 5 at 12:30 p.m. Mrs. Edson A. Forbes will serve as luncheon chairman, and a program is being arranged by the hostess.

NEIL PHILLIPS

**Neil Phillips Now  
At Beaconsfield**

When the Germans bombed Rotterdam during the early days of the recent war, an American pianist managed to escape the doomed city with his collection of manuscripts—and little else.

The pianist, Neil Phillips, then returned, after wading through much red tape, to this country, thus concluding a long stay abroad, during which he had played for thousands throughout England, and the continent, and has appeared with many of Europe's best-known entertainers.

On October 1, Mr. Phillips begins an engagement in the Hotel Beaconsfield's congenial Hunt Room, where he will be heard nightly except Monday from 5:30 to 7 and from 9 to 11.

One of Neil Phillips' specialties is playing popular tunes in the style of the masters, an accomplishment that always pleases his listeners. His unusual facility at the keyboard together with his continental cordiality, promise a good deal of pleasure this season for visitors to the Beaconsfield's distinctive Hunt Room.

David Mintz and family will occupy the eight room house at 2 Whitney road which he has purchased from J. Stanley Wood.

**West Newton  
Man Given  
Navy Award**

In ceremonies held at Raytheon's Waltham plant, the U. S. Navy honored Percy L. Spencer, manager of Raytheon's power tube division. Mr. Spencer makes his home at 85 Adena road, West Newton.

Rear Admiral Hewlett Thebaud, Commandant of the First Naval District, acting for the Secretary of the Navy, presented Mr. Spencer the Distinguished Public Service Award. The award, highest civilian honor it is possible for the Secretary of the Navy to bestow, was made for Spencer's development of the vacuum tube used in proximity fuses and his simplified method of magnetron tube production.

Early in World War II, Spencer carried out exacting developments of both vacuum tubes and magnetrons. It was his simplified method of manufacture which broke the 1942 bottleneck in radar production.

In 1941, Mr. Spencer began work on modifying the magnetron tube then in use in England. By the spring of 1942, Spencer had developed a lamination and brazing process which eliminated about 100 hours of precision machine work. The new method consisted of stamping out thin copper sheets in the proper shape, and after stacking, the sheets were brazed to form one solid mass. The simplified method enabled Raytheon to increase tube production from seventeen a week to 2500 a day.

**Upper Falls Woman's  
Club to Meet Monday**

The Newton Upper Falls Woman's Club will hold its first fall meeting Monday evening, at 7:30 at the Ralph Waldo Emerson School, Mrs. G. Louis Marcy presiding. There will be a musical program featuring a quartet arranged by Mr. Frederick Newcomb. Refreshments will be served. Mrs. Walter Evans and Miss Nellie Osborne will pour.

**Joseph Earl Perry  
Named Chairman of  
Bank Committee**

Joseph Earl Perry, President of the Newton Savings Bank has been appointed Chairman of the Committee on Extension of Mutual Savings Banks System by Henry S. Kingman, President of the National Association of Mutual Savings Banks for the coming year. This committee is endeavoring to extend the area served by Mutual Savings Banks into all of the 48 states.

Mr. Perry is well qualified for this position having made many contacts throughout the United States when he was President of the National Association of Supervisors of State Banks. During the past two years he has also served as either chairman or member of several committees of the American Bankers Association; namely, the Model State Banking Code Committee, the Executive Committee and the Savings Development Committee.

Mutual Savings Banks are now located in 17 of the 48 states and it is hoped that under the able direction of Mr. Perry and his committee this area will be considerably expanded in the very near future.

**Newton Boy Wins  
Star of Week Award**

A Newton High school boy is the first athlete in Massachusetts to win the coveted "Howard Rust Star of The Week Trophy," presented each week to the outstanding schoolboy athlete of the week. The presentations will continue through the 1950 season.

Richard Lovell, a tackle on the Newton High football team was chosen for his athletic ability and good sportsmanship.

For the Enrichment of Life

RIGHT AT THIS MOMENT, there are thousands of people in America who are debating whether to end all compromise with motor cars—by taking the step up to Cadillac.

To all these people we should like to say: "Longfellow was right when he penned the words—'Time is fleeting.'"

If you want a Cadillac, and feel that you are entitled to one, you ought to

make arrangements at once to have one delivered into your possession.

Each day you forego it, you will lose a goodly measure of happiness and satisfaction—for a Cadillac is a joy to possess, and a joy to utilize. Many say that it adds to the zest of their whole day's activities.

Certain it is that a Cadillac brings with it the utmost in performance, in comfort, and in safety—and that it

contributes immeasurably to its owner's peace of mind. Few, indeed, can be happy without a Cadillac—once they have learned how greatly it enriches their lives.

If you are among the many who have the impulse to own a Cadillac, come in and see us soon. Each day you delay means a loss in satisfaction which no other material possession can hope to supply.
